Dear Oak Families,

We hope that you are enjoying a restful and relaxing summer with your loved ones. The first day of school is quickly approaching and the excitement is beginning to mount! Make sure to review this letter and note your important “to do” items.

Please note ***all*** families must complete the online data confirmation through our [Aeries Parent Portal](#). After completing Data confirmation, you might be able to view your child’s CAASPP scores by accessing the **State Test** scores drop down! This important step ***must*** be completed before on campus registration. If you have any questions about this process, please feel free to contact our office.

Aeries Data Confirmation is now Open:

How can you get started?

1. Log in to your parent Aeries account: http://LosAlamitos_Aeries_parent_account
2. In the top menu bar, hover over Student Info to expand the dropdown menu
3. Select Data Confirmation from the dropdown menu
4. Answer all questions for the Data Confirmation steps
5. Final Data Confirmation: Click on the Submit Final Confirmation button to finish the confirmation
6. You DO NOT need to print the confirmation page

Please complete the data confirmation process prior to your registration date

For parents who need assistance in creating an Aeries account or completing the online data confirmation, please contact the office to schedule an appointment with our registrar. Other important items to note:

Medical Insurance Information

This year, you’ll notice a section asking for your child’s medical insurance information. Providing this allows the District to seek reimbursement from the state for important health services already provided to students with no cost or impact to your insurance. These funds help us reinvest in even more resources and support for students. If you don’t have insurance, no problem, just indicate that on the form. For more information, visit: [Los Alamitos Unified Data Confirmation](#)

Mobile Device Policy

As part of this year’s Data Confirmation, you’ll see information about our **Mobile Device Policy**, which took effect last school year. In response to family and staff feedback — and in alignment with new California law — this policy is designed to reduce distractions, support student wellness, and foster more engaged learning environments.

For full details about the new Mobile Device Policy visit: [LAUSD Cell Phone/Electronics Policy](#)

Once you have completed the data confirmation, you and your student should mark your calendars for the important pertinent dates/events:

Other Items of Interest

Classrooms Supplies

On the first day of school, students should bring a pen, pencil, and paper. Each classroom teacher will let students know what else they need. The following items are suggested: 3-ring binder, 3-hole standard ruled paper, 3-holed zippered pouch and a backpack. More information regarding personal laptop/chromebook devices will be shared as it becomes available.

Breakfast and Lunch: FREE (no charge) For the 2026-2027 School Year

The Los Alamitos Unified School District participates in the National School Lunch Program. Students use a Personal Identification Number (PIN) that remains with them regardless of which Los Alamitos school your student attends. Visit the [nutrition services website](#) for lunch information, quick link to view menus, start a prepay account or view helpful nutrition tips. For the safety of our students and staff, we continue to advocate for cashless transactions next year. This is to avoid cross contamination when dealing with cash. You may put money into a pre-paid account. A la carte meals and snacks will be available for sale. An interactive menu can be found at <https://www.myschoolmenus.com/instance/367/district/383>. **For pre-paid accounts, checks should be made payable to LAUSD.**

PTA Registration

Join our amazing PTA and be part of an organization that supports our school community! Oak is where the magic happens and our PTA is the catalyst for bringing the very best foundation for our students and staff! Although we would love for any and all families to attend PTA meetings, being a member does not obligate you to attend meetings or volunteer! Click [HERE](#) to sign up for Oak PTA or renew your membership today! In order for students to participate in any PTA sponsored event families must complete the PTA waiver form which was included [HERE](#).

Summer Office Hours

Our main office will be open beginning July 27th from 8:00 AM - 3:30 PM. Some days may differ due to training or staff absences. The front office will open at 10:00 AM on Tuesday, August 11th, as all LAUSD employees will attend a District Meeting.

We look forward to seeing our students back on campus soon.
