Greetings Miners

Please read and complete the form below to request your DMV-301. Our goal is to inform you of the responsibilities and expectations when requesting a DMV-301 form while helping you reach your goals.

First, read and initial the sections below. Next, the student and parent/guardian sign and date the bottom of the form before submitting to the Attendance Office to request your DMV-301 form. Please allow two full business days to process your request.

____ Under the law, Nevada students under the age of 18 in public, private or charter schools who wish to apply for a learner's permit or driver's license must submit to the DMV office at the time of application a completed DMV-301 form signed by a school official.

____ This form will verify that the applicant has attended at least 90 percent of the school days in the current semester -- or that he/she did not miss more than seven (7) days of a block schedule and 10 days of a non-block schedule.

____ If the student does not meet the minimum attendance requirement, he/she will be unable to apply until the next semester, provided he/she meets the 90 percent attendance requirement.

____ **HABITUAL TRUANTS:** Students who are deemed habitual truants (three or more unapproved absences) could either lose their license or be ineligible to get a license for a minimum of 30 days for the first offense and 60 days for the second offense, regardless of their attendance status in the current semester. Students who turn 18 during the suspension will be required to complete the terms of the suspension before their driving privileges are restored. Students whose licenses or permits are suspended due to poor attendance must surrender their license or permit to school officials under Nevada law.

I am aware that effective Jan. 1, 2015, SB 269, Nevada law requires students to attend school regularly in order to apply for and keep their driver's licenses and learner's permits.

Student Signature _____ Date _____

Parent / Guardian _____ Date _____
