2026-2027 TEXTBOOK LIST

HOW DO I KNOW WHAT BOOKS MY STUDENT NEEDS?

- Student schedules are now available in Veracross. Use your student's schedule to find their courses on this book list.
- This book list is organized by department and includes the course name, book title and ISBN. **If a course is not included on this list, requirements will be provided in class and no purchase is necessary at this time.** Please note that this list does not necessarily provide an exhaustive list of all books used in all classes; your student's syllabus will provide the most accurate information.

WHERE CAN I GET BOOKS?

- Books can be purchased from any source, including local bookstores or online.
- Specific ISBNs have been listed for the exact books students need. **You can shop at any online reseller simply by searching for the ISBN**. Below are examples of sites from which families typically purchase books:
    - amazon.com
    - ecampus.com
    - thriftbooks.com
    - abebooks.com
- Please note that eBooks are only permissible when specifically requested by the teacher. English teachers especially require books in print and **exact ISBNs** to facilitate classroom discussions and annotation.
