

Spanish 6K Scope & Sequence (2026–2027)

Course Description

The Spanish VI K Conversation class is designed to focus on interpersonal communication and to support students in becoming more comfortable with speaking Spanish. This conversation program will encourage students to engage in lively class discussions.

It offers abundant discussion starters; students' Spanish will improve as they put it to use expressing ideas and opinions that are important to them. The themes, readings, and exercises were specifically chosen to generate controversy and spark imagination.

Notes

* Includes time for Final Exams.

**The length of each unit is a specific number of days, but it is understood that there is a range of +/- a day. The purpose of the flexibility is to allow teachers the opportunity to plan for the needs of their students and to accommodate re-teaching or review when necessary. If pre-assessment indicates student mastery could be obtained in a shorter number of days, the additional time could be used for extension or carried into the next unit.
