Good school attendance results in higher academic achievement, better reading skills by third grade, and a much greater chance of graduating from high school. It also helps develop good habits and social skills. Being in class helps students build friendships, talk with peers, and feel part of a safe community.

Students who miss days a month ... **2**

- Are considered **chronically absent**
- Will miss **18 days** each school year
- Will miss **1.5 years** of school from grades K - 12
- Kindergarten and 1st grade students who are chronically absent have an **81% chance** of reading below grade level
- In high school, chronic absenteeism is a better predictor of a student **dropping out** of school than any test score
