

OUR SCHOOLS AT A *Glance*

■ OUR DISTRICT

The Green Bay Area Public School District was founded in 1856 with the opening of the Sale School. More than 150 years later, the District continues its rich tradition of excellence in educating students. With more than 17,900 students and 34 schools, the District offers students a wide array of educational options to meet their needs and interests, and prepare them for postsecondary education, the military, and/or a career.

12:00 - 3:30 p.m.

Full Day Classes:
8:15 a.m. - 3:30 p.m.

*Monday - Thursday for all classes

School Programs/Services:

Head Start supports the comprehensive development of children ages three and four by September 1 through early learning, health, and family well-being.

Our curriculum is the Creative Curriculum, a research based program that uses play as the vehicle for learning. This is aligned with the Wisconsin Model Early Learning Standards. Head Start utilizes the Pyramid Model as the framework of evidence-based practices for promoting young children's healthy social and emotional development.

- Students are provided breakfast (a.m. and full day), lunch (a.m., p.m. and full day), and snacks (p.m. and full day)
- Children receive health and development screenings and support to ensure that children are receiving the services they need
- Transportation: all students are offered busing door-to-door with five point safety belts and an adult bus aide on every bus
- Parent/family engagement is a significant part of the Head Start program, encouraging leadership and providing family educational opportunities
- Every family is provided a Family Advocate, who supports parents and families in achieving their goals while strengthening parent-child relationships and engaging families around children's learning and development
- All Head Start Program services are free to enrolled families
- Families must meet federal income requirements
- Limited full-day 4K option
- Early Childhood Collaborative Classes
- Family Resource Center on site

For enrollment questions, please call 920-448-2226.

Please visit gbaps.org/4KSites for 4K locations and times.

The District offers two different 4K models:

Model 1

The 4K program is offered in an elementary school

Model 3

The 4K program is offered in a community partner location and may have wrap-around daycare

Our 4K program provides an opportunity for children to socialize and be exposed to various pre-kindergarten activities in preparation for kindergarten. In order to enroll, students must be 4 years old by September 1. The 4K program is four days a week, Monday through Thursday, for a half a day. All school-based 4K programs offer breakfast for AM students and lunch for PM students. Snacks are provided at all non-school based sites. Transportation is provided for 4K students who live more than a 1/2 mile from the attendance area school.

Our preschool curriculum is the Creative Curriculum, which is a researched-based program that uses play as the vehicle for learning. The curriculum is closely aligned with the Wisconsin Model Early Learning Standards. In preschool we educate the whole child: cognitive, social, emotional, motor, and language development, in preparation for school success.

The Portrait of a graduate, which was created with input from staff, families and community members, is the District’s “north star” outlining the skills, traits, and characteristics students should obtain prior to graduation. The Board has approved a Strategic Plan and 5-year goals, which can be viewed at gbaps.org/strategicplan.

Graduate Profile

Academic Achievers
Perform at high levels in their studies and demonstrate a commitment to learning.

Communicators and Connectors
Effectively communicate and collaborate with others, showing teamwork and empathy.

Personal Architects
Take responsibility for their actions and choices, actively pursuing personal growth with a vision for their own success.

Leaders and Teammates
Exhibit the qualities to lead and inspire others, as well as work collaboratively.

Empowered Navigators
Develop and sharpen practical skills to journey through everyday life.

Strategic Priorities

Academic Excellence is the continuous pursuit of acquiring knowledge and skills, where students demonstrate intellectual growth and achieve their highest potential in their learning endeavors.

A Thriving Student Body is one in which all students are able to achieve academically, develop relationships with others and their community, and grow their sense of self.

A Thriving Workforce is one where all employees are authentically engaged, have the ability to grow professionally, are embraced for their unique talents and gifts, and are passionately committed to student success.

Family & Community Engagement requires intentional partnership among families, district staff, and community partners to advance children’s learning and development, from birth through school and beyond.

Edison Middle School

442 Alpine Drive | Green Bay, WI 54302
920-391-2450 | gbaps.org/edison

Start/End Times:

N.E.W. School of Innovation is a proficiency based school, where educators meet students where they are at to ensure they graduate prepared for their post secondary pathway.

- 6th-12th grades
- Free breakfast and lunch for all students
- Career and Technical Education Pathways in partnership with Northeast Wisconsin Technical College
- Cohorted Dual Credit NWTC Courses
- Work-Based Learning Program

Choose Green Bay Area Public Schools

Graduating with More than a High School Diploma

At Green Bay Area Public Schools, we are committed to ensuring students graduate with more than a high school diploma. Whether their postsecondary plans include entering the military, starting a career, or attending a college or university, we know that earning an industry certification, a credential, and/or college credit can significantly strengthen their future opportunities.

These additional achievements not only give students a head start on their career or education goals, they can also increase future earnings and reduce the cost of higher education.

#1 in the state for the number of students earning industry certifications*

\$4.6M+ in scholarships earned by the Class of 2026

51% of 2025 graduates earned at least five college credits

145+ graduates have earned the Wisconsin Seal of Biliteracy since 2023

*Source DPI

How to Find Your School

Have you moved to the area or will you be sending your child to school in the near future? You can find which schools are in your attendance area by using your phone's camera to scan the QR code.

FIND YOUR SCHOOL:

Interested in a School or Program That is Not in Your Attendance Area?

Intra-District Transfer

Parents may choose to send their student to a Green Bay Area Public School other than the one in their attendance area. Applications are usually accepted from the beginning of January through the end of April. There is a preference window, typically January, when intra-district transfer applications are considered prior to open enrollment applications. More information and application windows can be found at gbaps.org/intradistrict-transfer.

Not a Resident of the District but Would Like Your Child to Attend One of Our Schools?

Open Enrollment

The open enrollment program allows parents to apply for their children to attend a public school in a school district other than the one in which they reside. Any Wisconsin resident 4K to grade 12 may apply to attend a nonresident school district under the open enrollment program. The open enrollment application period usually runs from the beginning of February until the end of April. Learn more at dpi.wi.gov/open-enrollment.

Note:

- Special education services are offered in every District school; however, to best serve students with more significant needs, the District also has specialty focus programs. Focus programs may change location due to student need and space availability.
- All students have access to the Board adopted universal curriculum and resources. Bilingual students learn the universal curriculum in both Spanish and English.
- Information in the Schools at a Glance is subject to change.

It is the policy of the Green Bay Area Public Schools to be nondiscriminatory on the basis of sex; race; religion; national origin; ancestry; creed; pregnancy; marital or parental status; sexual orientation; or physical, mental, emotional, or learning disability in their education programs and activities and also employment practices. Direct inquiries to Equity Office, Green Bay Area Public Schools, 200 S. Broadway, Green Bay, WI 54303 or 920-448-2000.

We, the members of the Green Bay Area Public School District, recognize and honor the original inhabitants of Northeast Wisconsin. Our district lives, works and learns upon the ancestral homelands of the Menominee and Ho-Chunk Nations, and the current homeland of Oneida Nation. We acknowledge the 12 diverse and vibrant Wisconsin First Nations, who have persevered here since before recorded time, and continue to be integral parts of our community. We uphold our responsibility to repair relationships, initiate partnerships, and stand with all First Nations communities. (Adopted May 2022)
