

We are so excited about having our students and staff back in school. It's time to make some amazing memories while learning. I hope that the 2026-2027 school year is wonderful!

The Student Parent Handbook is found online at our website and our the parent portal. If you would like a hardcopy of the handbook please see the school secretary or come by Central Office.

Starting with the 2026-2027 school year there is a new State Law that requires principals to notify parents or legal guardians of students evacuated from a classroom due to the violent, aggressive or severely disruptive behavior of another student. This notification must occur no later than the end of the school day in which an evacuation occurred.

The Johnson County Health Department can print certified copies of birth certificates for those born in Tennessee. There is a fee for this service.
