I will have high expectations and goals for you this year. My expectations will always be within reach of your ability as you strive to be the best version of yourself!

Classroom climate is important. We are a family. We may have our differences but we watch out for each other and are kind to another.

Communication

Communication is a crucial component of education. Throughout the year, we will be working together (side-by-side) and need to ensure that we are communicating in an effective and productive manner. Please feel free to contact me with questions or concerns you may have regarding your child. I will respond to messages Monday-Friday between 7AM and 4PM, as time allows!

SchoolStatus and email (bpelfrey@gcboe.us) will be the primary forms of communication!

All About Me!

I am entering my ninth year as an educator! I have experience teaching 3rd, 5th, 9th, 10th, 11th, and 12th grade. Outside of teaching, my husband and I serve as the student pastors at The Well Church of God! Mr. Pelfrey and I also welcomed our son, Koda Kaius, into our lives on Christmas Day of 2025!
