

Comprehensive Needs Assessment 2026 - 2027 School Report

Walton County
Youth Elementary School

1. PLANNING AND PREPARATION

1.1 Identification of Team

The comprehensive needs assessment team consists of people who are responsible for working collaboratively throughout the needs assessment process. Ideal team members possess knowledge of programs, the capacity to plan and implement the needs assessment, and the ability to ensure stakeholder involvement. A required team member's name may be duplicated when multiple roles are performed by the same person. Documentation of team member involvement must be maintained by the LEA.

Leadership Team

	Position/Role	Name
Team Member # 1	Jennifer Squires	Principal
Team Member # 2	Tracy Stigall	Assistant Principal
Team Member # 3	Ashli Borchelt	Teacher/PLL
Team Member # 4	Haley McDonald	PBIS Coach
Team Member # 5	Cathy Mason	Gifted Teacher
Team Member # 6	Lisa Sargent	EIP Teacher
Team Member # 7	Katy Johnson	Counselor

Additional Leadership Team

	Position/Role	Name
Team Member # 1	SEIS	Kayla Smith
Team Member # 2	Kindergarten Teacher	Jody Crowe
Team Member # 3	First Grade Teacher	Shannon Grace
Team Member # 4	Second Grade Teacher	Morgan Brown
Team Member # 5	Third Grade Teacher	Sara Forrester
Team Member # 6	Fourth Grade Teacher	Stacy Woods
Team Member # 7	Fifth Grade Teacher	Courtney Harper
Team Member # 8	Specials	Amy Story
Team Member # 9	PreK Teacher	Janet Gatrel
Team Member # 10	ESOL	Lauren Collins

1. PLANNING AND PREPARATION

1.2 Identification of Stakeholders

Stakeholders are those individuals with valuable experiences and perspective who will provide the team with important input, feedback, and guidance. Required stakeholders must be engaged in the process to meet the requirements of participating federal programs. Documentation of stakeholder involvement must be maintained by the LEA.

Stakeholders

	Position/Role	Name
Stakeholder # 1	Keith Wages	Business Partner
Stakeholder # 2	Ansley Holder	PTO President
Stakeholder # 3	JoJo Leach	Business Partner
Stakeholder # 4	Emily Byrd	Parent
Stakeholder # 5	Dianne Fountain	Community Member
Stakeholder # 6	Hannah Kline	Staff Member
Stakeholder # 7		
Stakeholder # 8		

How will the team ensure that stakeholders, and in particular parents and/or guardians, were able to provide meaningful input into the needs assessment process?	Stakeholders had multiple opportunities to provide input through both surveys and Comprehensive Needs Assessment meetings during the Spring quarter. All staff members participated in the CNA process.
--	---

2. DATA COLLECTION ANALYSIS

2.1 Coherent Instructional System

Analyze the LEA's data (including sections 2.6 and 2.7) and answer the guiding questions to determine existing trends and patterns that support the identification of instructional needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS).

Coherent Instruction Data

Curriculum Standard 1 -Uses systematic, collaborative planning processes so that teachers share an understanding of expectations for standards, curriculum, assessment, and instruction		
1. Exemplary	A systematic, collaborative process is used proactively for curriculum planning. Nearly all teachers or groups of teachers, support staff, and leaders within the school have common expectations for standards, curriculum, assessment, and instruction.	✓
2. Operational	A systematic, collaborative process is used regularly for curriculum planning. Most teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	
3. Emerging	A collaborative process is used occasionally for curriculum planning. Some teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	
4. Not Evident	A collaborative process is rarely, if ever, used for curriculum planning. Few, if any, teachers or groups of teachers within the school have common expectations for standards, curriculum, assessment, and instruction.	

Coherent Instruction Data

Curriculum Standard 2 -Designs curriculum documents and aligns resources with the intended rigor of the required standards		
1. Exemplary	Curriculum documents (e.g., lesson plans, unit plans, performance tasks, curriculum maps, scope, and sequence documents, guides) that are aligned with the intended rigor of the required standards are the products of a systematic, collaborative process. These curriculum documents and resources are used and continuously revised by teachers and support staff to ensure an alignment with the intended, taught, and tested standards.	
2. Operational	Curriculum documents (e.g., lesson plans, unit plans, performance tasks, curriculum maps, scope and sequence documents, guides) have been designed, and resources are aligned with the intended rigor of the required standards. These curriculum documents and resources guide the work of teachers and instructional support staff.	✓
3. Emerging	Curriculum documents and resources exist, but they are not complete in all content areas or grade levels or lack the intended rigor of the required standards.	
4. Not Evident	Few, if any, curriculum documents and resources exist to support the implementation of the intended rigor of the required standards.	

Instruction Standard 1 -Provides a supportive and well -managed environment conducive to learning		
1. Exemplary	A supportive and well-managed environment conducive to learning is evident throughout the school. Students consistently stay on-task and take responsibility for their own actions.	✓
2. Operational	A supportive and well-managed environment conducive to learning is evident in most classrooms.	
3. Emerging	A supportive and well-managed environment conducive to learning is evident in some classrooms.	
4. Not Evident	A supportive and well-managed environment conducive to learning is evident in few, if any, classrooms.	

Coherent Instruction Data

Instruction Standard 2 -Creates an academically challenging learning environment		
1. Exemplary	Nearly all teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration). Students consistently work independently and in teams to solve real-world problems that require advanced effort, decision-making, and critical and creative thinking.	✓
2. Operational	Most teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration).	
3. Emerging	Some teachers create an academically challenging learning environment.	
4. Not Evident	Few, if any, teachers create an academically challenging learning environment.	

Instruction Standard 3 -Establishes and communicates clear learning targets and success criteria aligned to curriculum standards		
1. Exemplary	Nearly all teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards. Learning targets are evident throughout the lesson and in student work. Articulation of the learning targets is consistent and pervasive among like content areas and grade levels.	
2. Operational	Most teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards. Learning targets are evident throughout the lesson and in student work.	✓
3. Emerging	Some teachers establish and communicate clear learning targets and success criteria aligned to the required curriculum standards.	
4. Not Evident	Few, if any teachers establish clear learning targets and success criteria aligned to the required curriculum standards.	

Coherent Instruction Data

Instruction Standard 4 -Uses research based instructional practices that positively impact student learning		
1. Exemplary	Nearly all teachers pervasively demonstrate a repertoire of highly effective, research-based instructional practices that positively impact student learning (e.g., providing feedback, cooperative learning, advance organizers, questioning techniques, similarities and differences, reinforcing effort, goal setting, summarizers, graphic representations, reciprocal teaching).	✓
2. Operational	Most teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning (e.g., providing feedback, cooperative learning, advance organizers, questioning techniques, similarities and differences, reinforcing effort, goal setting, summarizers, graphic representations, reciprocal teaching).	
3. Emerging	Some teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	
4. Not Evident	Few, if any, teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	

Instruction Standard 5 -Differentiates instruction to meet specific learning needs of students		
1. Exemplary	Nearly all teachers differentiate instruction (e.g., using flexible grouping, making adjustments, providing choices based upon readiness levels, interests, or needs) to meet the specific learning needs of students. Nearly all teachers plan and implement multiple means of representation, engagement, action, and expression to meet the learning needs of students (UDL). Remediation, enrichment, and acceleration are pervasive practices.	
2. Operational	Most teachers differentiate instruction (e.g., using flexible grouping, making adjustments, providing choices based upon readiness levels, interests, or needs) to meet the specific learning needs of students. Most teachers plan and implement multiple means of representation, engagement, action, and expression to meet the learning needs of students (UDL).	✓
3. Emerging	Some teachers differentiate instruction to meet the specific learning needs of students.	
4. Not Evident	Few, if any, teachers differentiate instruction to meet the specific learning needs of students.	

Coherent Instruction Data

Instruction Standard 6 -Uses appropriate, current technology to enhance learning		
1. Exemplary	The use by staff members and students of appropriate, current technology to enhance learning is an institutional practice (e.g., facilitate communication, collaboration, research, design, creativity, problem-solving).	✓
2. Operational	Most staff members and students use appropriate, current technology to enhance learning (e.g., facilitate communication, collaboration, research, design, creativity, problem-solving).	
3. Emerging	Some staff members, students, or both use appropriate, current technology to enhance learning.	
4. Not Evident	Few, if any, teachers demonstrate a repertoire of effective, research-based instructional practices that positively impact student learning.	

Instruction Standard 7 -Provides feedback to students on their performance on the standards or learning targets		
1. Exemplary	Nearly all teachers use the language of the standards or learning targets to provide students with specific, timely, descriptive feedback on their performance. Nearly all teachers systematically elicit diagnostic information from individual students regarding their understanding of the standards or learning targets.	
2. Operational	Most teachers use the language of the standards or learning targets to provide students with specific, timely, descriptive feedback on their performance.	✓
3. Emerging	Some teachers use the language of the standards or learning targets to provide students with specific, descriptive feedback on their performance.	
4. Not Evident	Few, if any, teachers use the language of the standards or learning targets to provide students with feedback on their performance, or the feedback that is provided is not specific, timely, or understandable.	

Instruction Standard 8 -Establishes a learning environment that empowers students to actively monitor their own progress		
1. Exemplary	Nearly all students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress. Nearly all students develop a sense of personal responsibility and accountability by engaging in record keeping, self-monitoring, sharing, exhibiting, and self-reflection.	
2. Operational	Most students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress.	✓
3. Emerging	Some students use tools to actively monitor their own progress.	
4. Not Evident	Few, if any, students use tools to actively monitor their own progress.	

Coherent Instruction Data

Instruction Standard 9 -Provides timely, systematic, data -driven interventions		
1. Exemplary	Nearly all students are provided timely, systematic, data-driven interventions to support their learning needs. Interventions are designed to meet the needs of each student. The effectiveness of those interventions is consistently monitored and adjustments are made.	✓
2. Operational	Most students are provided timely, systematic, data-driven interventions to support their learning needs.	
3. Emerging	Some students are provided extra assistance or needed support in a timely manner.	
4. Not Evident	Few, if any, students are provided extra assistance or effective support in a timely manner.	

Assessment Standard 1 -Aligns assessments with the required curriculum standards		
1. Exemplary	Nearly all assessments are aligned with the required curriculum standards. Assessments are reviewed during the school year to ensure alignment.	✓
2. Operational	Most assessments are aligned with the required curriculum standards.	
3. Emerging	Some assessments are aligned with the required curriculum standards.	
4. Not Evident	Few, if any, assessments are aligned with the required curriculum standards.	

Assessment Standard 3 -Uses common assessments aligned with the required standards to monitor student progress, inform instruction, and improve teacher practices		
1. Exemplary	Teachers consistently use common assessments aligned with the required standards in nearly all content areas, grade levels, or both for diagnostic, summative, and formative purposes. The data from the common assessments are analyzed down to the item level, and the results are used to inform instruction and improve teacher practices.	✓
2. Operational	Teachers use common assessments aligned with the required standards in most content areas to monitor student progress, inform instruction, and improve teacher practices.	
3. Emerging	Teachers use some common assessments aligned with the required standards in a few content areas with a limited amount of data analysis to monitor student progress, inform instruction, or improve teacher practices.	
4. Not Evident	Teachers use few, if any, common assessments to monitor student progress, inform instruction, or improve teacher practices.	

Coherent Instruction Data

Assessment Standard 4 -Implements a process to collaboratively analyze assessment results to adjust instruction		
1. Exemplary	Teachers extensively use a systematic, collaborative process to analyze assessment results. Instruction is consistently adjusted based on the analysis of assessment results across all content areas, grade levels, or both.	
2. Operational	Teachers regularly use a collaborative process to analyze assessment results. Instruction is routinely adjusted based on the analysis of assessment results.	✓
3. Emerging	Teachers occasionally use a collaborative process to analyze assessment results. Instruction is sometimes adjusted based on the analysis of assessment results.	
4. Not Evident	A collaborative process to analyze assessment results does not exist. Instruction is rarely, if ever, adjusted based on the analysis of assessment results.	

Assessment Standard 5 -Implements grading practices that provide an accurate indication of student progress on the required standards		
1. Exemplary	The grading practices used by teachers across nearly all content areas, grade levels, or both, consistently provide an accurate indication of student progress on the required standards.	
2. Operational	The grading practices used by teachers in most content areas, grade levels, or both provide an accurate indication of student progress on the required standards.	✓
3. Emerging	The grading practices used by teachers in some content areas, grade levels, or both provide an accurate indication of student progress on the required standards.	
4. Not Evident	The grading practices used by teachers rarely, if ever, provide an accurate indication of student progress on the required standards.	

2. DATA COLLECTION ANALYSIS

2.2 Effective Leadership

Analyze the LEA's data (including sections 2.6 and 2.7) and answer the guiding questions to determine existing trends and patterns that support the identification of leadership needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS).

Effective Leadership Data

Leadership Standard 1 -Builds and sustains relationships to foster the success of students and staff		
1. Exemplary	Administrators consistently build and sustain relationships to foster the success of students and staff. The school staff is fully engaged in relationship building through collaboration, internal and external communication, and building trust with staff, students, families, and community stakeholders.	✓
2. Operational	Administrators regularly build and sustain relationships to foster the success of students and staff.	
3. Emerging	Administrators sometimes build relationships to foster the success of students and staff.	
4. Not Evident	Administrators seldom, if ever, build relationships to foster the success of students and staff.	

Leadership Standard 2 -Initiates and manages change to improve staff performance and student learning		
1. Exemplary	Administrators, the school leadership team, and other teacher leaders initiate and sustain change to improve staff performance and student learning. Administrators, the school leadership team, and other teacher leaders create a sense of urgency for change and effectively communicate a common vision.	✓
2. Operational	Administrators and the school leadership team initiate and sustain change to improve staff performance and student learning. The principal provides an appropriate balance of pressure and support to manage the change process for desired results.	
3. Emerging	Administrators initiate change to improve staff performance and student learning but do not sustain the change, remove barriers, or both.	
4. Not Evident	Administrators initiate few, if any, changes that impact staff performance and student learning.	

Effective Leadership Data

Leadership Standard 3 -Uses systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices		
1. Exemplary	The principal and other school leaders continually use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices. The principal and other school leaders have a comprehensive knowledge and understanding of the best practices for curriculum, assessment, instruction, and professional learning.	✓
2. Operational	The principal and other school leaders often use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	
3. Emerging	The principal and other school leaders occasionally use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	
4. Not Evident	The principal and other school leaders rarely, if ever, use systems to ensure effective implementation of curriculum, assessment, instruction, and professional learning practices.	

Leadership Standard 4 -Uses processes to systematically analyze data to improve student achievement		
1. Exemplary	Extensive, comprehensive processes, including root cause analysis, are used consistently to analyze data (e.g., multiple sources of data: classroom, grade level, departmental, and subgroup, perception data) to improve student achievement.	
2. Operational	Numerous processes are used frequently to analyze data (e.g., multiple sources of data: classroom, grade level, departmental, and subgroup, perception data) to improve student achievement.	✓
3. Emerging	Some processes are in place and used occasionally to analyze data to improve student achievement.	
4. Not Evident	Few, if any, processes are in place to analyze data to improve student achievement.	

Leadership Standard 5 -Builds leadership capacity through shared decision-making and problem-solving		
1. Exemplary	Extensive structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities. Administrators collaborate consistently with staff members to gather input.	✓
2. Operational	Numerous structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities.	
3. Emerging	Some structures exist for staff to engage in shared decision-making, problem-solving, or both.	
4. Not Evident	Few, if any, structures exist for staff to engage in shared decision-making or problem-solving.	

Effective Leadership Data

Leadership Standard 6 -Establishes and supports a data-driven school leadership team that is focused on student learning		
1. Exemplary	A highly effective, proactive, and data-driven school leadership team is focused on student learning. The leadership team addresses nearly all areas of student and staff learning and school leadership, including the development, implementation, and regular monitoring of the school improvement plan.	
2. Operational	A data-driven school leadership team is established with stakeholder representation (e.g., core and non-core teachers, certified support staff) and is focused on student learning. The school leadership team meets regularly and uses norms and protocols to work effectively and efficiently.	✓
3. Emerging	The school leadership team is established and has some stakeholder representation but is focused chiefly on school operations rather than student learning.	
4. Not Evident	A school leadership team does not exist or does not have adequate stakeholder representation.	

Effective Leadership Data

Leadership Standard 7 -Monitors and evaluates the performance of teachers and other staff using multiple data sources		
1. Exemplary	Monitoring the performance of teachers and other staff through observations, surveys, data, and documentation is consistent and comprehensive, resulting in highly accurate performance evaluations. A comprehensive system is in place to provide teachers and staff with ongoing, accurate, timely, detailed, descriptive feedback related to their performance. Administrators use the evaluation process to identify role models, teacher leaders, or both.	✓
2. Operational	Monitoring the performance of teachers and other staff regularly occurs using data or documentation, generally resulting in accurate performance evaluations. Teachers and staff receive accurate, timely, descriptive feedback related to their performance.	
3. Emerging	Monitoring the performance of teachers and other staff is inconsistent, incomplete, or lacks data or documentation, sometimes resulting in inaccurate performance evaluations. Teachers and staff receive some descriptive feedback related to their performance.	
4. Not Evident	Monitoring the performance of teachers and other staff rarely occurs or often results in inaccurate performance evaluations. Teachers and staff receive little or no descriptive feedback related to their performance.	

Leadership Standard 8 -Provides ongoing support to teachers and other staff		
1. Exemplary	A comprehensive support system that is timely and targeted to individual needs is provided to teachers and other staff.	✓
2. Operational	Most support provided to teachers and other staff is targeted to individual needs.	
3. Emerging	Some support provided to teachers and staff is targeted to individual needs.	
4. Not Evident	Support to teachers and staff does not exist or is not targeted to individual needs.	

Effective Leadership Data

Planning and Organization Standard 1 -Shares a common vision and mission that define the school culture and guide the continuous improvement process		
1. Exemplary	A common vision and mission have been collaboratively developed and communicated to nearly all stakeholders. The culture of the school has been deeply defined over time by the vision and mission, which are updated as needed. The daily work and practices of staff consistently demonstrate a sustained commitment to continuous improvement.	✓
2. Operational	A common vision and mission have been developed through a collaborative process and communicated to most stakeholders. The vision and mission define the culture of the school and guide the continuous improvement process.	
3. Emerging	A common vision and mission have been developed by some staff members but have not been effectively communicated so that they guide the continuous improvement process.	
4. Not Evident	A common vision and mission have not been developed or updated or have been developed by a few staff members.	

Planning and Organization Standard 2 -Uses a data-driven and consensus-oriented process to develop and implement a school improvement plan that is focused on student performance		
1. Exemplary	A school improvement plan has been developed using a data-driven and consensus-oriented process with input from nearly all stakeholders. The plan includes appropriate goals and strategies with a strong focus on increasing student performance. This process and plan consistently guide the work of the school staff.	✓
2. Operational	A school improvement plan has been developed using a data-driven and consensus-oriented process with input from most plan stakeholders. The plan includes appropriate goals and strategies with a focus on increasing student performance.	
3. Emerging	A school improvement plan has been developed with input from some stakeholders. The school improvement plan is based on incomplete data analysis with limited focus on student performance.	
4. Not Evident	An up-to-date, data-driven school improvement plan focused on student performance is not in place.	

Effective Leadership Data

Planning and Organization Standard 3 -Monitors implementation of the school improvement plan and makes adjustments as needed		
1. Exemplary	The goals and strategies of the school improvement plan are continually monitored by administrators, the school leadership team, and teacher leaders to evaluate the impact on student performance. Ongoing adjustments are made based on various performance, process, and perception data.	
2. Operational	he goals and strategies of the school improvement plan are regularly monitored by administrators and the school leadership team to evaluate the impact on student performance. Adjustments are made to the plan, as needed, based on the analysis of data.	✓
3. Emerging	The goals and strategies of the school improvement plan are occasionally monitored by administrators.	
4. Not Evident	The goals and strategies of the school improvement plan are rarely, if ever, monitored.	

Planning and Organization Standard 4 -Monitors the use of available resources to support continuous improvement		
1. Exemplary	The use of available resources (e.g., personnel, time, facilities, equipment, materials) to support continuous improvement is consistently monitored. School schedules and processes are designed to make effective use of personnel, time, materials, and equipment.	✓
2. Operational	The use of available resources (e.g., personnel, time, facilities, equipment, materials) to support continuous improvement is frequently monitored.	
3. Emerging	The use of available resources to support continuous improvement is inconsistently monitored.	
4. Not Evident	The use of available resources to support continuous improvement is rarely, if ever, monitored.	

Effective Leadership Data

Planning and Organization Standard 5 -Develops, communicates, and implements rules, policies, schedules, and procedures to maximize student learning and staff effectiveness		
1. Exemplary	Rules, policies, schedules, and procedures are developed with stakeholder input, effectively communicated, and consistently implemented throughout the school to maximize student learning and staff effectiveness. These rules, policies, schedules, and procedures are consistently reviewed and revised as needed.	✓
2. Operational	Rules, policies, schedules, and procedures are developed, communicated, and implemented throughout the school to maximize student learning and staff effectiveness. These rules, policies, schedules, and procedures are periodically reviewed and systematically revised as needed.	
3. Emerging	Rules, policies, schedules, and procedures are developed but are not effectively communicated or are implemented inconsistently across the school.	
4. Not Evident	Rules, policies, or procedures are not developed, are poorly communicated, or are ineffectively implemented. In some cases, rules, policies, schedules, or procedures are out of date or have become barriers to student learning or staff effectiveness.	

Effective Leadership Data

Planning and Organization Standard 6 -Uses protocols to maintain the school campus and equipment providing a safe, clean, and inviting learning environment		
1. Exemplary	Protocols (e.g., safety drills, tornado drills, inclement weather plans, current crisis plan, school-wide safety plan, maintenance protocols, facility-use protocols, functional custodial schedules) are used extensively to maintain the school campus and equipment providing a safe, clean, and inviting learning environment. A proactive maintenance process is in place, and repairs are completed in a satisfactory and timely manner, when needed.	✓
2. Operational	Protocols (e.g., safety drills, tornado drills, inclement weather plans, current crisis plan, school-wide safety plan, maintenance protocols, facility-use protocols, functional custodial schedules) are used to maintain the school campus and equipment providing a safe, clean, and inviting learning environment. The school and campus are clean, well-maintained, inviting, and safe.	
3. Emerging	Protocols are sometimes used to maintain the school campus and equipment. The school and campus are partially clean, maintained, and inviting, but some safety issues exist.	
4. Not Evident	Protocols do not exist or are rarely, if ever, used to maintain the school campus and equipment. The school and campus are not clean, maintained, or inviting, and safety issues exist.	

2. DATA COLLECTION ANALYSIS

2.3 Professional Capacity

Analyze the LEA's data (including sections 2.6 and 2.7) and answer the guiding questions to determine existing trends and patterns that support the identification of professional capacity needs. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS).

Professional Capacity Data

Leadership Standard 5 -Builds leadership capacity through shared decision-making and problem-solving		
1. Exemplary	Extensive structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities. Administrators collaborate consistently with staff members to gather input.	✓
2. Operational	Numerous structures exist for staff to engage in shared decision-making and problem-solving and to build their leadership capacities.	
3. Emerging	Some structures exist for staff to engage in shared decision-making, problem-solving, or both.	
4. Not Evident	Few, if any, structures exist for staff to engage in shared decision-making or problem-solving.	

Professional Learning Standard 1 -Aligns professional learning with needs identified through analysis of a variety of data		
1. Exemplary	Professional learning needs are identified and differentiated through a collaborative analysis process using a variety of data (e.g., student achievement data, examination of student work, process data, teacher and leader effectiveness data, action research data, perception data from students, staff, and families). Ongoing support is provided through differentiated professional learning.	
2. Operational	Professional learning needs are identified through a collaborative analysis process using a variety of data (e.g., student achievement data, examination of student work, process data, teacher and leader effectiveness data, action research data, perception data from students, staff, and families).	✓
3. Emerging	Professional learning needs are identified using limited sources of data.	
4. Not Evident	Professional learning needs are identified using little or no data.	

Professional Capacity Data

Professional Learning Standard 2 -Establishes a culture of collaboration among administrators and staff to enhance individual and collective performance		
1. Exemplary	Administrators and staff, as a foundational practice, consistently collaborate to support leadership and personal accountability and to enhance individual and collective performance (e.g., construct knowledge, acquire skills, refine practice, provide feedback). Teachers conduct action research and assume ownership of professional learning processes.	
2. Operational	Administrators and staff routinely collaborate to improve individual and collective performance (e.g., construct knowledge, acquire skills, refine practice, provide feedback).	✓
3. Emerging	Administrators and staff sometimes collaborate to improve individual and collective performance.	
4. Not Evident	Administrators and staff rarely collaborate to improve individual and collective performance.	

Professional Learning Standard 3 -Defines expectations for implementing professional learning		
1. Exemplary	Administrators, teacher leaders, or both consistently define expectations for the implementation of professional learning, including details regarding the stages of implementation and how monitoring will occur as implementation progresses.	✓
2. Operational	Administrators, teacher leaders, or both regularly define expectations for the implementation of professional learning.	
3. Emerging	Administrators, teacher leaders, or both occasionally define expectations for the implementation of professional learning.	
4. Not Evident	Administrators, teacher leaders, or both rarely, if ever, define expectations for the implementation of professional learning.	

Professional Capacity Data

Professional Learning Standard 4 -Uses multiple professional learning designs to support the various learning needs of the staff		
1. Exemplary	Staff members actively participate in job-embedded professional learning that engages collaborative teams in a variety of appropriate learning designs (e.g., collaborative lesson study, analysis of student work, problem solving sessions, curriculum development, coursework, action research, classroom observations, online networks). Professional learning includes extensive follow-up with descriptive feedback and coaching.	
2. Operational	Staff members actively participate in professional learning, most of which is job-embedded, which includes multiple designs (e.g., collaborative lesson study, analysis of student work, problem-solving sessions, curriculum development, coursework, action research, classroom observations, online networks) to support their various learning needs. Professional learning includes follow-up with feedback and coaching.	✓
3. Emerging	Some staff members are engaged in professional learning that makes use of more than one learning design to address their identified needs.	
4. Not Evident	Staff members receive single, stand-alone professional learning events that are informational and mostly large-group presentation designs.	

Professional Learning Standard 5 -Allocates resources and establishes systems to support and sustain effective professional learning		
1. Exemplary	Extensive resources (e.g., substitute teachers, materials, handouts, tools, stipends, facilitators, technology) and systems (e.g., conducive schedules, adequate collaborative time, model classrooms) are allocated to support and sustain effective professional learning. Opportunities to practice skills, receive follow-up, feedback, and coaching are provided to support the effectiveness of professional learning.	✓
2. Operational	Adequate resources (e.g., substitute teachers, materials, handouts, tools, stipends, facilitators, technology) and systems (e.g., conducive schedules, adequate collaborative time, model classrooms) are in place to support and sustain professional learning.	
3. Emerging	Some resources and systems are allocated to support and sustain professional learning.	
4. Not Evident	Few, if any, resources and systems are provided to support and sustain professional learning.	

Professional Capacity Data

Professional Learning Standard 6 -Monitors and evaluates the impact of professional learning on staff practices and student learning		
1. Exemplary	Monitoring and evaluating the impact of professional learning on staff practices and increases in student learning occurs extensively. Evaluation results are used to identify and implement processes to extend student learning.	
2. Operational	Monitoring and evaluating the impact of professional learning on staff practices and student learning occurs routinely.	✓
3. Emerging	Monitoring and evaluating the impact of professional learning on staff practices occurs sporadically.	
4. Not Evident	Monitoring and evaluating the impact of professional learning on staff practices occurs rarely, if ever.	

2. DATA COLLECTION ANALYSIS

2.4 Family and Community Engagement

Analyze the LEA's data (including sections 2.6 and 2.7) and answer the guiding questions to determine existing trends and patterns that support the identification of needs related to family and community engagement. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS).

Family and Community Engagement Data

Family and Community Engagement Standard 1 -Creates an environment that welcomes, encourages, and connects family and community members to the school		
1. Exemplary	The school has a well-established, inviting learning environment that welcomes, encourages, and connects family and community members to the school. Numerous opportunities are given to family members to become actively engaged in school-related events and improvement efforts as participants, event managers, and workers.	✓
2. Operational	The school has created an environment that welcomes, encourages, and connects family and community members to the school.	
3. Emerging	The school has made some progress toward creating an environment that welcomes, encourages, and connects family and community members to the school.	
4. Not Evident	The school has not created an environment that welcomes, encourages, or connects family and community members to the school.	

Family and Community Engagement Standard 2 -Establishes structures that promote clear and open communication between the school and stakeholders		
1. Exemplary	Extensive structures that promote clear and open communication between the school and stakeholders have been effectively established and implemented. Structures are continuously monitored for reliable and interactive communication.	✓
2. Operational	Most structures that promote clear and open communication between the school and stakeholders have been effectively established and implemented.	
3. Emerging	Some structures that promote clear and open communication between the school and stakeholders exist.	
4. Not Evident	Few, if any, structures that promote clear and open communication between the school and stakeholders exist.	

Family and Community Engagement Data

Family and Community Engagement Standard 3 -Establishes relationships and decision-making processes that build capacity for family and community engagement in the success of students		
1. Exemplary	A wide variety of relationships and collaborative decision-making processes (e.g., business partnerships, school councils, parent or family organizations, academic and extra-curricular booster clubs, civic organizations, tutoring services, post-secondary partnerships) are pervasive in promoting student success and well being. Expectations for family and community engagement are embedded in the culture and result in stakeholders being actively involved in decision-making.	✓
2. Operational	Numerous relationships and decision-making processes (e.g., business partnerships, school councils, parent or family organizations, academic and extra-curricular booster clubs, civic organizations, tutoring services) effectively build capacity for family and community engagement in the success of students.	
3. Emerging	Limited relationships and decision-making processes have been initiated by the school to build capacity for family and community engagement.	
4. Not Evident	Relationships and decision-making processes for families and the community are non-existent, or those that do exist contribute minimally to student success.	

Family and Community Engagement Data

Family and Community Engagement Standard 4 -Communicates academic expectations and current student achievement status to families		
1. Exemplary	The school staff provides families with ongoing, detailed academic expectations and/or graduation status (e.g., four-year graduation plans, syllabi, academic advisement protocols). Extensive communication related to the current achievement level of individual students is provided (e.g., progress reports, student-led parent conferences, report cards, reading level reports, state test reports, school-based assessment reports, online reporting system).	✓
2. Operational	The school staff communicates academic expectations and/or graduation status (e.g., four-year graduation plans, syllabi, academic advisement protocols) throughout the year. Regular communication related to the current achievement level of individual students is provided (e.g., progress reports, parent conferences, report cards, reading level reports, state test reports, school-based assessment reports, online reporting system).	
3. Emerging	The school staff communicates some academic expectations at the start of the year. Some communication related to the current achievement level of individual students is provided.	
4. Not Evident	The school staff does little to inform families of academic expectations. Little, if any, communication related to the current achievement level of individual students is provided.	

Family and Community Engagement Standard 5 -Develops the capacity of families to use support strategies at home that will enhance academic achievement		
1. Exemplary	The school continually develops the capacity (e.g., parent training, lunch and learn, make-it and take-it) of families to use support strategies at home that will enhance academic achievement.	
2. Operational	The school frequently develops the capacity (e.g., parent training, lunch and learn, make-it and take-it) of families to use support strategies at home that will enhance academic achievement.	✓
3. Emerging	The school occasionally develops the capacity of families to use support strategies at home that will enhance academic achievement.	
4. Not Evident	The school seldom, if ever, develops the capacity of families to use support strategies at home that will enhance academic achievement.	

Family and Community Engagement Data

Family and Community Engagement Standard 6 -Connects families with agencies and resources in the community to meet the needs of students		
1. Exemplary	The school has a systematic process in place to connect families with an array of agencies and resources (e.g., Y-Clubs, after-school programs, health and counseling services, community service agencies, civic organizations, tutoring services) to meet the needs of students.	✓
2. Operational	The school regularly connects families to agencies and resources in the community (e.g., Y-Clubs, after-school programs, health and counseling services, community service agencies, civic organizations, tutoring services) to meet the needs of students.	
3. Emerging	The school sometimes connects families to agencies and resources in the community to meet the needs of students.	
4. Not Evident	The school does little to connect families with agencies and resources in the community to meet the needs of students.	

2. DATA COLLECTION ANALYSIS

2.5 Supportive Learning Environment

Analyze the LEA's data (including sections 2.6 and 2.7) and answer the guiding questions to determine existing trends and patterns that support the identification of needs related to a supportive learning environment. Complete a data-informed self-rating for each Georgia School Performance Standard (GSPS). Student subgroups with a count of less than 15 are denoted by "TFS" (too few students).

Supportive Learning Environment Data

Instruction Standard 1 -Provides a supportive and well-managed environment conducive to learning		
1. Exemplary	A supportive and well-managed environment conducive to learning is evident throughout the school. Students consistently stay on-task and take responsibility for their own actions.	✓
2. Operational	A supportive and well-managed environment conducive to learning is evident in most classrooms.	
3. Emerging	A supportive and well-managed environment conducive to learning is evident in some classrooms.	
4. Not Evident	A supportive and well-managed environment conducive to learning is evident in few, if any, classrooms.	

Instruction Standard 2 -Creates an academically challenging learning environment		
1. Exemplary	Nearly all teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration). Students consistently work independently and in teams to solve real-world problems that require advanced effort, decision-making, and critical and creative thinking.	✓
2. Operational	Most teachers create an academically challenging, learning environment (e.g., higher-order thinking skills and processes, active student engagement, relevance, collaboration).	
3. Emerging	Some teachers create an academically challenging learning environment.	
4. Not Evident	Few, if any, teachers create an academically challenging learning environment.	

Supportive Learning Environment Data

Instruction Standard 8 -Establishes a learning environment that empowers students to actively monitor their own progress		
1. Exemplary	Nearly all students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress. Nearly all students develop a sense of personal responsibility and accountability by engaging in record keeping, self-monitoring, sharing, exhibiting, and self-reflection.	
2. Operational	Most students use tools (e.g., rubrics, checklists, exemplars) to actively monitor their own progress.	✓
3. Emerging	Some students use tools to actively monitor their own progress.	
4. Not Evident	Few, if any, students use tools to actively monitor their own progress.	

School Culture Standard 1 -Develops, communicates, and implements rules, practices, and procedures to maintain a safe, orderly learning environment		
1. Exemplary	Rules, practices, and procedures that maintain a safe, orderly learning environment are proactively developed, communicated, and consistently implemented across the school. These rules, practices, and procedures are continually monitored and revised as needed.	✓
2. Operational	Rules, practices, and procedures that maintain a safe, orderly learning environment are developed, communicated, and implemented.	
3. Emerging	Rules, practices, and procedures are developed and communicated but are ineffective or inconsistently implemented across the school.	
4. Not Evident	Rules, practices, and procedures that maintain a safe, orderly, learning environment are not developed nor updated or are poorly communicated.	

Supportive Learning Environment Data

School Culture Standard 2 -Establishes a culture of trust and respect that promotes positive interactions and a sense of community		
1. Exemplary	Extensive evidence (e.g., positive and respectful interactions, appreciation of diversity, tolerance, understanding) exists that a culture of trust and respect has been established. A pervasive commitment to promoting positive interactions and a sense of community is evident.	✓
2. Operational	Evidence (e.g., positive and respectful interactions, appreciation of diversity, tolerance, understanding) exists that a culture of trust and respect has been established. A sustained commitment to promoting positive interactions and a sense of community is evident.	
3. Emerging	Some evidence exists that a culture of trust and respect has been established. A limited commitment to promoting positive interactions and a sense of community is evident.	
4. Not Evident	Little or no evidence exists that a culture of trust and respect has been established. Unresolved conflicts interfere with a sense of community.	

School Culture Standard 3 -Establishes a culture that supports the college and career readiness of students		
1. Exemplary	Extensive evidence (e.g., advisement, career counseling, transition coaching, high expectations) exists that the beliefs and practices of the school support the college and career readiness of students. The school culture supports addressing individual achievement needs and strengths to prepare students for success.	✓
2. Operational	Evidence (e.g., advisement, career counseling, transition coaching, high expectations) exists that the beliefs and practices of the school support the college and career readiness of students.	
3. Emerging	Some evidence exists that the school supports the college and career readiness of students.	
4. Not Evident	Little or no evidence exists that the school supports the college and career readiness of students.	

Supportive Learning Environment Data

School Culture Standard 4 -Supports the personal growth and development of students		
1. Exemplary	The school staff consistently provides a comprehensive system of support (e.g., counseling, mentoring, advisement, coaching, goal setting, time management, problem solving) to maximize the personal growth and development of nearly all students.	✓
2. Operational	The school staff regularly provides support (e.g., counseling, mentoring, advisement, coaching, goal setting, time management, problem solving) to enhance the personal growth and development of students.	
3. Emerging	The school staff sporadically supports the personal growth and development of students.	
4. Not Evident	The school staff does little to support the personal growth and development of students.	

School Culture Standard 5 -Recognizes and celebrates achievements and accomplishments of students and staff		
1. Exemplary	The school community consistently recognizes and celebrates the achievements and accomplishments of students and staff. The celebrations are publicized within the school and to the community and support the culture of the school.	✓
2. Operational	The school community regularly recognizes and celebrates the achievements and accomplishments of students and staff.	
3. Emerging	The school community periodically recognizes or celebrates the achievements or accomplishments of students and/or staff.	
4. Not Evident	The school community rarely, if ever, recognizes or celebrates the achievements or accomplishments of students or staff.	

Supportive Learning Environment Data

Planning and Organization Standard 1 -Shares a common vision and mission that define the school culture and guide the continuous improvement process		
1. Exemplary	A common vision and mission have been collaboratively developed and communicated to nearly all stakeholders. The culture of the school has been deeply defined over time by the vision and mission, which are updated as needed. The daily work and practices of staff consistently demonstrate a sustained commitment to continuous improvement.	✓
2. Operational	A common vision and mission have been developed through a collaborative process and communicated to most stakeholders. The vision and mission define the culture of the school and guide the continuous improvement process.	
3. Emerging	A common vision and mission have been developed by some staff members but have not been effectively communicated so that they guide the continuous improvement process.	
4. Not Evident	A common vision and mission have not been developed or updated or have been developed by a few staff members.	

2. DATA COLLECTION ANALYSIS

2.6 Data Analysis Questions

Analyze the LEA's data and answer the guiding questions to determine existing trends and patterns that support the identification of demographic and financial needs. Student subgroups with a count of less than 15 are denoted by "TFS" (too few students).

What perception data did you use? [examples: student perceptions about school climate issues (health survey, violence, prejudice, bullying, etc.); student/parent perceptions about the effectiveness of programs or interventions; student understanding of relationship of school to career or has an academic plan]	Various stakeholders reviewed multiple data sources to identify needs in the whole school program in May and June 2026. MAP data, PBIS data, WCSD Comprehensive Needs Assessment for Teachers Classified Staff, and Parents, Attendance Data, Demographic Data, MAP data, and 25-26 Georgia Milestones data was reviewed to determine possible areas in need of improvement. AMIRA data was reviewed. The data reviewed included an analysis of strengths and weaknesses represented across available data sources.
What does the perception data tell you? (perception data can describe people's knowledge, attitudes, beliefs, perceptions, competencies; perception data can also answer the question "What do people think they know, believe, or can do?")	Parents were surveyed at Youth Elementary on the School Climate Survey Family Response Report for 25-26. When asked about how they feel about Youth Elementary School, parents report that they feel the school is welcoming (100%) and safe (100%). Parents were also asked how responsive Youth Elementary School staff was at responding to their concerns. Parents indicated that the response to calls and emails on the same day or 1 day (96%). An opportunity for growth in our parental relationships was found in the parent response survey as well. Parents reported that they would like to see more communication on how to help their child at home. YES will continue to work to improve communication with parents and provide opportunities and information to assist in their student's education. CNA results indicate that teachers feel confident managing student discipline and engaging with families in meaningful communication. Additionally, staff report that services provided by support teachers have had a positive impact on student growth and academic progress.
What process data did you use? (examples: student participation in school activities, sports, clubs, arts; student participation in special programs such as peer mediation, counseling, skills conferences; parent/student participation in events such as college information meetings and parent workshops)	PBIS Process - Spotlight data There is a vast amount of options for extracurricular and club options with good student turnout. Community social events organized by the school and PTO had good community turnout with positive feedback. An academic night focusing on math also received family participation across grades kindergarten through fifth grade. Ove the past year we also worked on spreading a positive message through social media to highlight YES activities and create a climate of support throughout the community.

What does the process data tell you? (process data describes the way programs are conducted; provides evidence of participant involvement in programs; answers the question "What did you do for whom?")	The Spotlight data shows an increase in the total of major referrals 2024-25 school year (73) to the 2025-2026 school year (85). Most major and minor incidents occurred in the classroom and were coded as classroom disruptions. In addition the data showed a decrease in the number of OSS days from 2024-25 school year (30) to the 2025-2026 (14) school year. Data of over 2.5 million views on one of our videos regarding pre-k registration indicates that we have a positive presence on social media. Our Early Birds Club for 5th graders has a student participation rate of approximately 90%.
---	---

What achievement data did you use?	CCRPI Data, Georgia Milestones Data, MAP, AMIRA
------------------------------------	---

What does your achievement data tell you?	The most recent CCRPI data is as follows:				
	3rd Grade Percentage Proficient & Distinguished	YES	System	RESA	State
	ELA	pending/center	pending	pending	pending
	Math	74%	50%	49%	44%
	3rd Grade Lexile Distribution	YES	System	RESA	State
	Met Literacy Cut	pending	pending	pending	pending
	4th Grade Percentage Proficient & Distinguished	YES	System	RESA	State
	ELA	pending/center	pending	pending	pending
	Math	71%	57%	54%	50%
	4th Grade Lexile Distribution	YES	System	RESA	State
	Met Literacy Cut	pending	pending	pending	pending
	5th Grade Percentage Proficient & Distinguished	YES	System	RESA	State
	ELA	pending	pending	pending	pending
	Math	69%	50%	49%	44%
	5th Grade Lexile Distribution	YES	System	RESA	State
	Met Literacy Cut	pending	pending	pending	pending

What demographic data did you use?	Enrollment Data, GOSA
------------------------------------	-----------------------

What does the demographic data tell you?	Youth Elementary School ended the school year with 770 students in Kindergarten - Fifth Grades and 40 students in Pre-K. Summary of enrollment in Kindergarten through 5th grades: ● 43.1% Economically Disadvantaged ● 7.5% English Learners ● 16.6% Students with Disability ● 270 students were absent more than 10 days Summary of school demographic data: ● 0.3 % American Indian / Alaskan Native ● 1.3% Asian / Pacific Islander ● 8.1% Black ● 14% Hispanic ● 5.7% Multi-Racial ● 70.5% White Summary of YES Staff demographic data: ● 89 Staff Members ● 4% Black ● 1% Native American ● 95.5% White Class Size: ● Pre-K - 20 K -19 1st -19 2nd -19 3rd - 23 4th - 27 5th - 23
--	---

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.1 Strengths and Challenges Based on Trends and Patterns

Read the trends and patterns summaries from each section of the data analysis process. Use the information in these summaries to complete 3.2 and 3.3. Using the summaries in 3.1 and other local data, describe the strengths and challenges or answer the guiding questions for each program. Include strengths and challenges related to: a) general program implementation, and b) students and adults involved in or affected by the program. Focus on strengths and challenges that will assist in the identification of needs during 3.3.

Strengths and Challenges Based on Trends and Patterns

Coherent Instructional: Summarize the coherent instructional system trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Strength: The majority of standards related to rigor, well managed learning environment, and evident learning targets were rated exemplary. Challenges: Designs curriculum documents and aligns resources with the intended rigor of the required standards were rated operational.
Effective Leadership: Summarize the effective leadership trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Strength: The school has a well-developed leadership team that meets regularly to make consensus/data driven decisions. Structures exist for staff to problem solve and share in decision making to build leadership capacity. Challenges: Standards relating to assessment and the analysis of data are rated as operational and are not seen as exemplary.
Professional Capacity: Summarize the professional capacity trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Strength: Professional capacity standards are rated either exemplary or operational with the exception of Standard 4. Extensive resources and opportunities are provided to support and sustain effective professional learning. Challenge: There are limited opportunities to monitor and evaluate the impact of professional learning on staff practice and student learning.
Family and Community Engagement: Summarize the family and community engagement trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Strength: Family and Community Engagement are pervasive at Youth Elementary through a variety of programs and opportunities. Challenge: The standard that has shown room for growth is Standard 5: Develops the capacity of families to use support strategies at home that will enhance academic achievement. We have made progress on this standard by hosting Family Math Night during the 25-26 school year and sending an administration newsletter monthly.

Strengths and Challenges Based on Trends and Patterns

Supportive Learning Environment: Summarize the supportive learning environment trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	A common mission and vision have been collaboratively developed, shared at the School Council meeting and posted on social media for all stakeholders. Strength: The percentage of students labeled as proficient or distinguished on the EOG at Youth Elementary are surpassing State-wide percentages. Survey results from students, teachers and parents indicated a climate of trust and respect at YES. The Georgia Student Health survey indicated that the majority of students feel that YES has a supportive school environment. Challenge: Rules and policies regarding the maintenance of an orderly learning environment are continually monitored and revised as needed. This is an area that we will continue to monitor and revise to show a decrease in students with major discipline incidents by building capacity among teachers as it relates to student behaviors. In the 25-26 school year, overall referrals slightly increased, but OSS days were drastically reduced.
---	---

Demographic and Financial: Summarize the demographic and financial trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Students in kindergarten through 5th grade have one-to-one Chromebook access. Teachers attend technology training each month.		
	Summary of enrollment in Kindergarten through 5th grades:		
	● 43.1% Economically Disadvantaged ● 7.5% English Learners ● 16.7% Students with Disability		
	Demographics	YES Student	YES Staff
	American Indian	0.3%	1%
	Asian	1.3%	0%
	Black	8.1%	4%
	Hispanic	14%	0%
	Multi-Racial	5.7%	0%
White	70.5%	95%	

Strengths and Challenges Based on Trends and Patterns

Student Achievement: Summarize the student achievement trends and patterns observed by the team while completing this section of the report. What are the important trends and patterns that will support the identification of student, teacher, and leader needs?	Achievement data in reading is an indicator of high expectations in the classroom. 82.82% of third through fifth grade students were reading at grade level or above in 2024. The 2025-2026 data is still pending. Since 2024-2025, Youth Elementary School has shown a decrease in the weighted proficiency level in the content mastery achievement score in ELA by -5.64. The greatest gain in 2024-2025 was achieved in 5th Grade Reading Status with a 2.9% increase. In addition, according to the Georgia Milestones Assessment, 82.95% of students in grades 3-5 at Youth Elementary are demonstrating reading comprehension at or above the midpoint of the Lexile Band for each grade level. The 2025-2026 data is still pending. The 2024-2025 weighted percentile rate for ELA students in grades 3 – 5 was 88.98% and is now 84.23%. The 2025-2026 data is still pending.
--	--

IDEA – Special Education, Economically Disadvantaged Children, and English Learners.

Using the summaries in 3.1 and other local data, describe the strengths and challenges or answer the guiding questions for each program. Include strengths and challenges related to: a) general program implementation, and b) students and adults involved in or affected by the program. Focus on strengths and challenges that will assist in the identification of needs during 3.3.

Strengths	Academic Data (2024): - Economically Disadvantaged Students and Hispanic subgroups, exceeded expectations and met the 6% improvement target in Math. Special Education met the target in ELA. Economically Disadvantaged met the target in Science. - English Learners in 3rd - 5th grades to analyze improvement target data for this group. Discipline Data: From 2024-2025 to 2025-2026, we saw a slight increase in major discipline referrals from 73 to 85. We saw a decrease in OSS days from 30 to 14. Data Identified is below: 9 out of 49 (18%) students receiving an office discipline referral were Special Education Students, this is a decrease in student numbers and proportionate to our student population 0% of English Learners received a discipline referral
-----------	--

IDEA – Special Education, Economically Disadvantaged Children, and English Learners.

Using the summaries in 3.1 and other local data, describe the strengths and challenges or answer the guiding questions for each program. Include strengths and challenges related to: a) general program implementation, and b) students and adults involved in or affected by the program. Focus on strengths and challenges that will assist in the identification of needs during 3.3.

Challenges	Academic Data: ● On the 2025 EOG, 25% of the students with special needs in 3rd - 5th grades scored either proficient or distinguished in math. ● Reading data is unavailable at this time. Discipline Data: From 2024-2025 to 2025-2026, we saw a slight increase in major discipline referrals from 73 to 85. We saw a decrease in OSS days from 30 to 14. Data Identified is below: ● 9 out of 49 (18%) students receiving an office discipline referral were Special Education Students, this is a decrease in student numbers and proportionate to our student population ● 0% of English Learners received a discipline referral
------------	--

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.2 Identification and Prioritization of Overarching Needs

Use the results of 3.1 and 3.2 to identify the overarching needs of the LEA. Determine the priority order of the identified needs based on data, team member and stakeholder knowledge, and answers to questions in the table below. Be sure to address the major program challenges identified in 3.2.

Overarching Need # 1

Overarching Need	Provide data-driven small group reading instruction to target specific skill gaps and accelerate student growth.
How severe is the need?	High
Is the need trending better or worse over time?	No Change
Can Root Causes be Identified?	Yes
Priority Order	1

Additional Considerations	N/A
---------------------------	-----

Overarching Need # 2

Overarching Need	Grade levels K-5 need a school-wide writing framework that builds student independence through structured planning, prompt analysis, and self-revision.
How severe is the need?	High
Is the need trending better or worse over time?	No Change
Can Root Causes be Identified?	Yes
Priority Order	2

Additional Considerations	N/A
---------------------------	-----

Overarching Need # 3

Overarching Need	Students need to be able to have the stamina for sustained reading and writing to increase focus, independence, and performance on extended tasks.
How severe is the need?	High
Is the need trending better or worse over time?	Worse
Can Root Causes be Identified?	Yes
Priority Order	3

Additional Considerations	N/A
---------------------------	-----

3. NEEDS IDENTIFICATION AND ROOT CAUSE ANALYSIS

3.3 Root Cause Analysis

Select the top 2-4 overarching needs from 3.3. Conduct a separate root cause analysis (RCA) for each need. Any RCA tools and resources can be used, but suggestions are available as part of the Identifying Need webinar. After describing the RCA process, complete a table for each selected overarching need. Use the letter codes below to identify which programs relate to each root cause (ex: "ABCF").;A. IDEA - Special Education;B. School and District Effectiveness;C. Title I, Part A - Improving the Academic Achievement of the Disadvantaged;D. Title I, Part A - Foster Care Program;E. Title I, Part A - Parent Engagement Program;F. Title I, Part C - Education of Migratory Children;G. Title I, Part D - Programs for Neglected or Delinquent Children;H. Title II, Part A - Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other;I. School Leaders;J. Title III - Language Instruction for English Learners and Immigrant Students;K. Title IX, Part A - McKinney-Vento Education for Homeless Children and Youth Program

Overarching Need - Provide data-driven small group reading instruction to target specific skill gaps and accelerate student growth.

Root Cause # 1

Root Causes to be Addressed	Teachers need effective measures and professional learning to use data, inform skill group instruction, and monitor progress towards improvement.
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes
Impacted Programs	IDEA - Special Education School and District Effectiveness Title I - Part A - Improving Academic Achievement of Disadvantaged Title II, Part A, Preparing, Training and Recruiting High-Quality Teachers, Principals and other School Leaders Title III - Language Instruction for English Learners and Immigrant Students

Additional Responses	
----------------------	--

Root Cause # 2

Root Causes to be Addressed	Teachers need additional support and professional learning with effective Tier 2 instruction to address gaps in Tier 1 curriculum (data-driven).
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes

Root Cause # 2

Impacted Programs	IDEA - Special Education School and District Effectiveness Title I - Part A - Improving Academic Achievement of Disadvantaged Title II, Part A, Preparing, Training and Recruiting High-Quality Teachers, Principals and other School Leaders
-------------------	--

Additional Responses	Effective targeted instruction can double a student's reading growth compared to whole group alone Research shows it has an average effect size of 0.46, up to 0.65 when specific skills are targeted (over a year of growth for one year of learning)
----------------------	--

Overarching Need - Grade levels K-5 need a school-wide writing framework that builds student independence through structured planning, prompt analysis, and self-revision.

Root Cause # 1

Root Causes to be Addressed	Inconsistent writing practices are being implemented across grade levels.
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes
Impacted Programs	IDEA - Special Education School and District Effectiveness Title II, Part A, Preparing, Training and Recruiting High-Quality Teachers, Principals and other School Leaders Title III - Language Instruction for English Learners and Immigrant Students Title IV, Part A - Student Support and Academic Enrichment

Additional Responses	YES writing vertical alignment has revealed inconsistent trends and patterns across grade levels.
----------------------	---

Root Cause # 2

Root Cause # 2

Root Causes to be Addressed	Students spend less time writing due to time constraints from other subjects and a lack of teacher confidence in teaching writing.
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes
Impacted Programs	IDEA - Special Education School and District Effectiveness Title II, Part A, Preparing, Training and Recruiting High-Quality Teachers, Principals and other School Leaders Title III - Language Instruction for English Learners and Immigrant Students Title IV, Part A - Student Support and Academic Enrichment

Additional Responses	Explicit and systematic writing instruction has an effect size of 0.74 (high impact). The discrepancy between CCRPI/ GMA data and MAP could be attributed to the added writing component on the GMA.
----------------------	--

Overarching Need - Students need to be able to have the stamina for sustained reading and writing to increase focus, independence, and performance on extended tasks.

Root Cause # 1

Root Causes to be Addressed	Students lack the skills to persevere when assignments seem hard or lengthy.
This is a root cause and not a contributing cause or symptom	Yes
This is something we can affect	Yes
Impacted Programs	IDEA - Special Education School and District Effectiveness Title I - Part A - Improving Academic Achievement of Disadvantaged Title III - Language Instruction for English Learners and Immigrant Students Title IX, Part A - McKinney-Vento Education for Homeless Children and Youth Program

Additional Responses	Children who have over two hours of daily screen time: - Are 5.9 times more at risk for inattention and lower cognitive functioning - Are linked to a 51% higher risk of ADHD symptoms. Attention is not a "fixed" skill- it's trainable. Sustained practice builds attention control and self-regulation.
----------------------	--

School Improvement Plan 2026 - 2027

Walton County
Youth Elementary School

SCHOOL IMPROVEMENT PLAN

1 General Improvement Plan Information

General Improvement Plan Information

District	Walton County
School Name	Youth Elementary School
Team Lead	Jennifer Squires
Federal Funding Options to Be Employed (SWP Schools) in this Plan (Select all that apply)	Traditional funding (Federal funds budgeted separately)

Factors(s) Used by District to Identify Students in Poverty (Select all that apply)	
☒	Free/Reduced meal application
☐	Community Eligibility Program (CEP) - Direct Certification ONLY
☐	Other (if selected, please describe below)

2. SCHOOL IMPROVEMENT GOALS

2.1 Overarching Need # 1

Overarching Need

Overarching Need as identified in CNA Section 3.2	Provide data-driven small group reading instruction to target specific skill gaps and accelerate student growth.
Root Cause # 1	Teachers need effective measures and professional learning to use data, inform skill group instruction, and monitor progress towards improvement.
Root Cause # 2	Teachers need additional support and professional learning with effective Tier 2 instruction to address gaps in Tier 1 curriculum (data-driven).
Goal	Implement daily, data-driven small group reading instruction to target specific skill gaps and accelerate student growth.

Action Step # 1

Action Step	Set aside specific time during grade level PLC (Professional Learning Community) meetings specifically for teachers to look at their data or progress monitoring scores and move student names into new groups. Normalize a culture where students move in and out of small groups frequently.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Admin or PLL attendance at grade level PLCs. Informal and formal walkthroughs.
Method for Monitoring Effectiveness	Reading inventories reflecting progression of skills for each student, diagnostic assessments, formative assessments, benchmark assessments.
Position/Role Responsible	Administration, PLL, homeroom teachers
Timeline for Implementation	Monthly

Action Step # 1

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	N/A
--	-----

Action Step # 2

Action Step	Use diagnostic data to identify and target specific student needs to effectively form small groups.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Student assessments including growth/ achievement/ diagnostic data
Method for Monitoring Effectiveness	Evidence of student growth
Position/Role Responsible	Administration, PLL, Classroom Teachers
Timeline for Implementation	Monthly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 3

Action Step	Establish structured small group routines and provide highly engaging, high-priority independent tasks, extension activities, or curated reading lists to ensure uninterrupted, targeted small group instruction.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Family and Community Engagement Supportive Learning Environment
Method for Monitoring Implementation	Admin and PLL walkthroughs and observations
Method for Monitoring Effectiveness	Analyzing student work samples, formal/ informal assessments
Position/Role Responsible	Admin, PLL, Classroom Teachers
Timeline for Implementation	Weekly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 4

Action Step	Provide professional learning for paraprofessionals in general curriculum classrooms to strengthen instructional practices that support student achievement in small group reading.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster

Action Step # 4

Subgroups	Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	PL sign in sheet, observations, formal and informal walkthroughs, self-assessment data
Method for Monitoring Effectiveness	Qualitative self-assessment data results, Student growth and achievement
Position/Role Responsible	Admin, PLL, Paraprofessionals, Classroom teachers
Timeline for Implementation	Yearly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

2. SCHOOL IMPROVEMENT GOALS

2.2 Overarching Need # 2

Overarching Need

Overarching Need as identified in CNA Section 3.2	Grade levels K-5 need a school-wide writing framework that builds student independence through structured planning, prompt analysis, and self-revision.
Root Cause # 1	Inconsistent writing practices are being implemented across grade levels.
Root Cause # 2	Students spend less time writing due to time constraints from other subjects and a lack of teacher confidence in teaching writing.
Goal	Implement a consistent writing framework that builds student independence through structured planning, prompt analysis, and self-revision.

Action Step # 1

Action Step	Implement a yearlong, scaffolded writing progression that builds student independence each quarter, from teacher-modeled planning and analysis, to guided/collaborative planning with peer partners, to independent planning with teacher support, and ultimately to fully independent writing execution by the end of the year, with clear expectations and success criteria at each stage.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	PLC meetings, formal and informal walkthroughs, review of writing plans
Method for Monitoring Effectiveness	Writing samples, student writing checklists, writing rubrics
Position/Role Responsible	Admin, PLL, classroom teachers
Timeline for Implementation	Quarterly

Action Step # 1

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 2

Action Step	Use a Common Language: Ensure the whole building uses the same terminology, and uses consistent frameworks and student writing/ grammar checklists.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities N/A Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Formal and informal walkthroughs
Method for Monitoring Effectiveness	Writing sample analysis
Position/Role Responsible	Admin, PLL, classroom teachers
Timeline for Implementation	Yearly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 2

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 3

Action Step	Provide high-quality writing opportunities for students every day.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities N/A Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Formal and informal walkthroughs, scheduled writing block
Method for Monitoring Effectiveness	Writing sample analysis
Position/Role Responsible	Admin, PLL, classroom teachers
Timeline for Implementation	Yearly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

2. SCHOOL IMPROVEMENT GOALS

2.3 Overarching Need # 3

Overarching Need

Overarching Need as identified in CNA Section 3.2	Students need to be able to have the stamina for sustained reading and writing to increase focus, independence, and performance on extended tasks.
Root Cause # 1	Students lack the skills to persevere when assignments seem hard or lengthy.
Goal	Build student stamina for sustained reading and writing to increase focus, independence, and performance on extended tasks.

Action Step # 1

Action Step	Baseline & Charting: Have classrooms start where the students currently are, then use a visual chart in the room so students can watch their "Stamina Graph" grow over time.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Timed classroom baseline and improvement data
Method for Monitoring Effectiveness	Classroom Checklists, data check-ins, student self-monitoring
Position/Role Responsible	Classroom teachers
Timeline for Implementation	Monthly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	N/A
--	-----

Action Step # 1

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	N/A
--	-----

Action Step # 2

Action Step	Protect uninterrupted work time by teaching students what to do when stuck and how to refocus without teacher help.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Classroom walk throughs, grade level meetings
Method for Monitoring Effectiveness	Stamina logs, classroom checklists
Position/Role Responsible	Admin, PLL, and classroom teachers
Timeline for Implementation	Quarterly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

Action Step # 3

Action Step	Provide professional learning to staff on the negative impact of excessive technology use for student cognition, behavior, and stamina to reduce technology use in the classroom.
Funding Sources	N/A
Subgroups	Economically Disadvantaged Foster Homeless English Learners Migrant Race / Ethnicity / Minority Student with Disabilities N/A Immigrant
Systems	Coherent Instruction Effective Leadership Professional Capacity Supportive Learning Environment
Method for Monitoring Implementation	Monitoring student computer use
Method for Monitoring Effectiveness	Stamina logs, classroom checklists
Position/Role Responsible	Admin, PLL, media specialist, and classroom teachers
Timeline for Implementation	Yearly

What partnerships, if any, with IHEs, business, Non-Profits, Community based organizations, or any private entity with a demonstrated record of success is the LEA implementing in carrying out this action step(s)?	
--	--

3. REQUIRED QUESTIONS

3.1 Stakeholders, Coordination of Activities, Serving Children, and PQ

Required Questions

1. In developing this plan, briefly describe how the school sought advice from individuals (teachers, staff, other school leaders, paraprofessionals, specialized instructional support personnel, parents, community partners, and other stakeholders).	Stakeholders (all staff, PTO, School Council) had multiple opportunities to complete surveys and participate in comprehensive needs assessment meetings.
2. Describe how the school will ensure that low-income and minority children enrolled in the Title I school are not served at disproportionate rates by ineffective, out-of-field, or inexperienced teachers.	NA
3. Provide a general description of the Title I instructional program being implemented at this Title I school. Specifically define the subject areas to be addressed and the instructional strategies/methodologies to be employed to address the identified needs of the most academically at-risk students in the school. Please include services to be provided for students living in local institutions for neglected or delinquent children (if applicable).	NA
4. If applicable, provide a description of how teachers, in consultation with parents, administrators, and pupil services personnel, will identify eligible children most in need of services in Title I targeted assistance schools/programs. Please include a description of how the school will develop and implement multiple (a minimum of 2) objective, academic-based performance criteria to rank students for service. Also include a description of the measurable scale (point system) that uses the objective criteria to rank all students.	NA

3. REQUIRED QUESTIONS

3.2 PQ, Federally Identified Schools, CTAE, Discipline

Required Questions

5. If applicable, describe how the school will support, coordinate, and integrate services with early childhood programs at the school level, including strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.	Opportunities for upcoming kindergarten students to visit and preview kindergarten classrooms and expectations will be provided in the spring.
6. If applicable, describe how the school will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including: Coordination with institutions of higher education, employers, and local partners; and Increased student access to early college, high school, or dual or concurrent enrollment opportunities or career counseling to identify student interest and skills.	NA
7. Describe how the school will support efforts to reduce the overuse of discipline practices that remove students from the classroom, specifically addressing the effects on all subgroups of students.	Youth Elementary School's total number of OSS days decreased over the last year. We will continue this trend by implementing effective classroom management strategies that provide consequences for misconduct and student recognition for positive behaviors.

ADDITIONAL RESPONSES

8. Use the space below to provide additional narrative regarding the school's improvement plan.	NA
