

BLUFFTON-HARRISON MSD

2026-2027 Bus Rider Policy

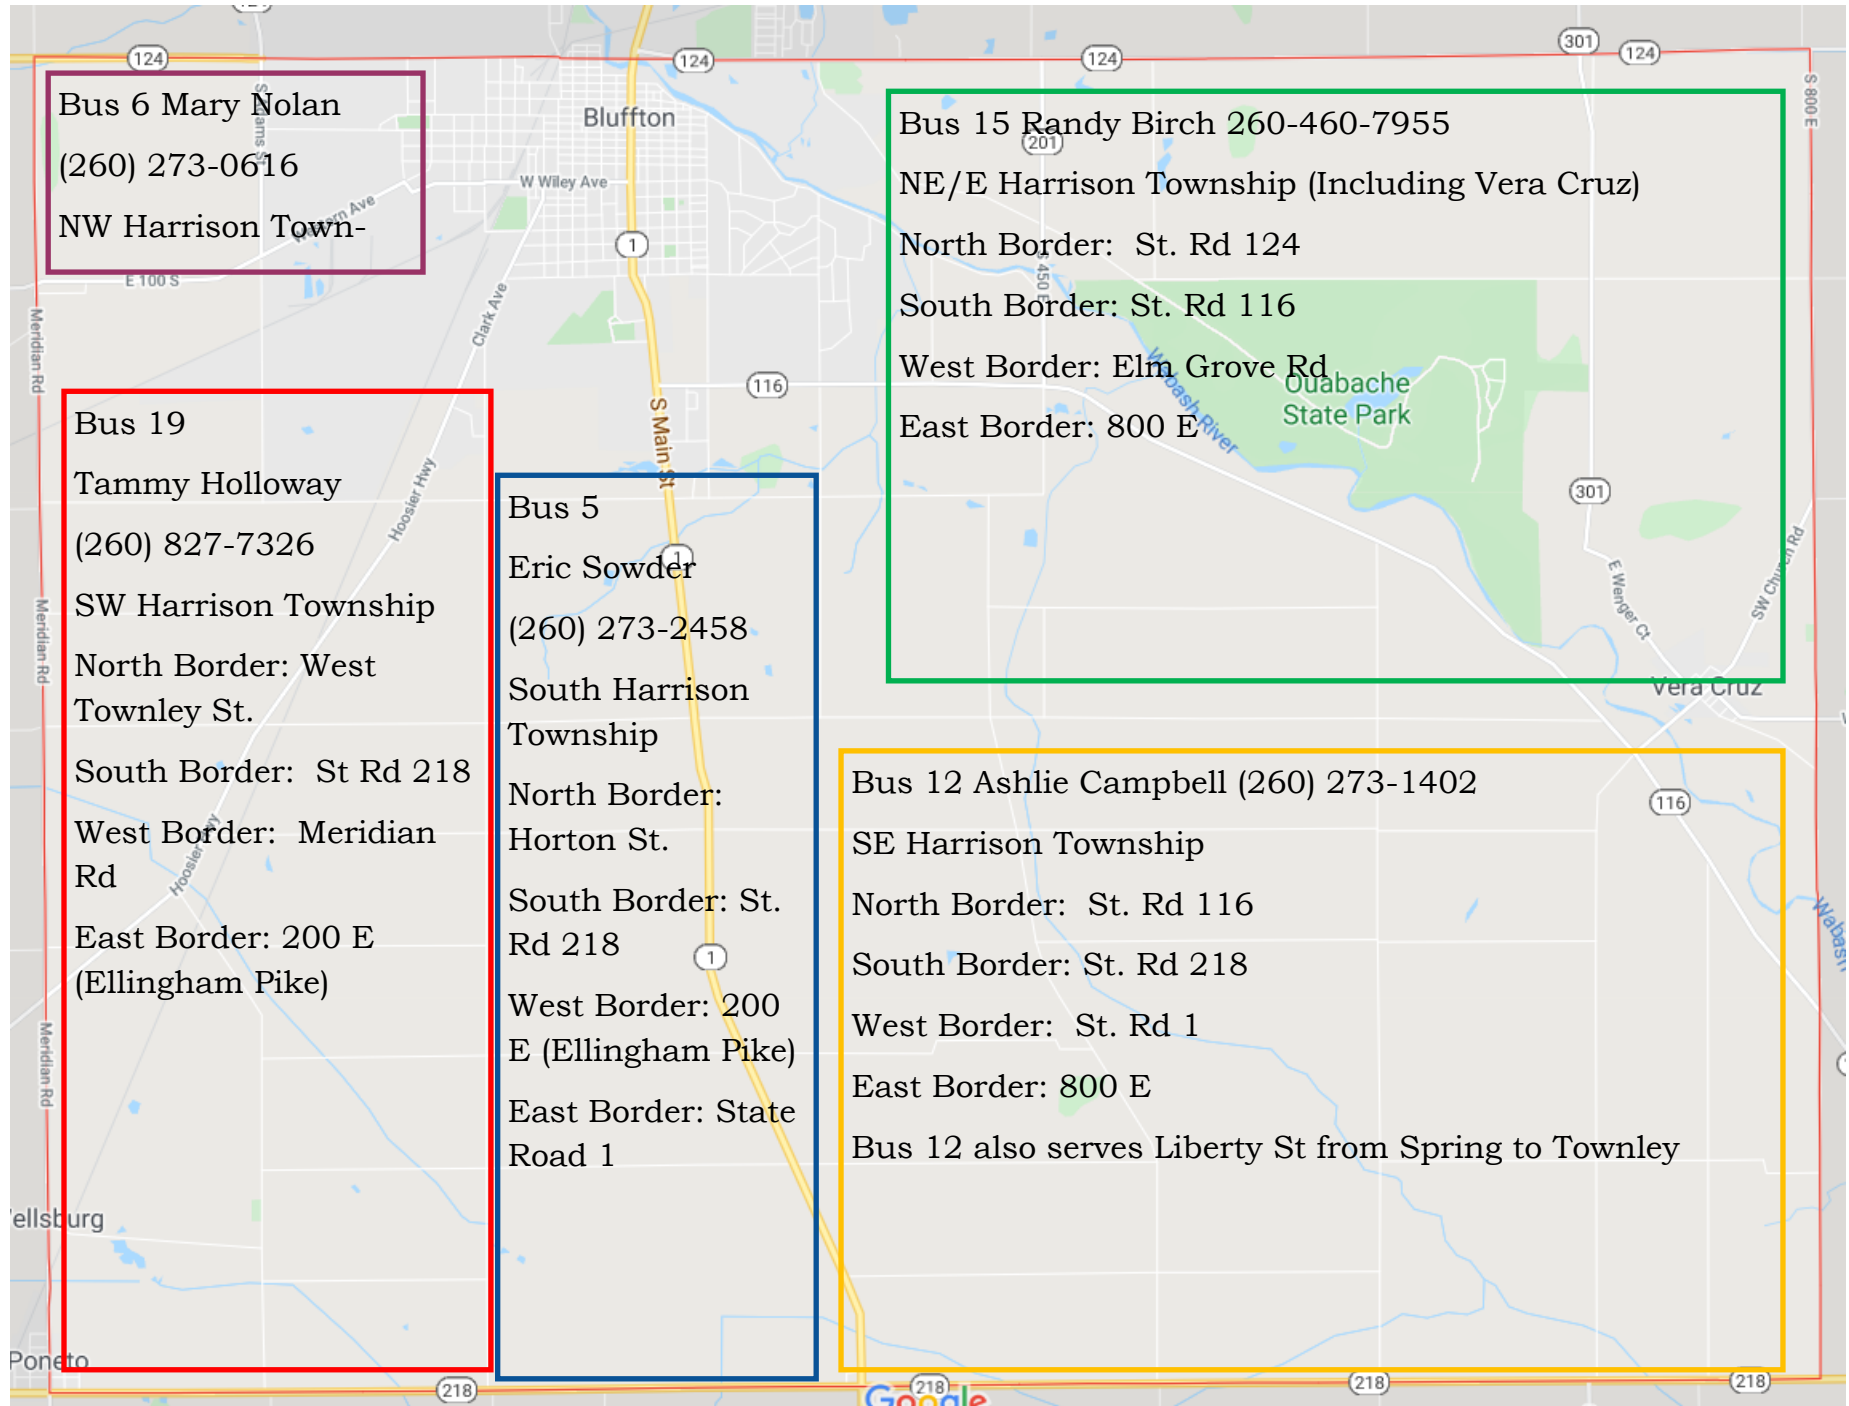

A reminder of bus transportation procedures: Students will have one bus that they ride to and from school. Parents will not be able to make changes during the school day from one bus to another. Any change that can happen would be only to go from being a bus rider to a car rider, walker, or to attend childcare.

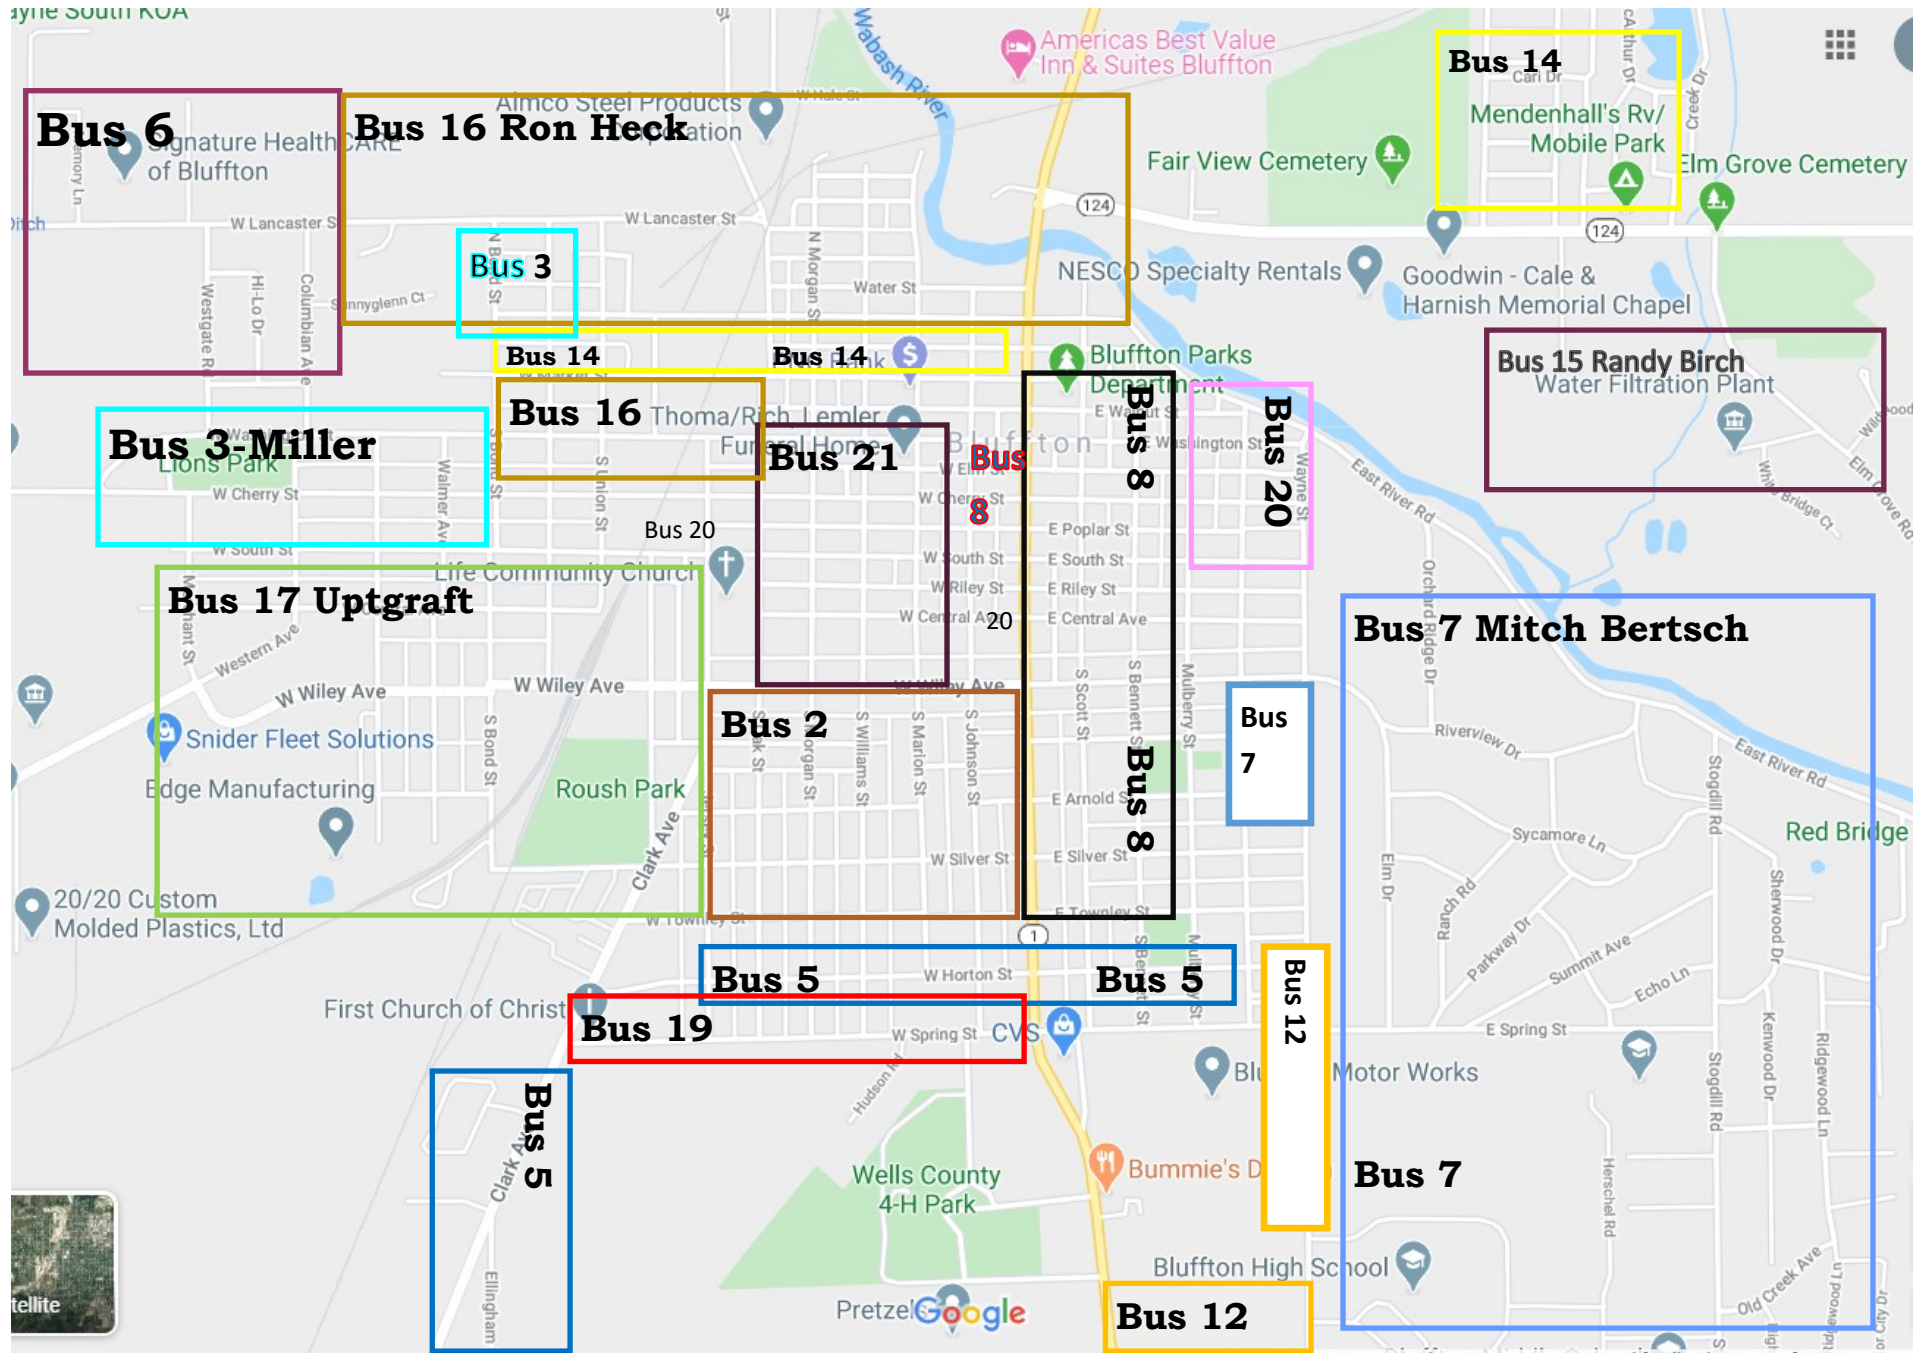

If a family should move or need to arrange transportation other than the bus they are assigned to on a permanent basis, please contact your building office for more information.

Students who attend the Boys and Girls Club after school will be able to take the alternate bus to the Boys and Girls Club site.

Alternatively, should a family need to arrange for more than one bus that is on a permanent schedule, the family can contact our Transportation Coordinator, Kassandra Osborn, at 260-353-1722 to make arrangements.
