

Hello Farmersville Falcon Families,

My name is Chris Sanchez and I am your proud principal at FJHS. I am going into my 5th year as FJHS principal. The FJHS team and I are grateful for the opportunity to serve the site, each other and your students. Our Falcon Staff desires to make your family's educational experience within these next two years; the best it possibly can be so that your child is ready for high school. We cannot do this without you. You are a huge part of the team. We look forward to seeing you at our Parent Orientation on August 4th , 2026, for more information.

Please also stay connected with our parent square messages and follow our Instagram [@falconshavepride](https://www.instagram.com/falconshavepride) page. We look forward to seeing you at our parent events, celebrations, and anytime you need to stop by.

Gratefully!

Thank you,

Chris Sanchez
