

COMPLETER PATHWAYS FOR BHMHS/CAS STUDENTS

2026-2027

WHAT IS A COMPLETER?

A completer is a student who has earned all of the required units (3 or 4 classes depending on the program) in a state-recognized CTE program.

A student is considered "career-ready" if the student becomes a completer **and** earns a national or state recognized industry credential in that program area .

Example:

Medical Terminology

Health Science 1

Health Science 2

A93 - Healthcare Providers Basic Life Support (BLS) certification

NEW TIERED CREDENTIAL REQUIREMENT

(BEGINNING THE 2025/2026 SCHOOL YEAR)

The tiered credential system will be in effect for the 9GR=25 cohort
(current 10th graders).

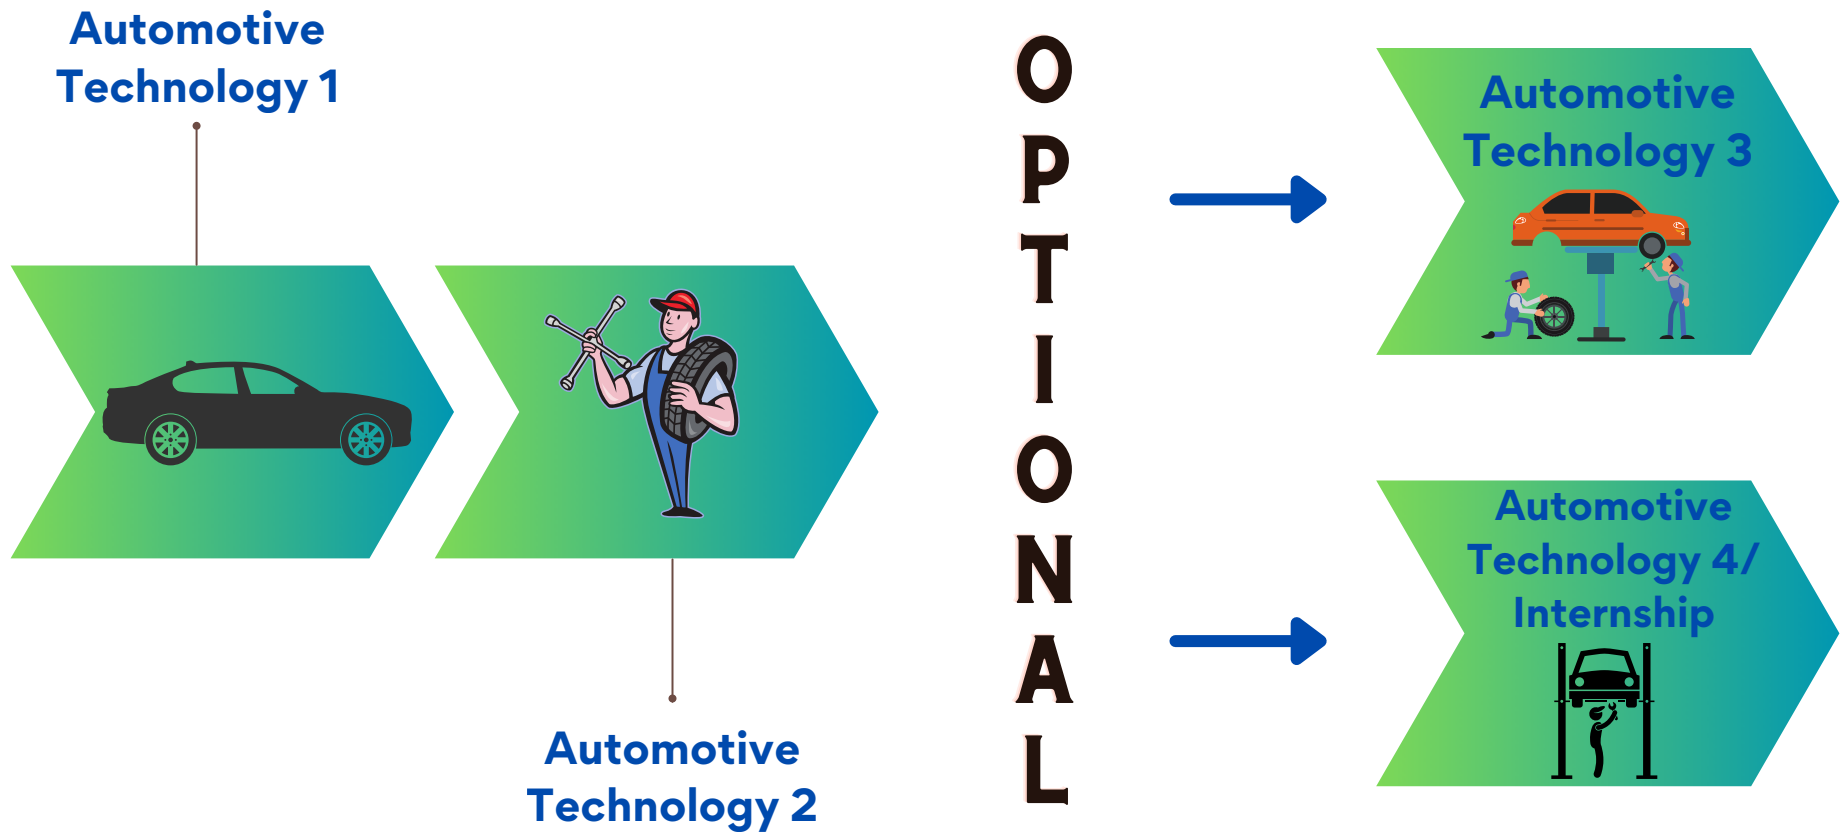

Students must be a CTE completer and earn a minimum of 3 points by:

- One Tier 3 credential aligned with the career cluster.
- A combo of one Tier 2 and one Tier 1 credential within the same career cluster.
- A universal credential (OSHA, Microburst, etc.) paired with a Tier 2 or higher credential within the student's career cluster.

**** Three Tier 1 credentials will not work.**

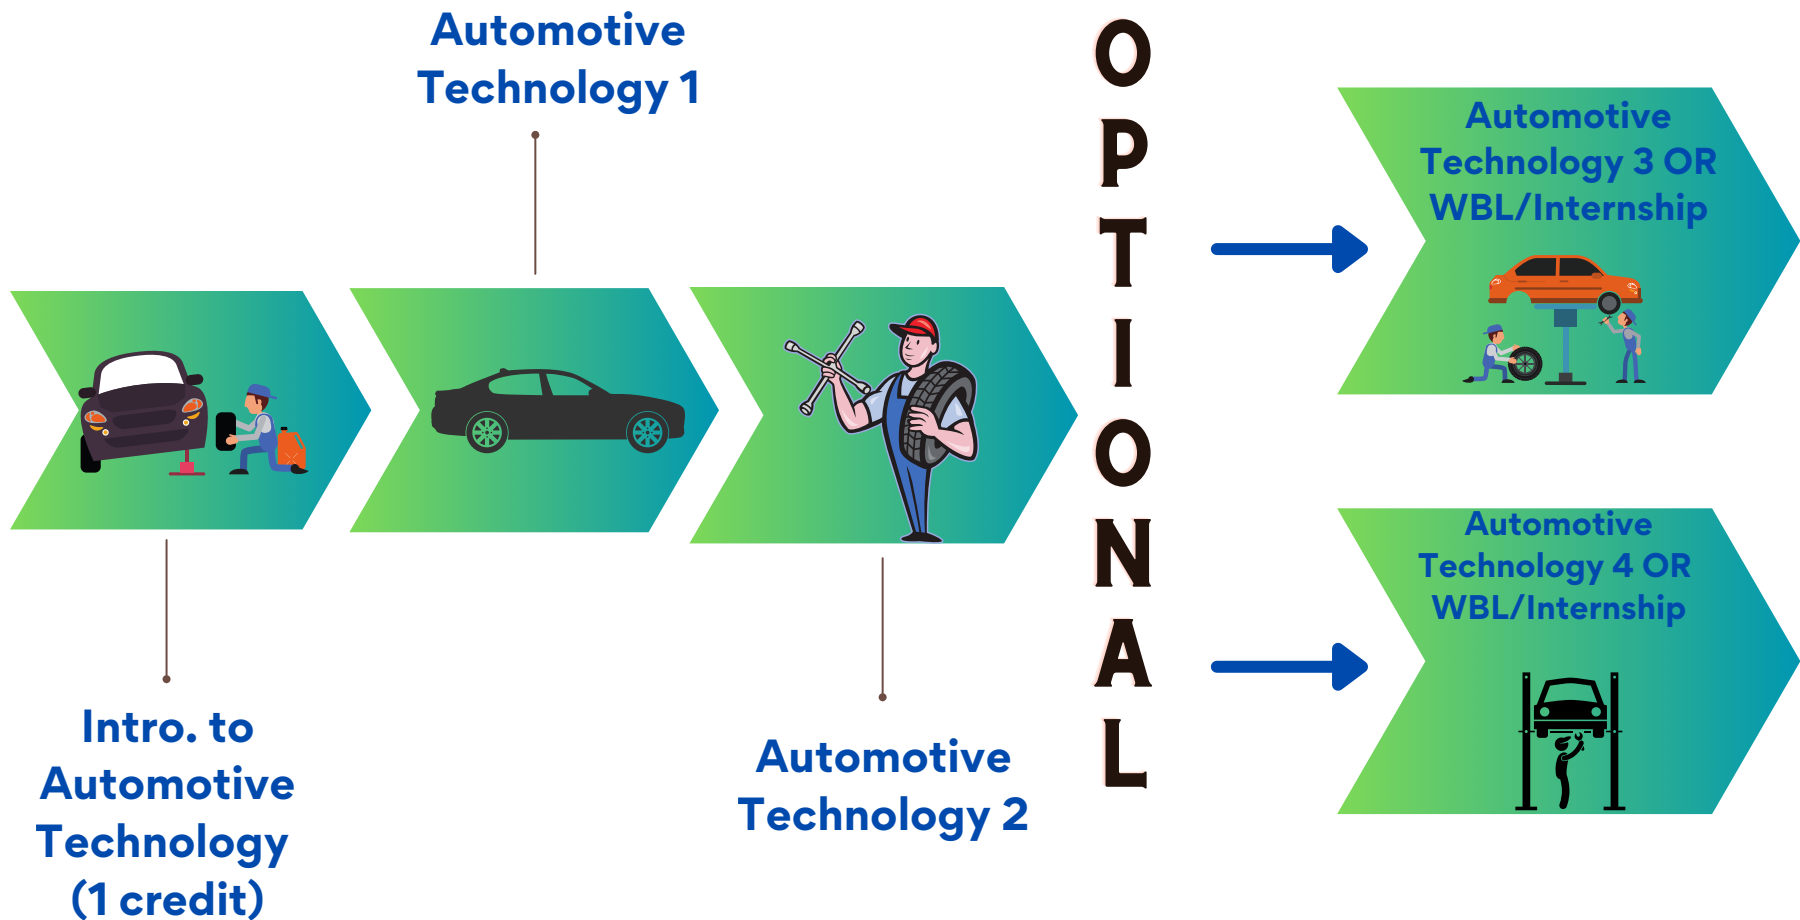

****9GR=23 (current Seniors) and 9GR=24 (current Juniors) will remain on the old career readiness system.**

Automotive Technology Pathway Completer (4 credits = 2 CAS classes)

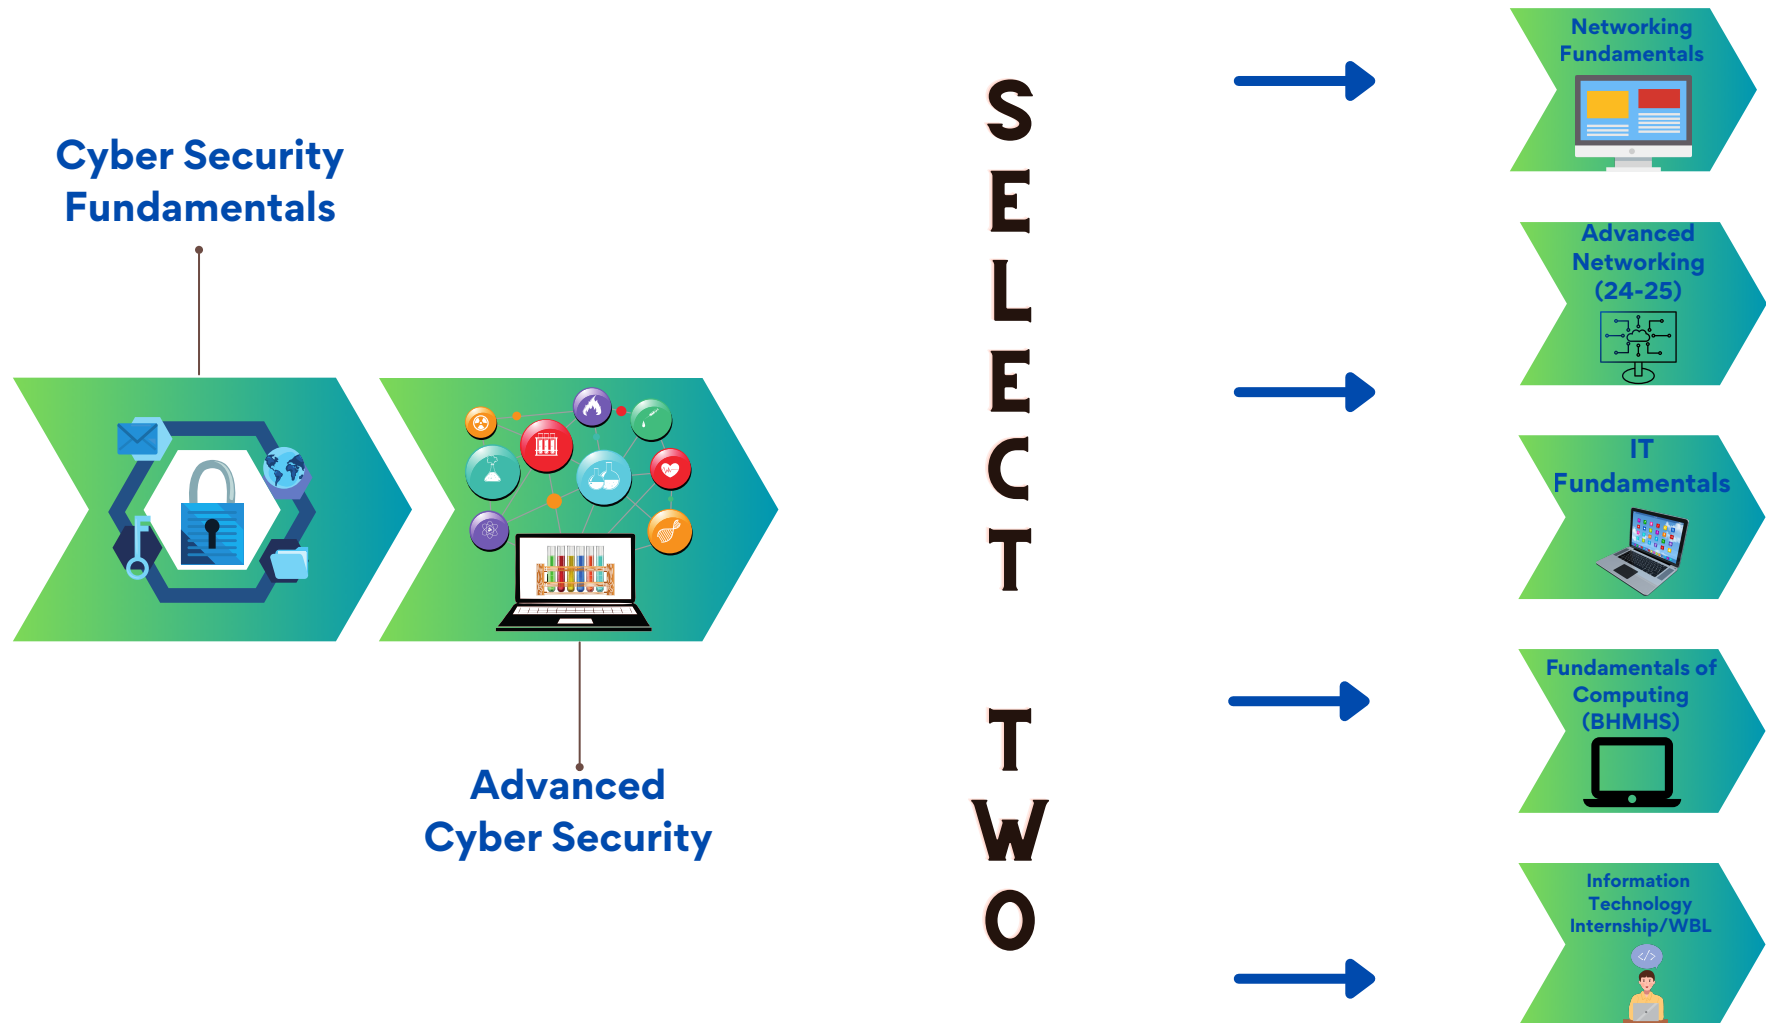

* Pathway for students who started in 21-22

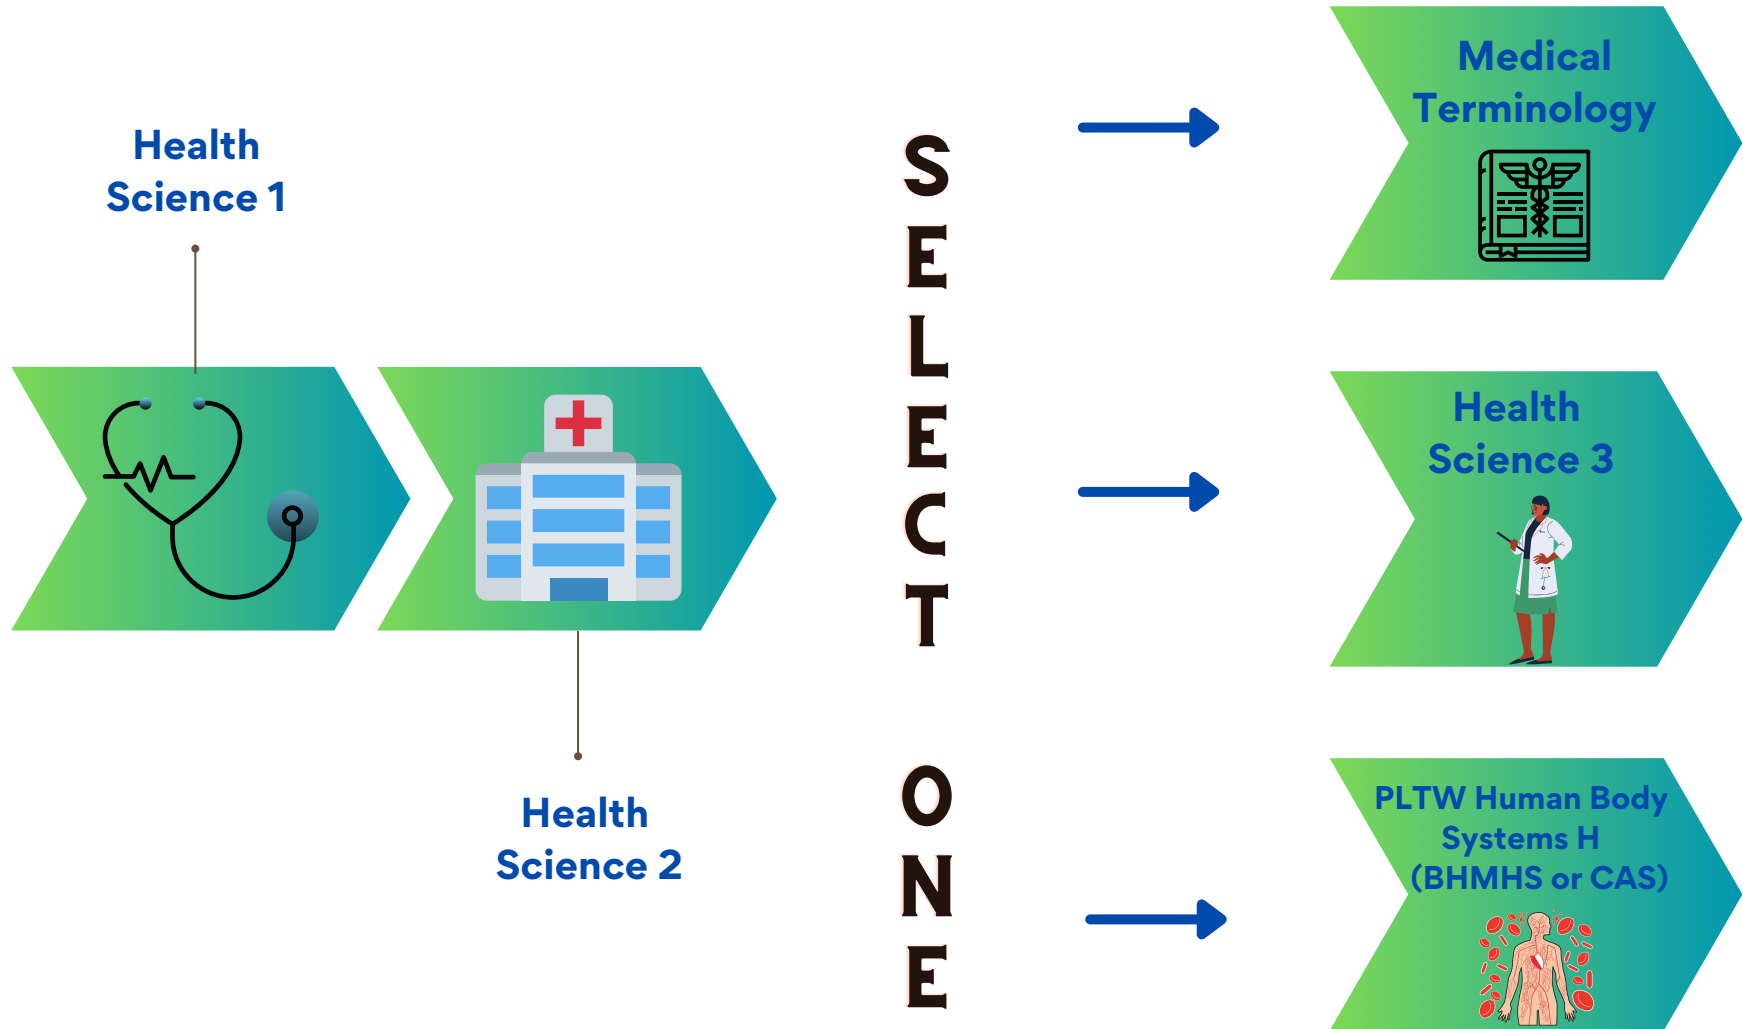

Automotive Technology Pathway Completer (4 credits = 2 CAS classes)

Computer and Information Systems Security/Information Assurance Completer (4-units)

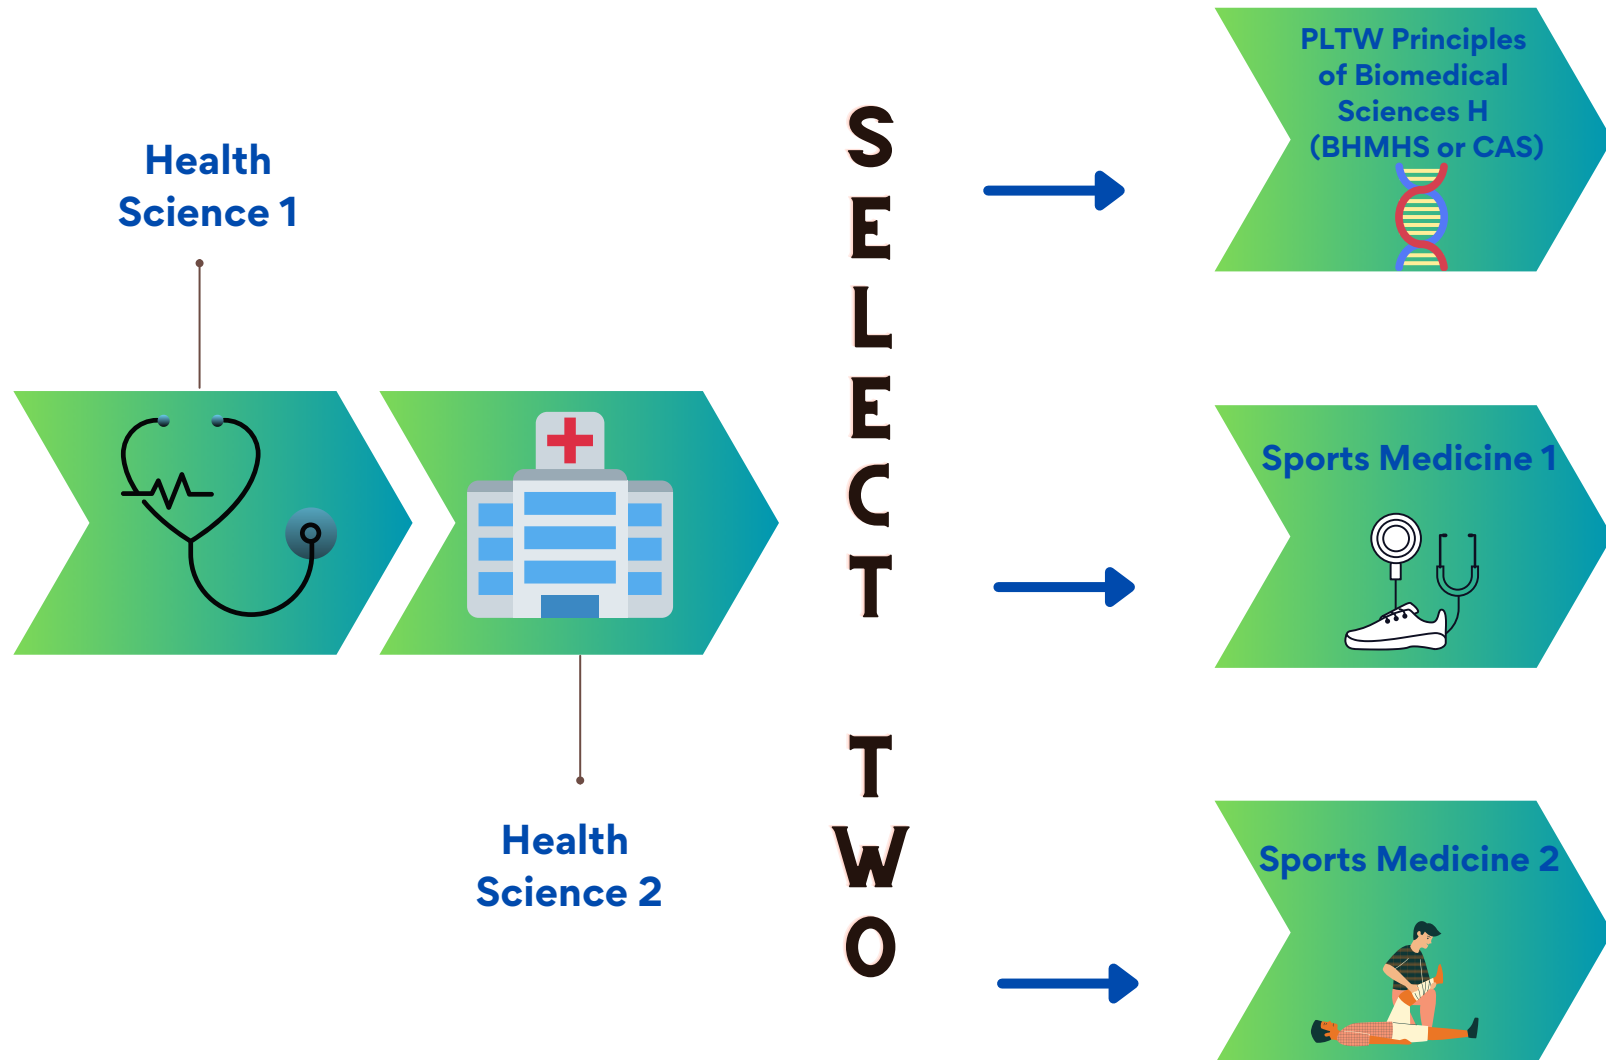

Health Science Pathway Completer (3-units)

* Health Science 3 = Human Structure, Function & Disease

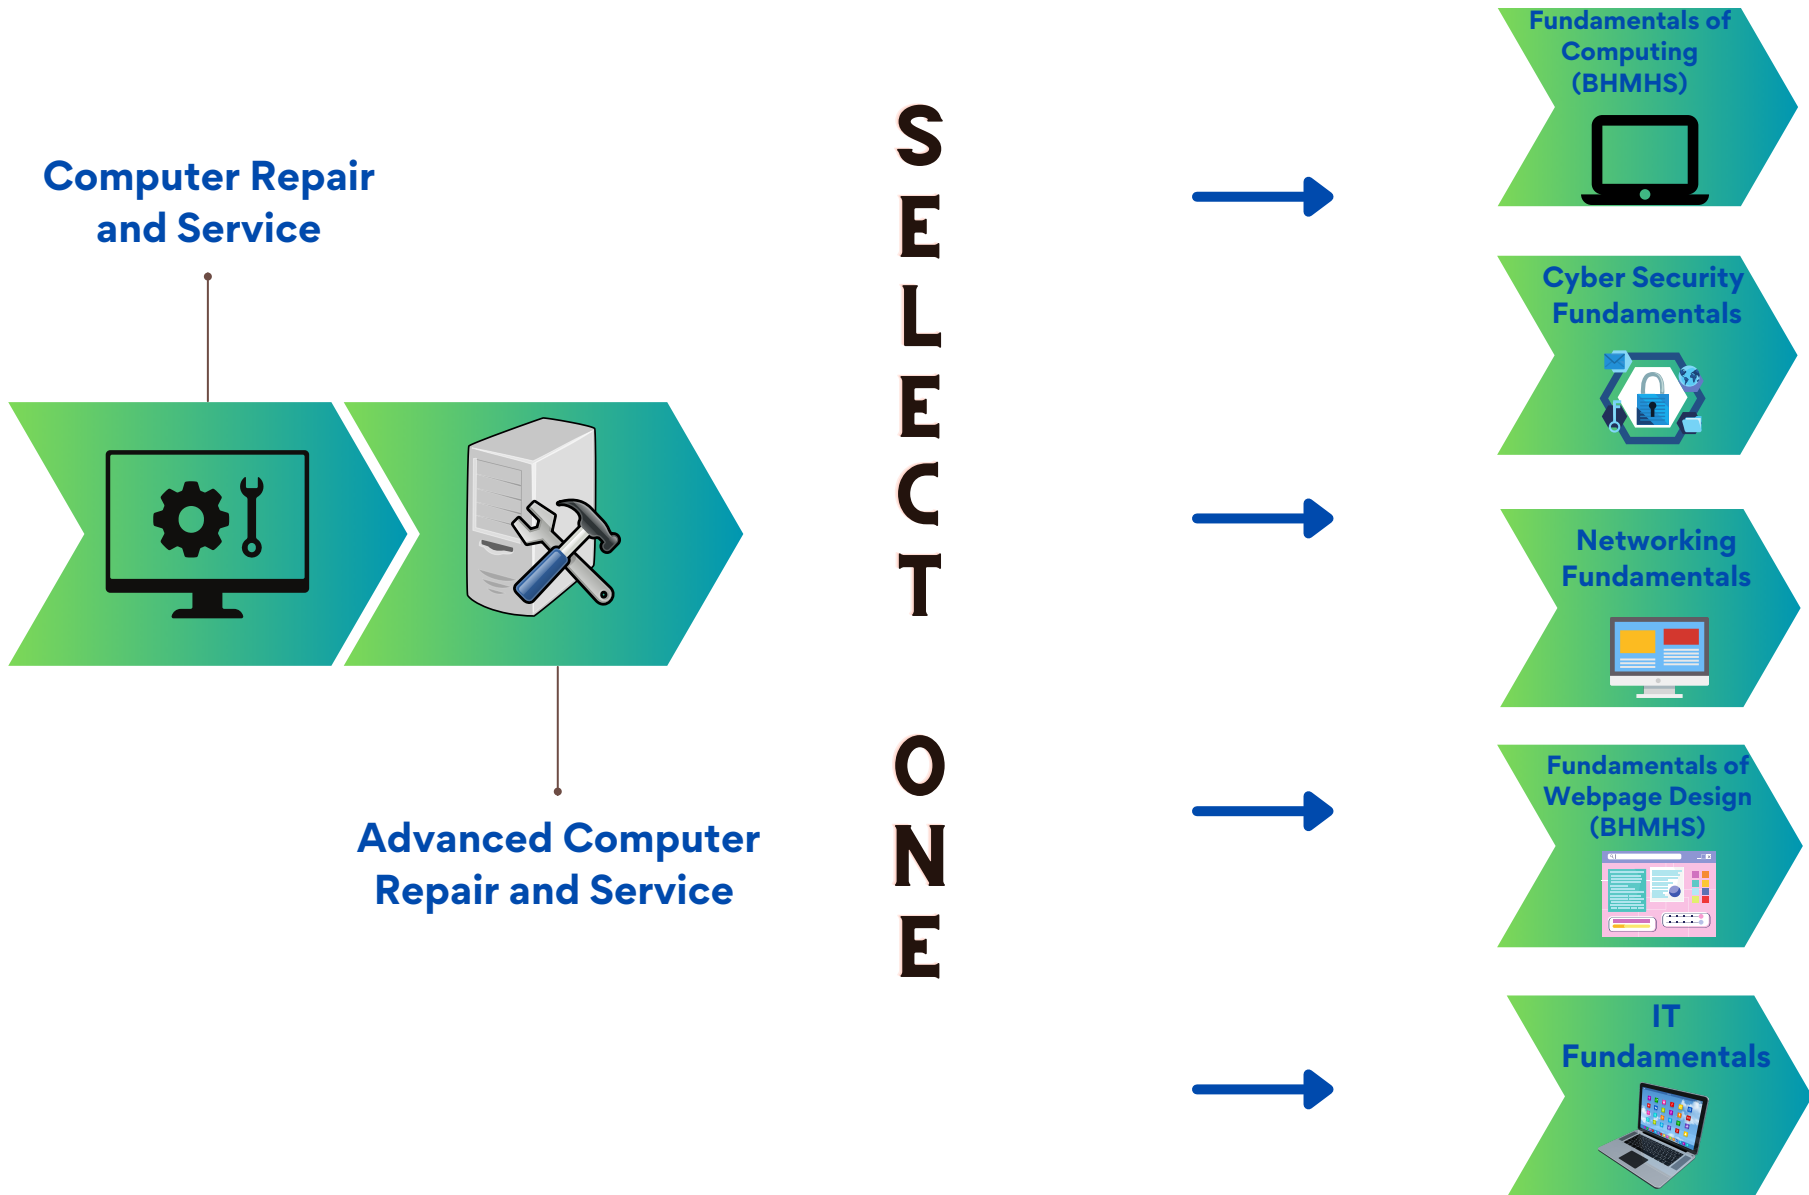

** Medical Terminology can be substituted for Dual Enrollment Medical Terminology (AHS 104)

Health Science Pathway Completer (4-units)

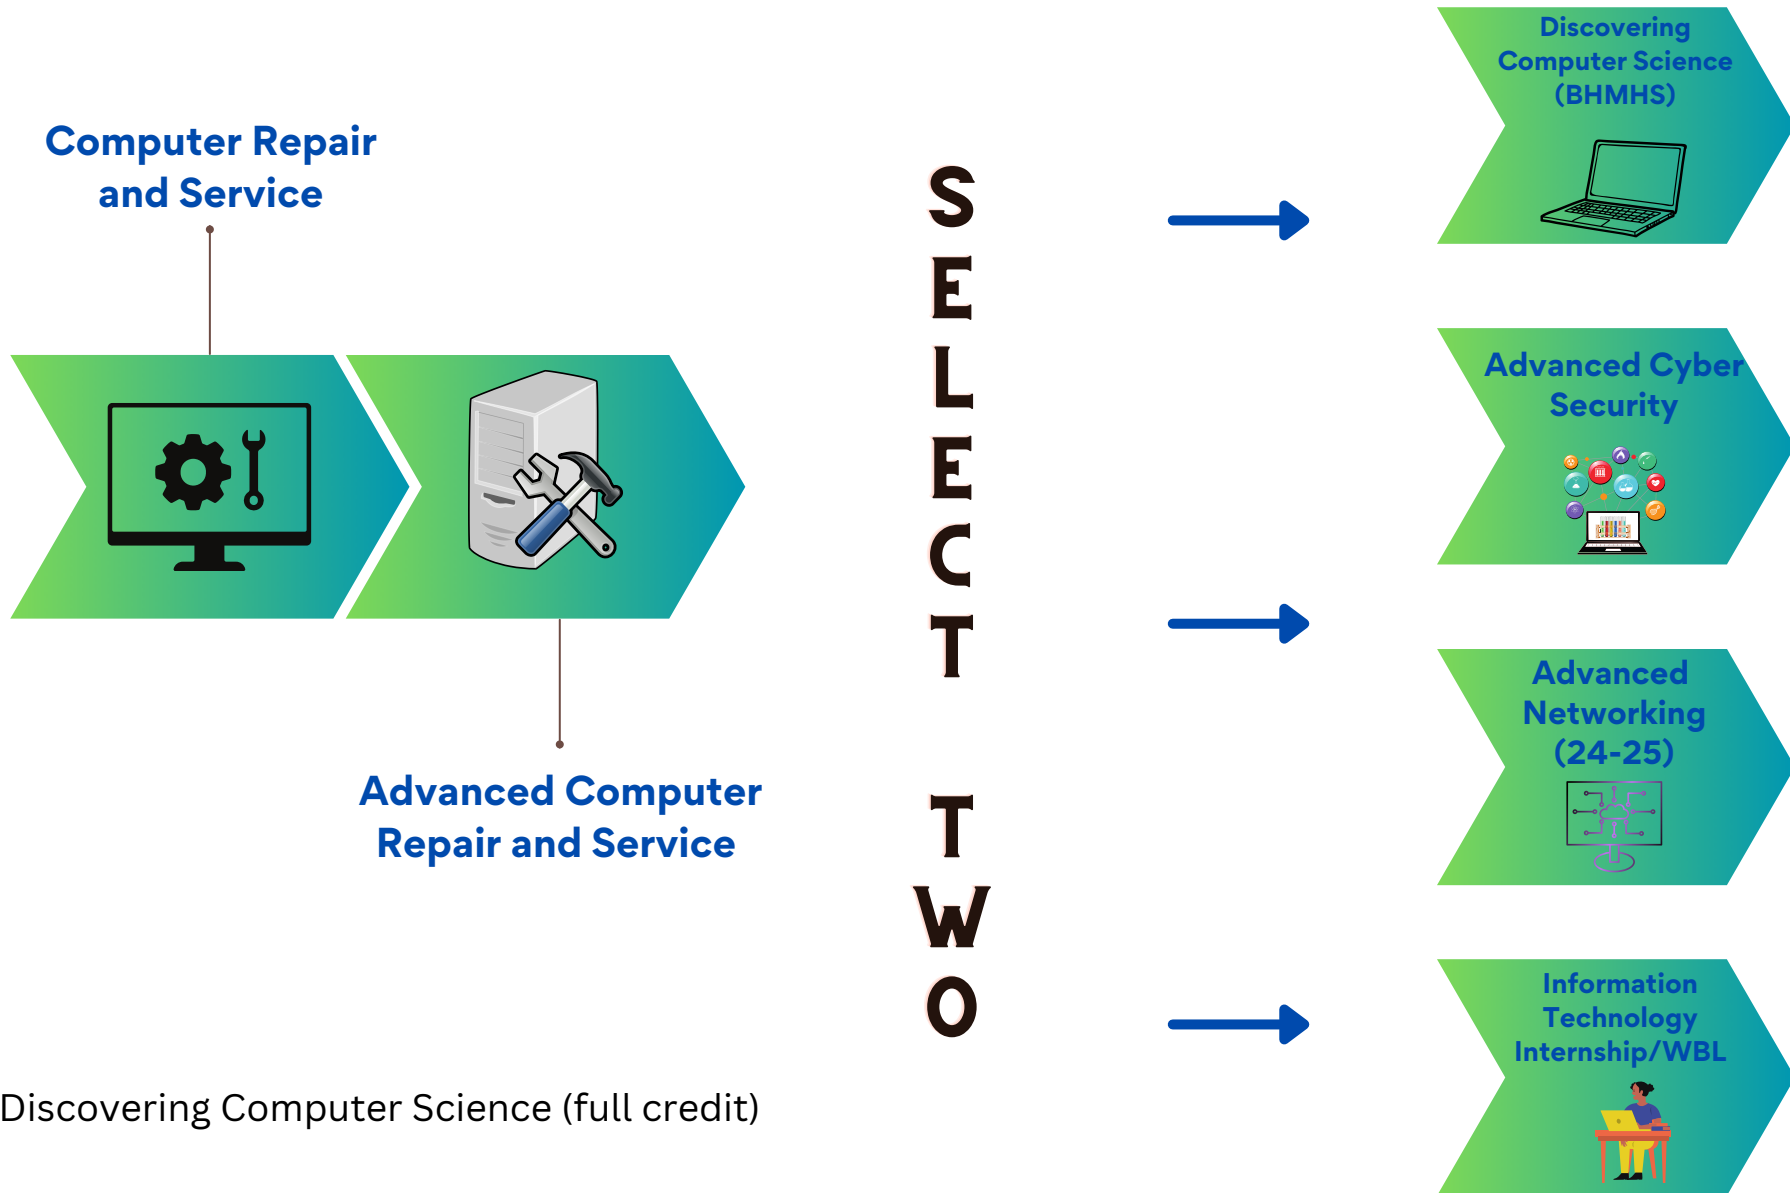

* Health Science/Sports Medicine WBL can count as the 4th unit

Information Support and Services Pathway Completer (3-units)

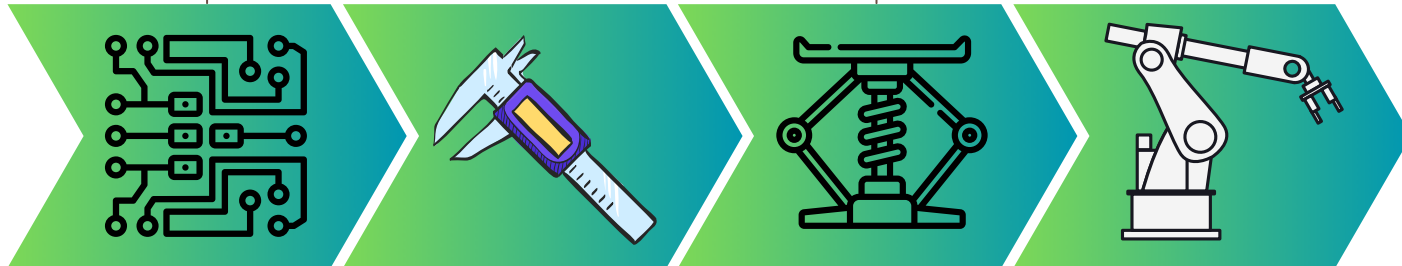

Information Support and Services Pathway Completer (4-units)

Mechatronics Integrated Technologies Pathway Completer (4-units)

**Mechatronics Electrical
Components/Industrial
Safety**

**Electro Pneumatics and
Hydraulics**

**Mechanical
Components
Electric
Drives/Hand &
Power Tool
Operations**

**Digital
Fundamentals and
Programmable
Controllers**

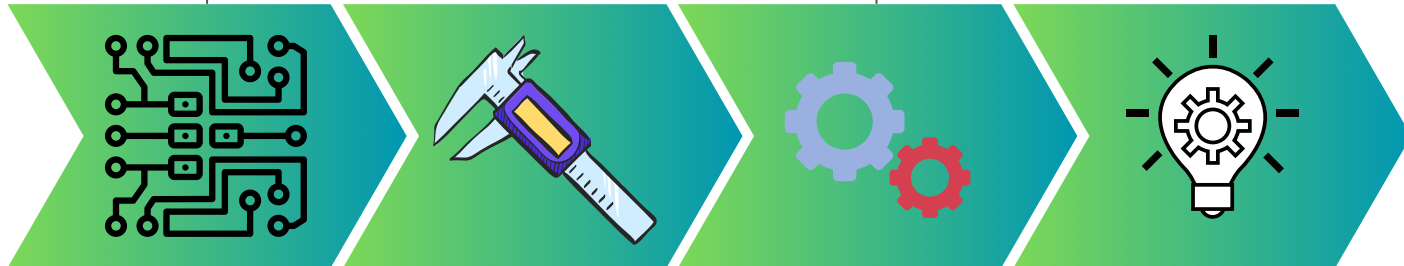

* Manufacturing WBL can count as the 4th unit

Option
1

Mechatronics Integrated Technologies Pathway Completer (4-units)

**Mechatronics Electrical
Components/Industrial
Safety**

**PLTW Intro. to
Engineering H**

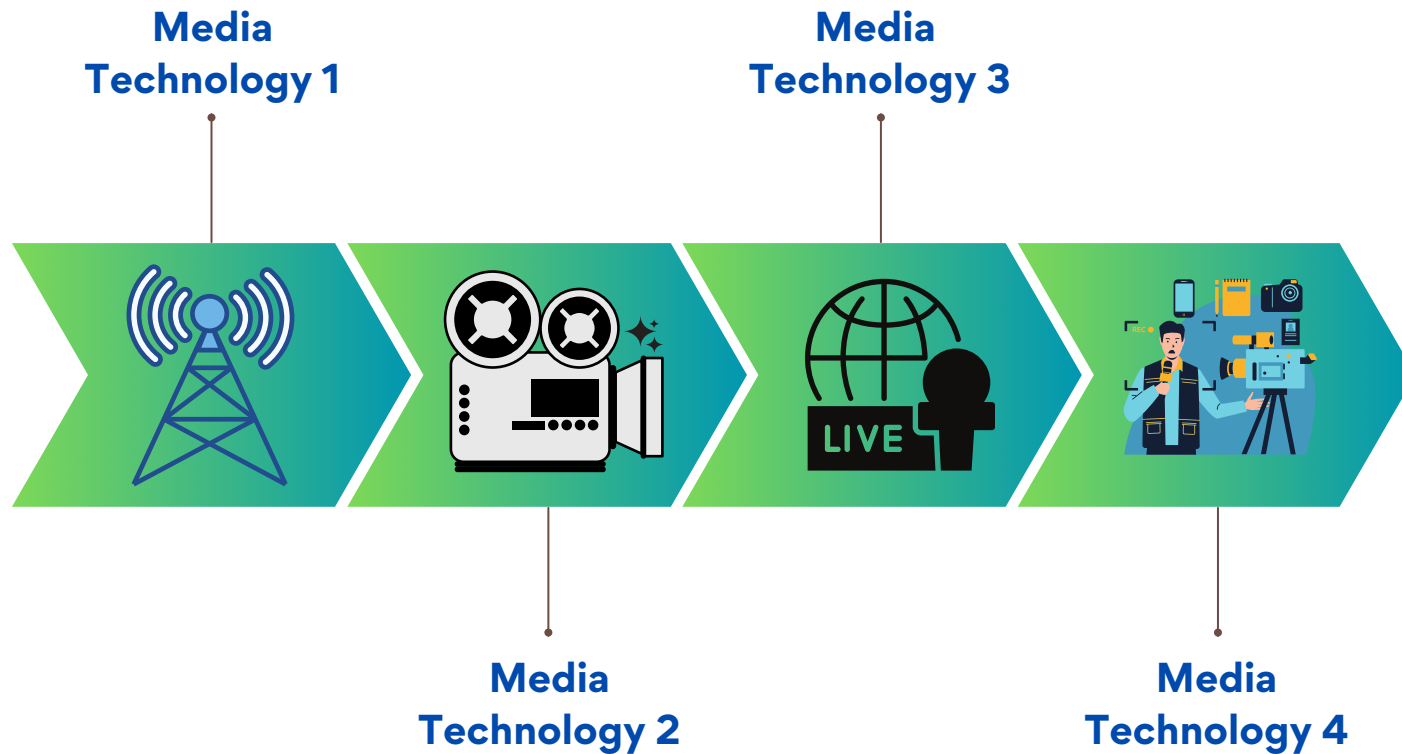

**Mechanical
Components
Electric
Drives/Hand &
Power Tool
Operations**

**PLTW Principles
of Engineering H**

* Manufacturing WBL can count as the 4th unit

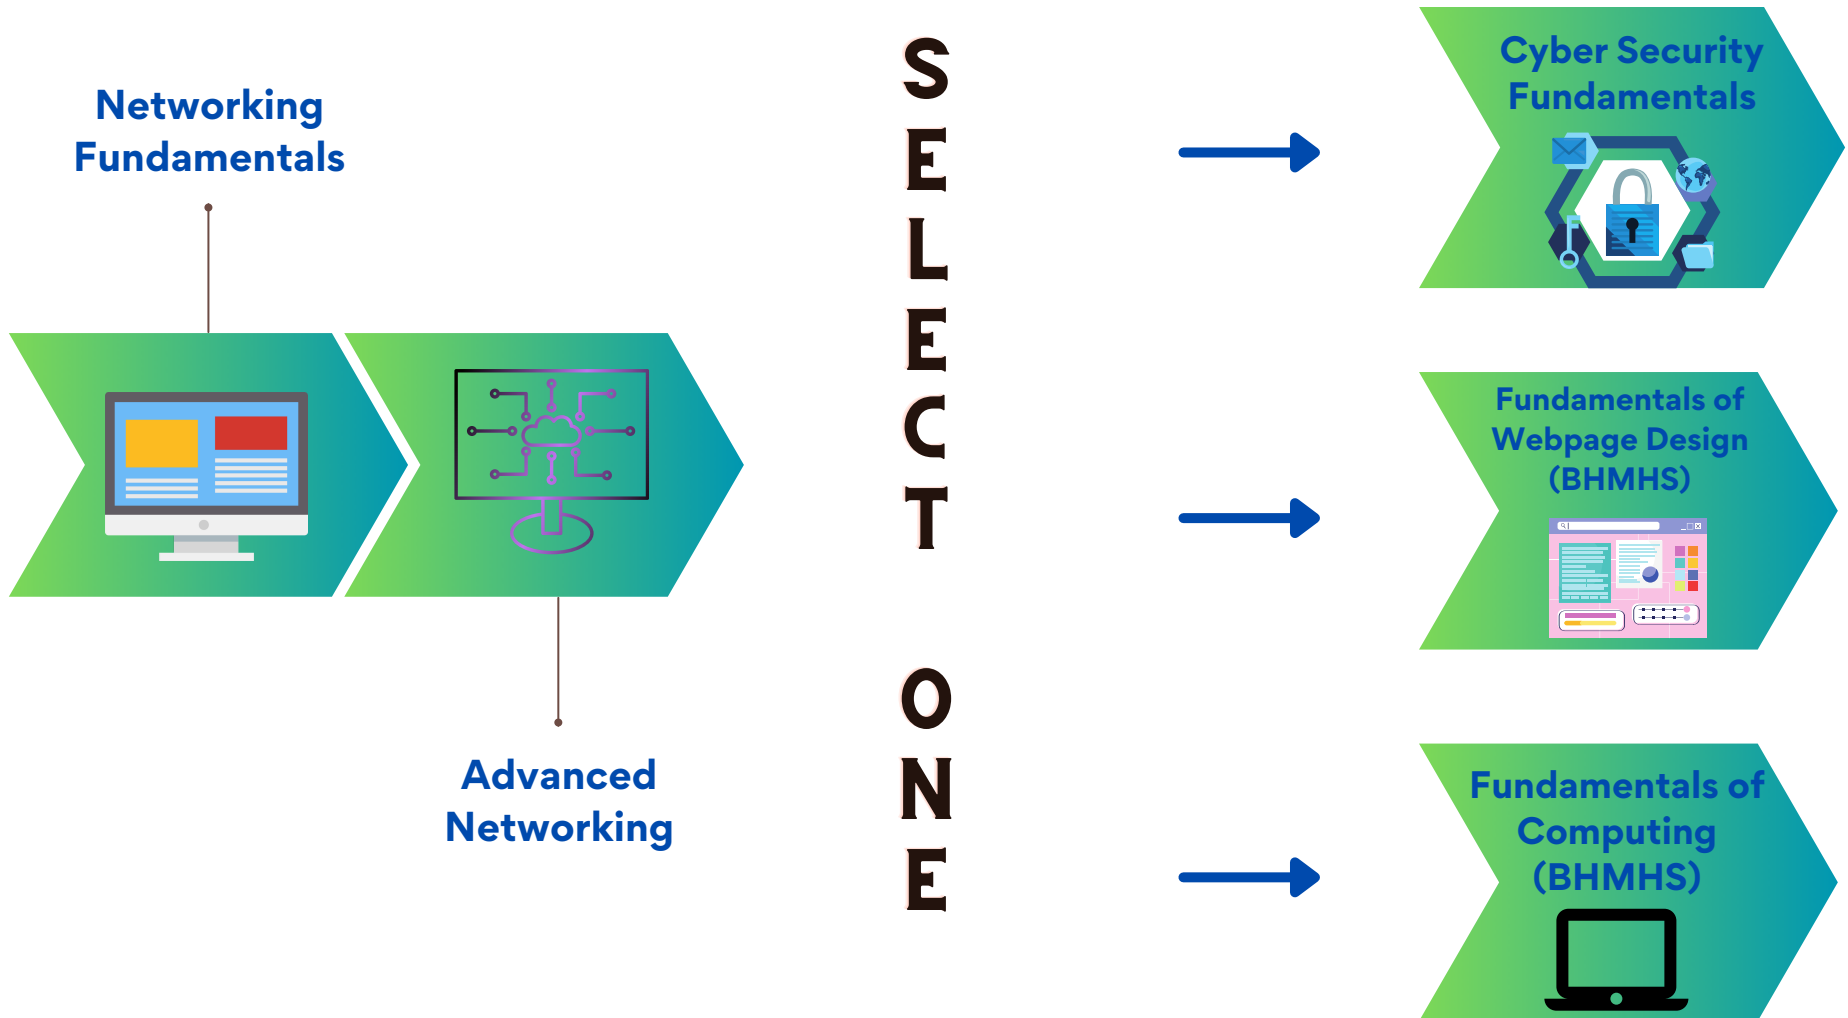

Option
2

Media Technology Pathway Completer (4-units)

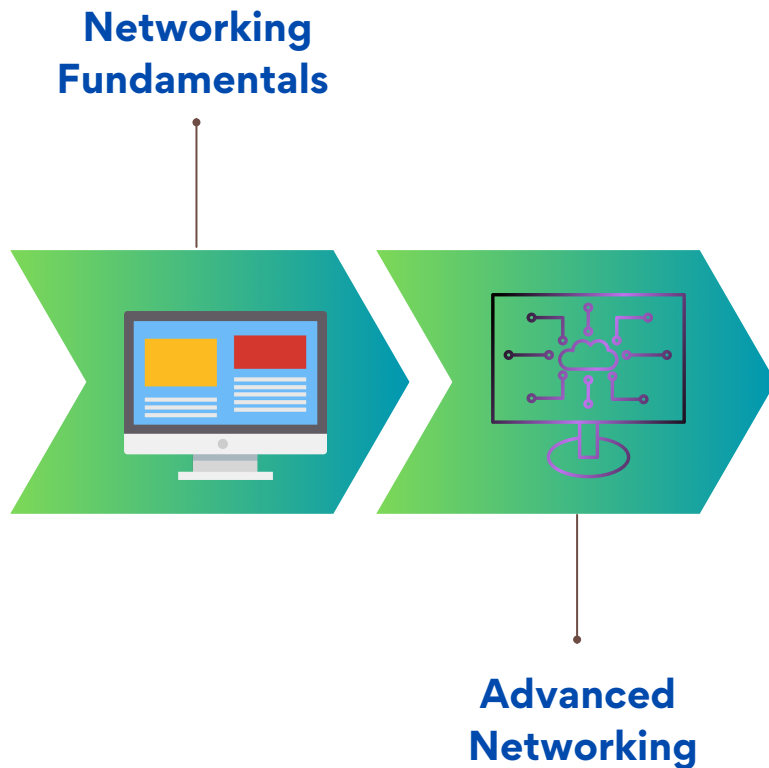

* Arts/AV Tech. & Communications WBL can count as the 4th unit

Networking Systems Pathway Completer (3-units)

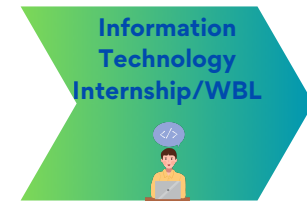

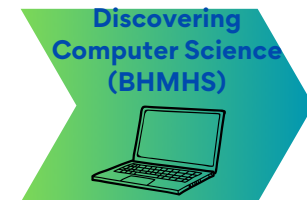

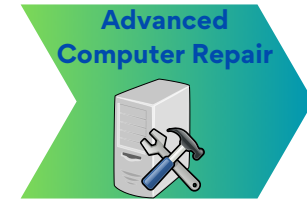

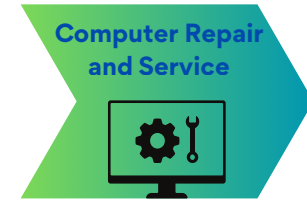

Networking Systems Pathway Completer (4-units)

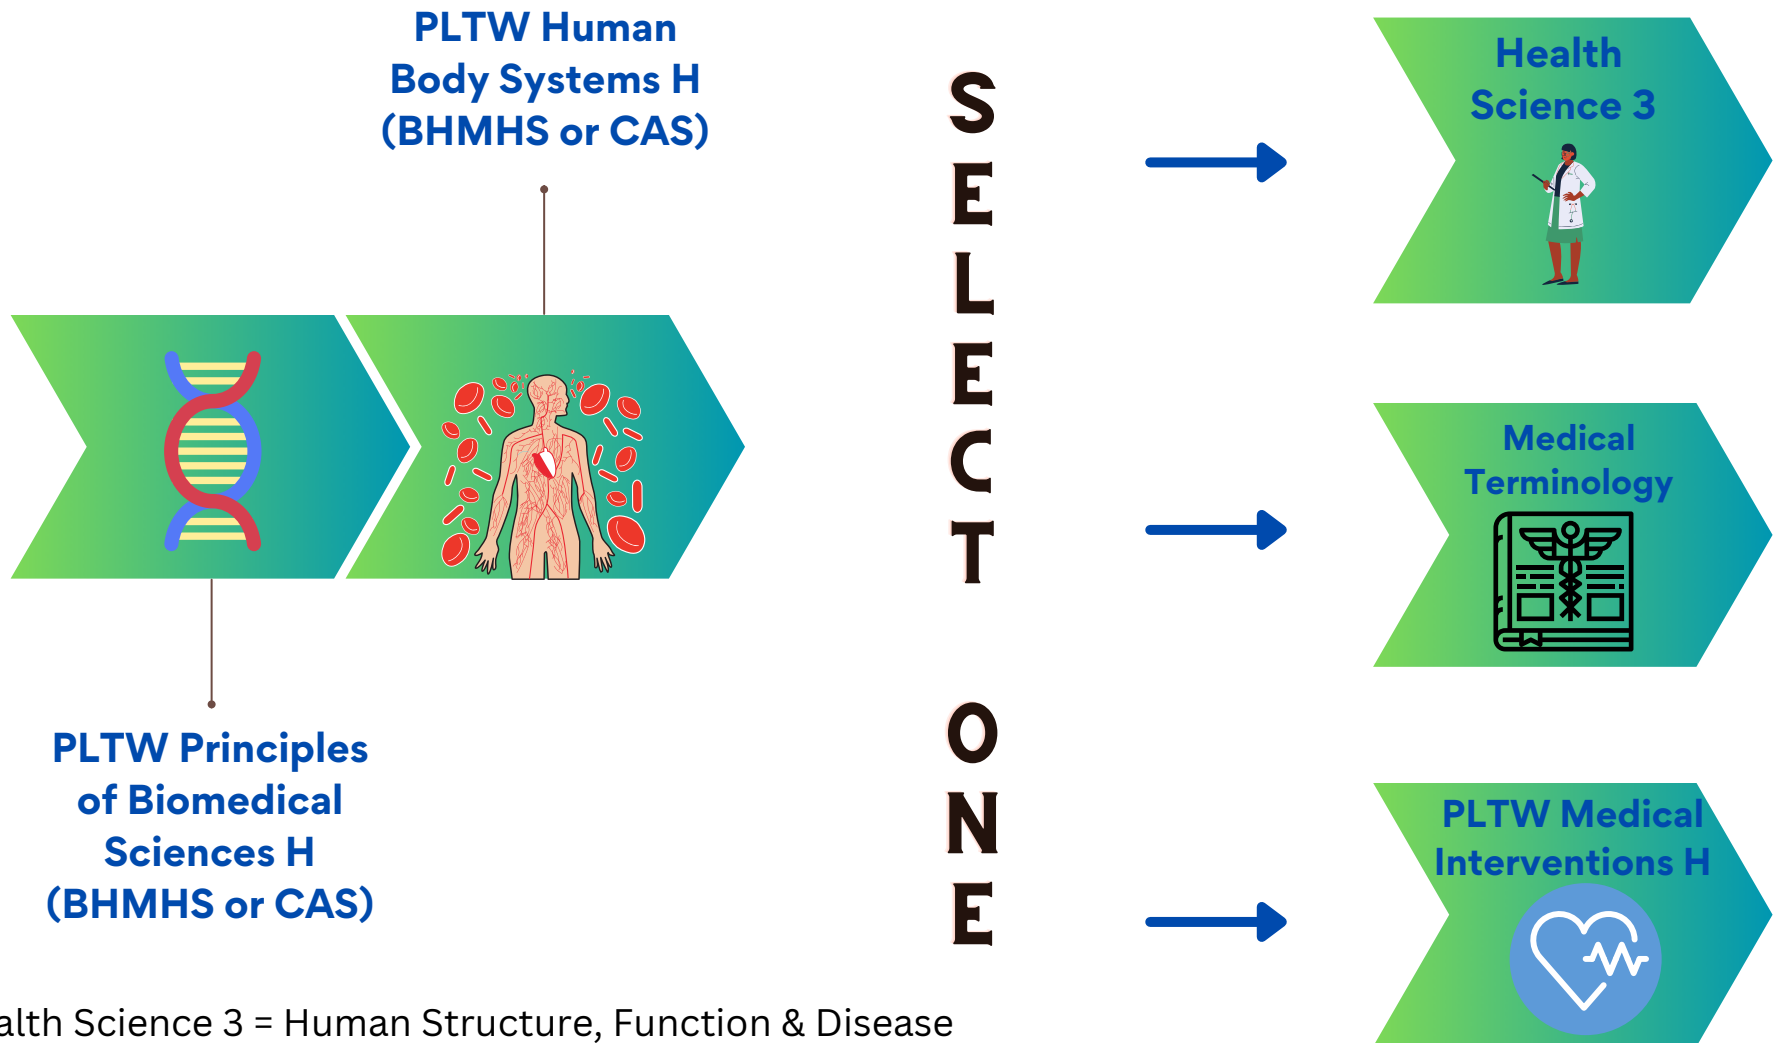

**S
E
L
E
C
T

T
W
O**

* Discovering Computer Science (full credit)

PLTW Biomedical Sciences Pathway Completer (3-units)

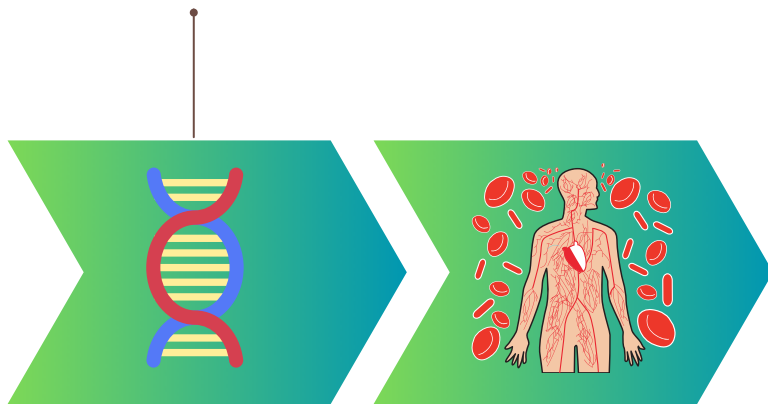

* Health Science 3 = Human Structure, Function & Disease

** Medical Terminology can be substituted for Dual Enrollment Medical Terminology (AHS 104)

PLTW Biomedical Sciences Pathway Completer (4-units)

PLTW Principles
of Biomedical
Sciences H
(BHMHS or CAS)

PLTW Human
Body Systems H
(BHMHS or CAS)

**S
E
L
E
C
T

T
W
O**

Health Science 1

Health Science 2

Sports Medicine 1

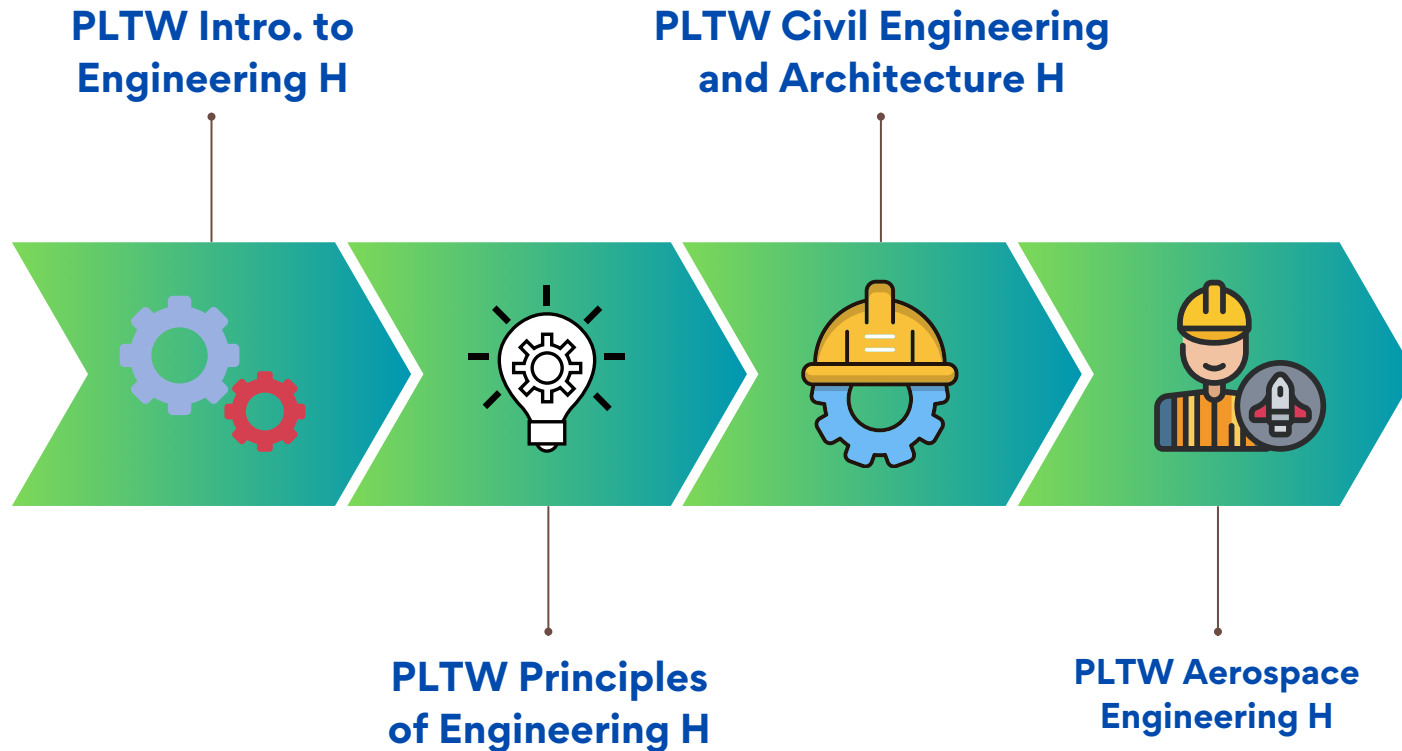

Sports Medicine 2

* Health Science/Sports Medicine WBL can count as the 4th unit

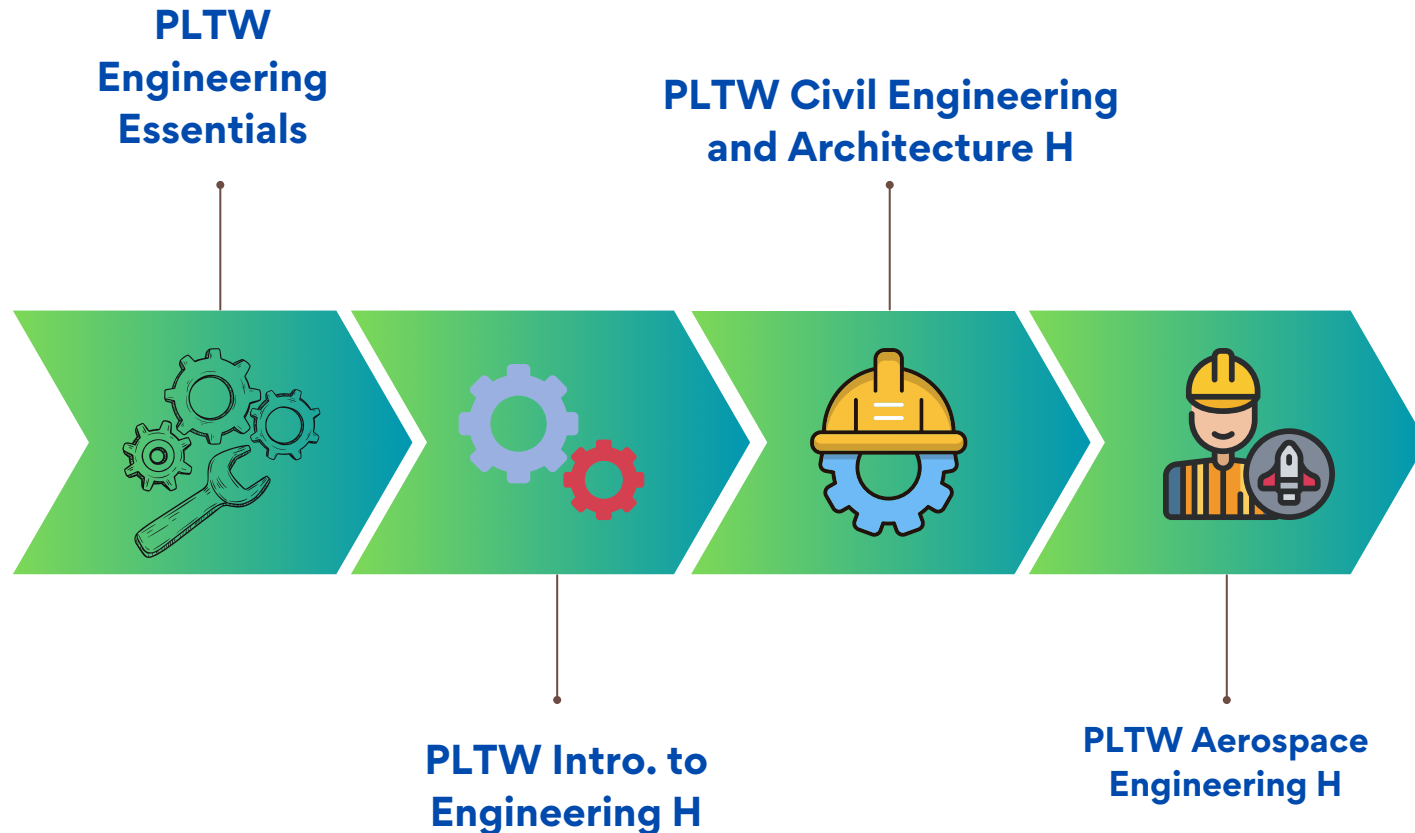

PLTW Pre-Engineering Pathway Completer (4-units)

* Civil Engineering and Aerospace Engineering are interchangeable as the 3rd and 4th classes.

** Pre-Engineering/Engineering & Industrial Technology Education WBL can count as the 4th unit.

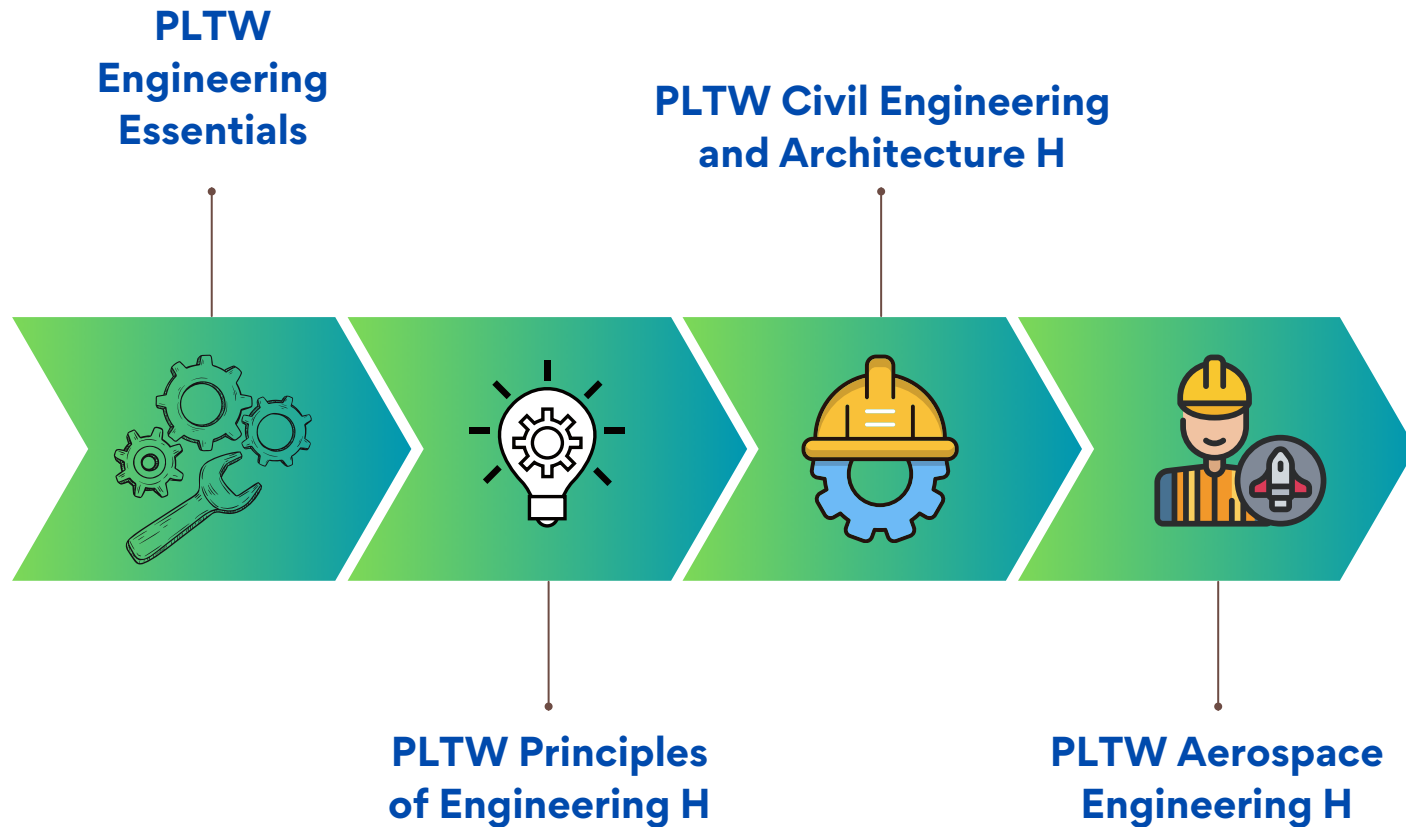

PLTW Pre-Engineering Pathway Completer (4-units)

* Civil Engineering and Aerospace Engineering are interchangeable as the 3rd and 4th classes.

* * Pre-Engineering/Engineering & Industrial Technology Education WBL can count as the 4th unit.

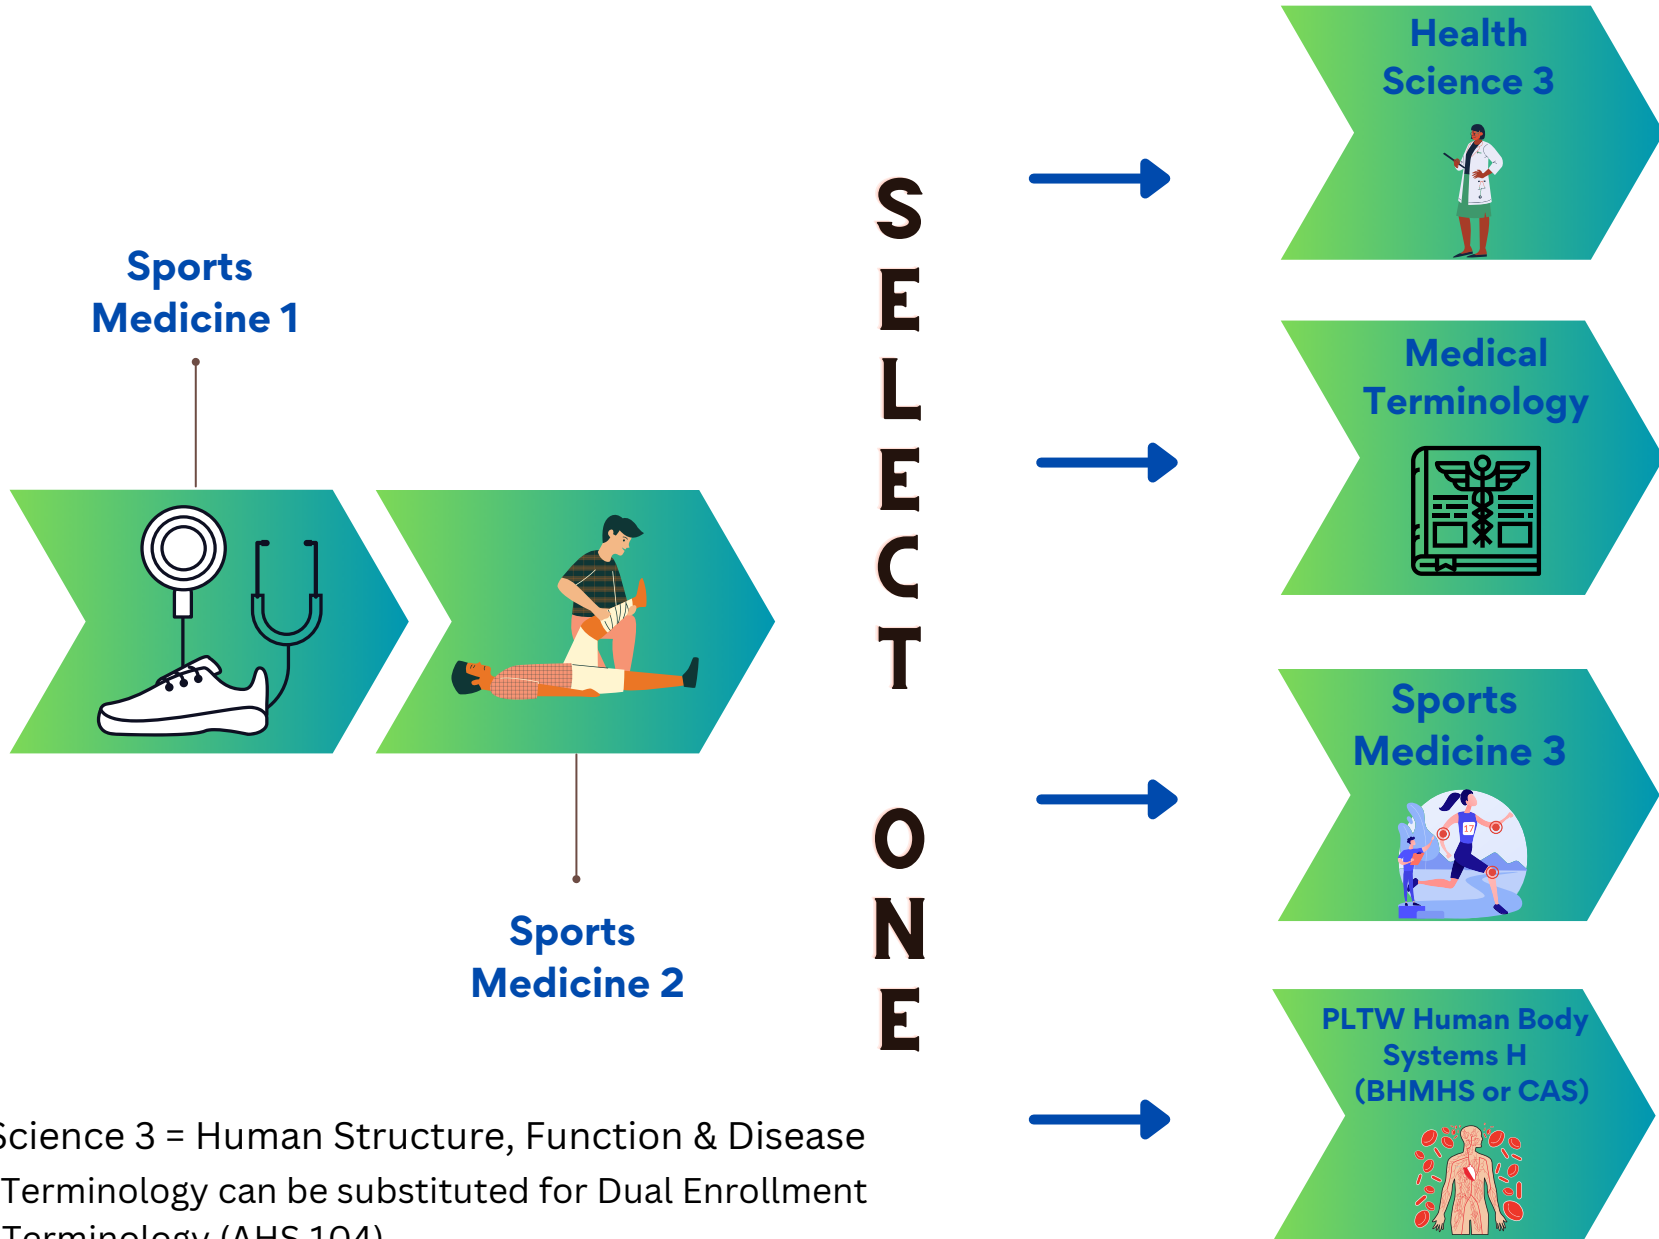

PLTW Pre-Engineering Pathway Completer (4-units)

* Civil Engineering and Aerospace Engineering are interchangeable as the 3rd and 4th classes.

* * Pre-Engineering/Engineering & Industrial Technology Education WBL can count as the 4th unit.

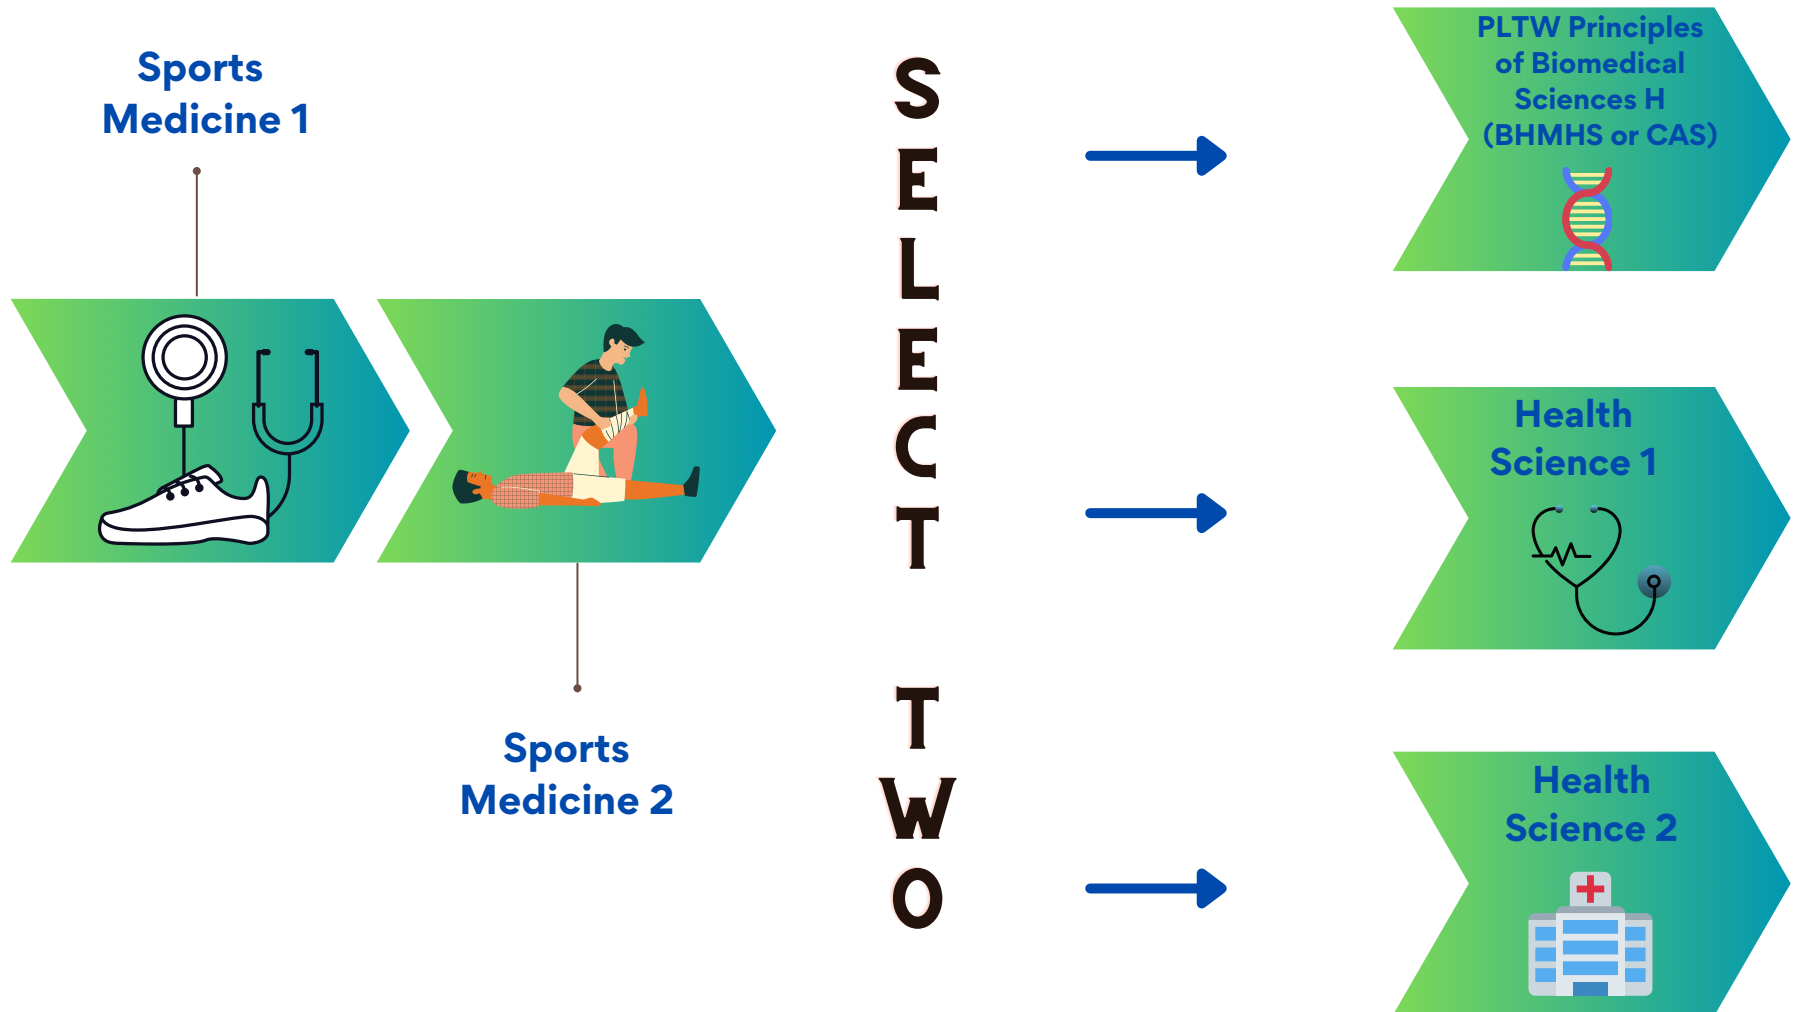

Sports Medicine Pathway Completer (3-units)

* Health Science 3 = Human Structure, Function & Disease

** Medical Terminology can be substituted for Dual Enrollment Medical Terminology (AHS 104)

Sports Medicine Pathway Completer (4-units)

* Health Science/Sports Medicine WBL can count as the 4th unit

Welding Technology Pathway

Completer (4 credits = 2 CAS classes)
