

LINCOLN-WEST HIGH SCHOOL

MISSION

Lincoln-West High School strives to serve a diverse population in a dynamic and interactive educational environment that prioritizes student voice and growth. Our mission is to prepare adolescents to become knowledgeable, empathetic adults who will contribute to a more just and sustainable world. Through intentional academic and social-emotional supports, students will master rigorous academic standards and engage in pathways in business and healthcare. They will develop the skills necessary for success in college, career, and civic life.

VISION

Our vision is to cultivate an inclusive and innovative school that empowers a diverse community of learners through hands-on instruction and pathways in healthcare and business. In a supportive learning environment grounded in strategic community partnerships, students will develop the skills and agency to thrive in college, career, and civic life. Through meaningful instruction and experiences, they will be prepared to transform their communities and the world around them.
