August 2026

Dear Students and Parents/Guardians:

On behalf of the faculty, staff and administration, I wish to welcome new and returning students to Keefe Technical School. We hope the summer has been a time to relax and prepare for the upcoming school year.

Keefe Tech uses PowerSchool. Returning families will receive an email from PowerSchool to create an account. If you already have an account, you do not need to take any action. All new students and new families to Keefe Tech should have received a link to complete information and upload documents. We encourage all families to create a PowerSchool account – this is where schedules, student grades, teacher comments, and attendance information can be found. If you need assistance with PowerSchool, please email powerschool@jpkeefehs.org

Enclosed are several forms and letters for you to review. They are: 2026-2027 School Calendar; Bus Schedule for the 2026-2027 school year; and KT fall sports information.

** A copy of the Student Handbook will be distributed to students at the beginning of the school year.

All of the above items, as well as the Accident Insurance Protection for Students are available for review and download on our webpage. *Please visit www.keefetech.org to review and print the information. If you prefer a paper copy of all of the above forms, please call the Main Office at 508-416-2100 or stop in to pick up a packet.*

The first day of school is Monday, August 31, 2026. School will begin promptly at 7:30AM.

- Grade 9: Report to the Auditorium.
- Grades 10 & 12: Report to your vocational program.
- Grade 11: Report to your A Block class.
- *Students will be available to view their schedule in PowerSchool beginning on August 19th.

Grade 9 students should report to the auditorium on Thursday, August 27, at 7:45 a.m. for an orientation program for Grade 9 students only. Regular bus transportation will be provided for our Grade 9 Step-Up Day with dismissal at 11:15 a.m. Lunch will be provided for all students.

If you have any questions, please call the Principal's Office at 508·416-2253. We are anticipating a very successful school year and I look forward to seeing you soon.

Sincerely,

Shannon Snow
