

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

JULY 30, 2026

Whether you're new to Albuquerque Aviation Academy or returning for another great year, our Family Information Meeting Video is a great resource! It covers the basics of how AAA works, important procedures, expectations, communication, and other helpful information to help your family start the school year with confidence. We encourage all families to take a few minutes to watch the video.

<https://www.youtube.com/watch?v=UZpw94I62bg>

Is your student interested in a sport or extra-curricular activity at Albuquerque Aviation Academy. Join us 8/6/2026 at 5:30 for a general information meeting. Please see flyer below for more information!

Orientation

Student Orientation is for ALL students; new and returning! Attendance will be taken!

TODAY! Thursday 7/30 is for Middle School (6th-8th grades) ONLY.

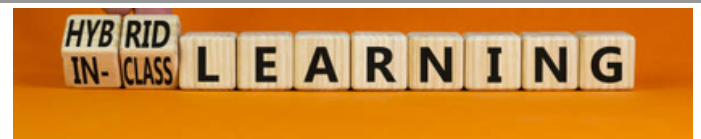

Friday 7/31 is for High School (9th-12th grades) ONLY!

Each day is a full day from 8:00-3:30 and buses will be running (bus schedule is online). **Please be sure to send a lunch with your student (include utensils).** Students will attend a kick-off assembly, then go to their homeroom classes where they will complete some beginning of the year activities, review school expectations and make sure they are all set with login credentials.

Students will follow a special schedule to meet each of their teachers throughout the day.

Parent Orientation Meetings will be held both days from 2:30-3:30 with details about our school and a time for questions with administration!

On the day your student is not coming in, they should be logging in to Edgenuity and getting the begging of year videos completed.

Albuquerque Aviation Academy is a hybrid school, meaning we are not a traditional model. Students complete some of their work from home and come to campus on other days for hands-on learning, support, and enrichment. This flexible structure allows students to take ownership of their learning while still staying connected to a school community. Want to know more about how it works? You'll get all the details at your parent meeting!

Lunch

Reminder

Students should bring their own lunch each day they are on campus, as meals are not provided. Microwaves are available on campus for student use. Don't forget your utensils!

Wondering what time your day will start? Our school day runs from 8:00 AM to 3:30 PM, with an early release on Fridays at 11:30 AM. Students may be dropped off as early as 7:30 AM.

Please plan accordingly!

Bus Transportation Available

We offer bus transportation from various locations across the city to make getting to school easier for families. Please see the attached bus schedule for pick-up and drop-off times and locations.

Imagine Learning Work Expectations

To stay on track and be successful in our hybrid model, students are expected to spend 25–35 hours per week working online (not counting idle time). This includes both on-campus and at-home learning time. Consistent progress is key!

ParentSquare™

Albuquerque Aviation Academy uses a communication system called ParentSquare! This platform streamlines how we connect with families—offering easy access to announcements, school updates, event information, and direct messaging with staff, all in one place. ParentSquare is user-friendly, secure, and available via app, text, email, or web. If you have not already, please download the app and watch for regular messages that come out on Thursdays. If you are not receiving these updates, please reach out to the front desk at (505) 608-6441 and let's get that fixed right away!

IT'S NOT TOO

It's not too late to sign up for 7th & 8th Grade Success Lab or Friday Electives! Success Lab begins next week, and Friday Electives start on August 7. Be sure to check out the flyers below for more information about each opportunity and the registration links. We hope your student will join us!

Requested a Schedule Change?

If you have submitted a Course Change Request for changes to your classes, schedule, or cohort, please know that we are carefully reviewing every request and will notify students and families of any approved changes as quickly as possible. While we understand that many cohort change requests are due to work or family scheduling conflicts, we are unable to accommodate every request because each cohort has limited space. Albuquerque Aviation Academy's flexible schedule is a benefit for many families, but students should still be available to attend their assigned on-campus days, just as they would be expected to attend school five days a week in a traditional school setting. Thank you for your patience and understanding as we work through these requests.

Important Dates to Remember:

7/31/2026 High School Orientation Day

ALBUQUERQUE AVIATION ACADEMY

7TH & 8TH GRADE SUCCESS LAB

STUDY HARD. STAY ON TRACK. *SOAR* TO SUCCESS!

Albuquerque Aviation Academy is excited to present this opportunity for current 7th and 8th grade students called **Success Lab**.

Success Lab is designed to provide extra Study Hall and support to students on the day they would normally be working from home (**Monday OR Thursday**).

If you are interested, please **sign up** and we will place them in the appropriate Success Lab class.

LIMITED SPOTS!

This program has limited spots and attendance **WILL** be taken.

If a student is not regularly attending, they will be **dropped from Success Lab** and their spot given to the next student!

SIGN-UP TODAY!

STAY FOCUSED. GET SUPPORT. ACHIEVE YOUR GOALS.

FRIDAY ELECTIVE

EXPLORE. **LEARN.** TAKE FLIGHT.

This is the sign-up for 1st Semester Friday In-Person Electives. These are all optional electives, but if students sign up, they are expected to attend **every Friday!**

Students who miss more than 3 classes will be **dropped** from the course and will **NOT** receive credit (high school students).

Each student will need to submit their own form with the **students** information (name, school email, grade level, etc).

Students will need to choose **two** courses- one for session 1 and one for session 2. The only exception is High School Lifetime Fitness PE, which is **ONLY** available to take during **BOTH** sessions (.5 credit).

SESSION TIMES

SESSION 1:
8:00-9:43

SESSION 2:
9:47-11:30

Wondering what this course is about??? Check out the In-Person Course Descriptions AT <https://www.abqaviation.com/academics/course-catalogs>

High School Students Only:
Next to each class is how much credit that class is worth.

NOTE: If you choose multiple courses for the same session **OR** submit multiple forms, administration will decide your electives for you.

SIGN UP TODAY!

LINK: <https://www.signupgenius.com/go/10C0E4BA9AA2EABF9C52-64832951-20262027>

SIGN UP IS OPEN UNTIL 8/5/2026, after that students must complete a Course Change Request Form and submit to front office before courses will be added to their schedule.
