

5700 Trailside Drive
Park City, UT 84098

Dear Trailside Families,

Welcome to the 2026-2027 school year! I hope you and your children have had a wonderful summer filled with relaxation, sunshine, and adventure.

As the new principal of Trailside Elementary, it is an absolute honor to join the Trailblazer family. I know firsthand that Trailside has an incredibly rich history of academic excellence and a deeply rooted, vibrant sense of community. I am thrilled to partner with you to keep that spirit thriving.

While I am new to this specific role at Trailside, the Park City School District has been my professional and personal home for the past 17 years. Over nearly two decades in our district, I've had the privilege of serving our community in several roles:

- In the Classroom: As a 1st and 3rd-grade Dual Language Immersion (DLI) teacher, where I fell in love with early literacy and language acquisition.
- In Student Support: As an interventionist, focusing on meeting the unique needs of every single learner.
- In Leadership: As an Elementary Dean and, most recently, an Assistant Principal at the middle school level, helping students navigate crucial transitional years.

On a personal note, my commitment to Park City schools runs incredibly deep—my own children are proud PCSD alumni who are now out doing great things in the world! I know exactly what it's like to sit on your side of the desk as a parent, trusting our educators with the people who matter most to you.

My leadership philosophy is built on collaboration, open communication, and putting students at the center of every decision we make. I want to ensure that every child who walks through our doors feels safe, valued, and inspired to learn.

Thank you for welcoming me into this incredible community. Together, we are going to make this a phenomenal school year for our Trailblazers!

Warmest regards,

Alane Gaspari, Trailside Elementary School Principal
