

American Sign Language III K Scope & Sequence (2026–2027)

Course Description

Level III classes are conducted in the language and provide opportunities to further develop intermediate language proficiency in receptive and expressive communication. By the end of the course, students should have adequate control of basic structural patterns and should be able to express themselves at a paragraph level. In addition, students will have a deeper understanding of the language and cultural perspectives associated with the Deaf Community. At the end of the course, students are expected to reach an Intermediate Low-Intermediate Mid proficiency level.

Notes

* Includes time for Final Exams.

**The length of each unit is a specific number of days, but it is understood that there is a range of +/- a day. The purpose of the flexibility is to allow teachers the opportunity to plan for the needs of their students and to accommodate re- teaching or review when necessary. If pre-assessment indicates student mastery could be obtained in a shorter number of days, the additional time could be used for extension or carried into the next unit.
