Craig G. Yaniglos
Treasurer/CFO

Dear Parent/Guardian,

The Ohio Department of Health has immunization requirements affecting incoming **12th graders**. This letter is to inform you of the requirements in time to make appointments and obtain the documentation before the first day of the school year. Students entering 12th grade are required under Ohio Revised Code 3313.67 to receive their second Meningitis (MCV4) vaccination. If the first dose is given after the 16th birthday only one dose is required.

Your child may have already completed the Meningitis vaccination series. If you have any questions about what immunizations your child has already had, please contact your physician.

You can send the updated immunization record by email, upload it to [FinalForms](#) or send a hard copy. Proof of the immunization must be provided to BBHHS prior to the 14th day of school. There are some exemptions provided under the law.

If you have any questions you may contact either the HS clinic at (440) 740-4706 or Mrs. Kim DiRocco R.N., Health Care Coordinator at (440)740-4406 diroccok@bbhcsd.org

Respectfully,

Kim DiRocco R.N., Health Care Coordinator
Kevin Jakub, High School Principal
