IT'S TIME TO *Bring Them Home!*

For more than a decade, Lady Vikings Softball has built a championship tradition defined by dedication, perseverance, and excellence. With 14 straight district titles and a reigning regional championship, our student-athletes have established themselves as one of the premier softball programs in Southwest Florida.

Now, it is time to give them what they have earned: a true home field on campus.

IN THE PURSUIT OF *Excellence*

Investing in Faith. Advancing Excellence.

For over six decades, Bishop Verot has prepared students to lead lives of faith, purpose, and service. The Viking Fund ensures that this mission continues to thrive by supporting the people, programs, and initiatives that make for an exceptional experience and education at Verot.

The 2026-2027 Viking Fund will support three transformational campus initiatives:

Lighting the Way

Safe campus begins with visibility. Upgraded LED lighting throughout our campus parking areas will improve security, increase visibility during evening events, and create a welcoming environment for students, parents, faculty, and guests. From athletic competitions and fine arts performances to school Masses and community gatherings, enhanced lighting demonstrates our commitment to safety and stewardship.

A Home for Viking Softball

Our student-athletes deserve facilities that reflect the pride, dedication, and excellence they bring to Bishop Verot every day.

The construction of a new girls' softball field, located behind the football stadium, will provide our softball program with a permanent home while enhancing the overall athletic campus. This project will allow our student-athletes to stay on campus for games and practice, strengthen school spirit, and support the continued growth of girls' athletics for current and future Vikings.

Improving Campus Access

Every day, hundreds of students, parents, faculty, and visitors enter and exit our campus. Improving traffic flow has become an essential priority. The construction of a new access road connecting Sunrise Drive and Summerlin Road will create a safer, more efficient entrance and exit while reducing congestion during arrival, dismissal, athletic events, and special campus activities. This investment will improve safety, accessibility, and the overall experience for our entire Bishop Verot community.

A FIELD WORTHY OF THEIR *Legacy*

Our goal is to build a new on-campus softball field worthy of the tradition and excellence of Lady Vikings Softball. This project will provide our student-athletes with a place to practice, compete, grow, and thrive while creating a true home-field atmosphere for players, students, families, alumni, and fans.

WHY YOUR SUPPORT MATTERS

The Bishop Verot experience exists because generations of Vikings chose to invest in something greater than themselves. Their sacrifices created the foundation that allows our students to flourish academically, physically, and spiritually.

Now, it's our turn.

Through the Viking Fund, your generosity strengthens our Catholic mission and ensures that future generations of Vikings will experience the same faith-filled education, traditions, and opportunities that have defined Bishop Verot.

Honor the past. Invest in the future. Become part of the legacy.
