2026-2027

JUNIOR PRIVILEGE GUIDELINES

A privilege is something that must be earned; it is not a guaranteed right. Privileges are given to those who are responsible and are willing to work for the extra benefits that they will receive. Juniors who meet the stated conditions will not be required to attend their assigned study hall but may go to designated areas on campus. Juniors may NOT leave campus or go to either gym during school hours. Privileges will be reassessed at the midterm and end of each semester; however, privileges will be restricted as soon as a junior fails to meet the requirements. Juniors with restricted privileges will not be permitted to leave study hall while restrictions are in force.

Criteria for junior privileges are as follows:

- Have no failing grade at progress checks or the preceding semester;
- Have fewer than 13 demerits at midterm check or the preceding semester;
- Have no more than three (3) unexcused tardies to school during a quarter;
- Have no more than three (4) unexcused tardies to class during a quarter;
- Have at least 20 volunteer hours completed by the first day of school.
- Have at least a B- at midterm and/or end of term in a dual enrollment class IF enrolled in one

Infractions which could cause loss of junior privileges are as follows:

- Loitering in the hallways during class hours
- Sleeping in the lounge during study hall period
- Grades below a 72 in more than one class
- Going to the gym during school hours
- Leaving designated areas unclean
- Noisy and unruly behavior
- Improper driving and parking
- Missing assemblies or pep rallies
- Not checking back in to study hall prior to the end of class
- Leaving campus early before dismissal
- Leaving campus or class without permission – loss of privileges for at least a nine-week period
- 5 unexcused absences in a class
- Suspension - loss of privileges for an indefinite period

NOTE: *The above first offenses (other than leaving campus and suspension) will result in at least a one week loss of privileges, second offense at least a one month loss, and third offense for at least a nine week period. The Dean of Students is at the discretion to remove privileges for other offenses not listed above.*

***I understand that a privilege is earned and will abide by the rules required to keep my privileges for the 26-27 school year.**
