Dear Ralston High School Students and Families,

It is with great enthusiasm and a deep sense of responsibility that I introduce myself as the new principal of Ralston High School. I am truly honored to join this vibrant community and look forward to partnering with each of you in support of our students' academic and personal growth.

High school is a critical time in every young person's life—a time of discovery, development, and opportunity. My goal is to ensure that every student at RHS feels supported, challenged, and inspired every day. Together with our dedicated teachers, staff, and leadership team, I am committed to fostering a safe, inclusive, and engaging learning environment where all students can thrive.

As we begin this new school year, I invite families to be active participants in the life of our school. Whether it's attending events, volunteering, or simply staying in touch, your involvement plays a vital role in our collective success. Open communication will be a top priority for me, and I welcome your ideas, questions, and feedback at any time.

To our students: I am excited to meet you, hear your stories, and cheer you on as you pursue your passions and goals. Know that you have a principal who believes in your potential and is here to support you every step of the way.

Let's make this year one of growth, connection, and achievement. I can't wait to see all that we will accomplish together.

Sincerely,

Mr. Cano

Ralston High School—Go! Fight! Win!

HISTORY OF RHS

High school in Ralston had its beginning in September of 1953, with an enrollment of 110 students in grades 9-12 and a faculty of nine members. Because the building was not yet completed, seven classes were held in the Maywood Elementary School until midway through the first year. Dedication of the former high school, located at 82nd and Lakeview, was held on February 28, 1954. At that time, only the first floor of the west wing and the gymnasium were completed. The former high school now serves as Ralston Middle School. In 1968 the high school moved to its present location at 90th & Park Drive. The first senior class of 1954 had a membership of 16. Current enrollment is approximately 1000. Renovation construction began in 2002 and finished in 2005. Construction is completed on the new baseball and softball complex, as well as building renovations! The new grandstand will be finished this fall completing the bond project work.

GRADING SYSTEM AND REPORTS

Ralston High School will operate an extended learning time schedule that consists of semesters.

A semester consists of one 18-week term. A class that meets every other day is worth 10 credits and will last for a full year. There will be 5 credits awarded for a passing grade at the end of each semester.

The following is an explanation of Ralston High School's grading system:

A - Superior	90 - 100%	D - Below Average	60 - 69%
B - Above Average	80 - 89%	F - Failure	59% and Below
C - Average	70 - 79%	Inc. - Work to be made up	

Incomplete work must be completed within one week of the end of the term unless an administrator approves an extension. No incomplete grades may be given at the end of the second semester

Running grades, progress reports and end-of-term/semester report cards are always available by accessing the **R-KIDS electronic gradebook at www2.esu3.org/dws/rhighschool**; therefore, mailings of these documents will no longer be automatically made. Parents/Guardians may call to request a printed report card at the end of a given semester. Parents/Guardians are urged to contact teachers whenever necessary. Mid-semester progress reports will be available at the door

during Parent-Teacher Conferences. Grades on end-of- semester report cards become part of the permanent record.

Transcripts

Official transcripts of student records will be sent to requested institutions electronically and are issued at the request of the student or student's parent/guardian. Requests take time to process, so please make your requests well ahead of any deadlines. Requests for transcripts are fulfilled using the digital credential service Parchment which can be accessed at www.parchment.com.

CLASS RANK for Class of 2027

Class Rank will be determined by the weighted Grade Point Average of students and will be utilized by RHS for the purpose of graduation recognition and honors. GPA's are placed in a high-to-low numerical order, resulting in a ranking of all students for that grade level. Mark Point Average (MPA) is a high-to-low listing of a student's weighted GPA multiplied by total mark points attempted. ACT Rank (ACRS: Academic Class Ranking System) is a high-to-low listing of a student's ACT score + unweighted GPA x 9 + (earned credits/semester). Weighted GPA Rank (SCRS: Scholastic Class Ranking System) is a listing of a student's weighted GPA in a high-to-low numerical order. Weighted GPA is computed by dividing a student's total mark points by the number of credits attempted.

Class RANK for Class of 2028 & beyond

Class Rank will be determined by the weighted Grade Point Average of students and will be utilized by RHS for the purpose of graduation recognition and honors. GPA's are placed in a high-to-low numerical order, resulting in a ranking of all students for that grade level. Mark Point Average (MPA) is a high-to-low listing of a student's weighted GPA multiplied by total mark points attempted.

ACADEMIC HONORS AND LETTERS

Physical awards that recognize academic achievement will be based on a student's current school year GPA for semesters 1 & 2. For students to be eligible for such recognition, they must have earned 60 credits in the current school year.

- | | |
|----------------------------------|-----------------------------------|
| • Merit Roll Certificate | Semester 1 & 2 GPA 3.00 - 3.49 |

ATTENDANCE EXPECTATIONS AND PROCEDURES**COMPULSORY / REQUIRED ATTENDANCE AND EXCESSIVE ABSENTEEISM / TRUANCY**

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy. (Board Policy 5001)

MANDATORY ATTENDANCE AGE

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

EXCEPTIONS

This policy does not apply when attendance is made impossible or impracticable by severe weather conditions or by the mental or physical illness of the student or a child whom the student is parenting.

PREGNANT AND PARENTING STUDENTS

The District will not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy. Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs. Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming in collaboration with the Title IX Coordinator.

EXCESSIVE ABSENTEEISM

When a student receives 5 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance. When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may/must file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer shall file a report with the appropriate county attorney.

ATTENDANCE CLASSIFICATIONS

Ralston High School recognizes the importance of consistent attendance in order for students to be successful. Ralston High School utilizes a block schedule and missing a day of school means that students lose approximately 1½ hours of instruction per class. In addition to the state requirements, when a student reaches ten (10) absences (excused or unexcused) an attendance letter will be mailed home to parents/guardians.

Those students who are hospitalized or who suffer from debilitating illness and are under a doctor's care and ordered not to attend school are required to provide the attendance secretary with written documentation from their healthcare provider to that effect.

Absences from class due to suspension are not considered part of the absence limitations. Students who are participating in or attending school-sponsored activities are considered present at school, and class absences incurred as a result of participation in or attendance at school activities do not count toward stated limits.

Activity/Athletic Absence

School sponsored activities are those where a student is on an official roster or participation list. Students engaged in school sponsored activities will not be counted absent at school. Completed permission forms must be turned into the sponsor one day prior to the activity.

Activity/Athletic Participation

Please refer to the Athletic/Activities section found later in the student handbook regarding participation in practices and/or performances when there is an absence during the day (see the Activity and Athletics sections starting on page 49).

Appointments During the School Day

Parents/Guardians must call the attendance line in advance if their student needs to leave during the school day for an appointment. Written notes will not be accepted. In order for the absence to be excused the student must provide medical documentation or other information to document the appointment. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100.

College Visits for Seniors

Seniors are urged to visit colleges during vacations or teacher instructional prep days. Parents/Guardians of seniors who wish to visit a college on days when school is in session must call in advance to inform the school in order to be excused. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Discontinuing Enrollment - 16 and 17 Year Old Students

Only children who are at least 16 years of age, meet one of the two qualifications, and meet with the superintendent or the superintendent's designee, may be disenrolled from the district. The qualifying events are illness or financial hardship. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

(https://www.education.ne.gov/?attachment_id=51524) ([Board Policy 5001](#))

LEAVING SCHOOL DURING THE DAY

Students are not allowed to leave the school building during the school day unless permission has been granted from an administrator or the school nurse. Students will not be allowed to leave the school premises without permission from the parents or guardian. This permission can be granted by a phone call to an administrator or the attendance secretary. Students who leave the building without permission and return to the building may be searched and other appropriate consequences assigned. Students who leave the school must enter back through the main office door unless they are supervised by a staff member.

Lunch Skips

A "lunch skip" is when a student who is not a senior with off-campus lunch privileges leaves the building without a parent or guardian physically coming into the attendance office and signing them out. Students who skip lunch may have consequences/interventions assigned such as car/bag searches, loss of privileges, detention(s), suspension, up to mandatory reassignment from Ralston High School.

Students who have permission to leave campus for lunch (seniors with open lunch or those with *pre-arranged* appointments/parent pick-up) are expected to be on time for class following the lunch period and enter in through the main office.

MAKE-UP WORK DUE TO ABSENCE

It is difficult to make up all work missed due to absence or suspension since student interaction, discussion, and laboratory experiments cannot be replicated. A student will be allowed to make up all possible classroom work when an absence occurs. Students may also make up any missed tests because of absences. **It is advisable for work to be completed prior to anticipated absences.** Under typical circumstances, the student should be allowed 2 days to make up work for each day of **excused** absence. Students who are absent due to a special request during the last 3 days of a term may not be allowed to make up final tests without **advanced** administrative approval.

Students will use their 1:1 device to email teachers about their absence and request make-up work.

PASSES

Passes are issued to students by staff at their discretion. In order to obtain a pass from a teacher, students must request a pass through the E-Hall pass system (either on their chromebook or a classroom-designated device). Passes are only for the intended destination (i.e. bathroom, nurse, counselor, office). Passes may be restricted based on misuse or repeated rule violations. Students found in the hallway without a valid pass from a staff member or in an unauthorized or unapproved area will be subject to disciplinary action as determined by the administration.

Prearranged / Extended Absences

Parents/Guardians must call the attendance office in advance of a planned extended absence from school, or as soon as possible in an emergency situation. Written notes will not be accepted. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Students who need to miss the last 3 days of any term need to have administrative pre-approval in order to make up any missed final exam.

State Meet and Tournament Absences

Students wishing to attend a state meet or tournament must have a parent/guardian call and give permission unless otherwise directed. Attendance will be coded as a "Family Reason". Students are expected to keep up with any class assignments missed and are responsible for making arrangements with their teachers in advance for collecting and completing homework for such absences. See "Make up work due to absence" for further information.

Unexcused Absences/Class Skip

6. The report is required or requested by law enforcement or the county attorney.

Emergency Exclusion (Board policy 6031)

Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

- (a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- (b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the

superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing. The notice shall include notice of a recommended hearing examiner and an alternate hearing examiner for consideration by the parent(s) or guardian(s) if a hearing is requested.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit a request for a hearing on the proposed extension of the exclusion within one school day of receiving the notice of the proposed extension.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. The parent(s) or guardian(s) shall notify the superintendent within one school day of receiving notice of the recommended extension and proposed hearing examiner and alternate hearing examiner if the alternate hearing examiner is preferred.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within ten school days after the initial date of exclusion; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the Superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify. The school district shall make available to testify at the hearing any employee who is a witness to the matter upon request from the parent(s) or guardian(s).

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

DISCIPLINE FOR OFF-CAMPUS BEHAVIOR

Students may be subject to discipline for conduct that does not occur on school grounds, at a school-sponsored activity or athletic event, or in a school vehicle if such conduct causes a substantial or significant disruption to the educational process. Such discipline may include, but is not necessarily limited to: counseling of students; parent conferences; rearrangement of schedules; requirements that a student remain in school after regular hours to do additional work; restriction of extracurricular activity; requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation; in-school suspension; short-term suspension; emergency exclusion if the student's conduct presents a clear threat to the physical safety of themselves or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education; and/or any other consequence determined appropriate by the administration and allowed by law. The failure to serve or comply with the disciplinary consequences as directed will serve as grounds for further discipline, up to and including expulsion from school.

DANCES

All students at Ralston High School are encouraged to attend dances held by our school. Students in good academic and behavior standing must complete the Dance Eligibility Form. In order to maintain a safe environment for all attendees, students and their guests may be subject to drug/alcohol screening checks and/or security wands prior to entry. Students who have been suspended or have been mandatorily reassigned will be ineligible to attend dances or social functions held within the suspension/reassignment time, and may be excluded from all dances held that year. Additionally, at the administrator's discretion, students who have repeated disciplinary/attendance/tardy infractions may be ineligible to attend. Students who are academically at risk in the weeks leading up to a dance may be ineligible to attend. **All students and guests must present identification prior to admittance to any dance sponsored by Ralston High School.**

Outside Dates:

1. All outside dates must be registered a minimum of 3 school days prior to the dance.
2. Anyone not registered the night of the dance will not be allowed entry.

4. If the outside date is removed from the dance, the RHS student who brought him/her will also be removed.
5. All dance attendees will follow all school rules, regardless of age.

6. Dates must be a current high school student, or a recent graduate under the age of 21.

Dress Code:

1. If a supervisor deems clothing inappropriate, the student will need to change, add clothing to what they are wearing, or be removed from the dance.

1. If dancing is inappropriate, the student(s) involved will be asked to leave without additional warning or refund
2. All students need to make ride arrangements to be picked up at the conclusion of the dance. Any student on school grounds 30 minutes following a dance may be prohibited from attending the next school dance.

DRESS CODE (Policy 5031)

General Regulations. The District prohibits student attire or appearance that:

- Causes or is likely to cause a material and substantial disruption to the District's programs and activities.
- Promotes, depicts, or refers to violence, drugs, alcohol, vulgarity, obscenity, illegal activity, hate speech, bullying speech, or harassing speech.

The District reserves the right to request immediate attire changes from students. The District will require students to adhere to uniform standards and/or wear district approved or issued uniforms in order to participate in activities.

Altering a student's appearance or removing or altering a student's attire without consent from their parent/guardian/caregiver is not allowed. Additionally, students' hair should not be permanently or temporarily altered by school personnel.

Cultural and Religious Attire. Students are allowed to wear religious attire, adornments, and other attire associated with race, national origin or religion, or tribal regalia. Additionally, students are permitted to wear natural and protective hairstyles, including but are not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, or head wraps.

Any person who is a member of an indigenous tribe of the United States or another country may wear tribal regalia in any public or private location where the person is otherwise authorized to be on school grounds or at any school function.

Health and Safety Considerations. Students may be required to wear protective clothing or equipment or otherwise modify their attire or secure their hair to ensure the safety of themselves and others. In such cases, a good faith effort to reasonably accommodate students will be made to ensure safety without compromising religious beliefs, grooming practices, or requiring students

to permanently alter their appearance. The least restrictive means appropriate to address the identified health or safety concern shall be used.

Health and Safety Accommodation Process. If a health and safety standard accommodation is necessary, the District will:

1. Engage in a good-faith effort to reasonably accommodate the student and
2. Notify the student's parent or guardian of such an attempt to accommodate the student's appearance or any attire, tribal regalia, hairstyles, adornment, or other characteristic associated with race, national origin, or religion

Each record must include: the student's name; federally identified demographic characteristics; date of the occurrence; the health and safety standard relating to the accommodation; the nature of the accommodation requested; staff involved; communication with parents/guardians/caregivers, and; the outcome of the effort.

Enforcement. Violations of this policy shall be addressed in a manner consistent with the board's policies regarding student discipline.

DRESS CODE RHS SPECIFIC

School is a place for serious work and study and a student's dress should contribute to that environment. The responsibility for adherence to the dress and grooming of a student rests primarily with the student and their parents or guardians.

Allowable Dress & Grooming

Violation of any of the following expectations may result in disciplinary action.

- Students must wear clothing including both a shirt with pants or skirt, and shoes.

- Upper body articles should cover the body from both shoulders to the waist. Shirt straps must be approximately one inch or wider.

Cell Phone and Other Electronic Devices (Policy 6025)

Students are prohibited from using cellular phones or other electronic devices while at school, except as provided in this policy or as deemed appropriate by a student's education team.

Students at Ralston High may use cell phones or other electronic devices; responsibly and respectfully and comply with all other school rules while using the device on school sidewalks and in the common areas of the school before and after school, during passing periods, and during lunch so long as they do not create a distraction or a disruption and comply with all other policies and handbook provisions.

By bringing their cell phones and other electronic communication devices to school, students consent to the search of said devices by school staff when permitted by law.

Students may not have cell phones or electronic devices on while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (including things like texting, sexting, e-mailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle, or at a school activity will be subject to the disciplinary procedures of the student code of conduct.

While on school property, at a school activity, or in a school vehicle, students may not use their cell phones or electronic devices to bully, harass, or intimidate any other person as governed by the student code of conduct.

Students shall be personally and solely responsible for the security of their cell phones and pagers. The district is not responsible for theft, loss or damage of a cell phone or any calls made on a cell phone.

Students may use cell phones or other technology in classrooms only with the express permission of the classroom teacher.

Students are strictly prohibited from sending, sharing, viewing, or possessing pictures, text messages, emails or other material of a sexual nature in electronic or any other form on a computer, cell phone, or other electronic device while at school. Students who possess prohibited material on their cell phone or other electronic device while at school shall be subject to disciplinary consequences as articulated by the student handbook.

Students who violate this policy or other school rules may have their cell phones or electronic devices confiscated. The administration will return confiscated devices to the offending student, after discussing the rule violation with the student. Students who violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including suspension.

ELECTRONIC DEVICES, RHS SPECIFIC

Our primary concern is the academic success of students since the misuse of electronic devices can interfere with student learning. We also understand the need for parents/guardians to occasionally contact their student; however, it is best to call the office and a note will be sent to the student. **Students are not allowed to check their device or respond to parent contacts during class time, without permission. Students are not allowed to have headphones in their ears during class time, as it distracts from learning and teaching (except when used for**

testing or when directed by a teacher). Students will be required to keep all non-school issued electronic devices turned off and in backpacks, or turned into the phone lockbox in the classroom upon arriving. Students may not keep phones on their desks, in their pockets, or on their laps. Phones can be used inappropriately as tools for cheating, and this ensures all students have a fair and equitable experience. The following rules will govern the use of electronic devices at the high school:

1. Students must follow the school electronic policy as stated above. Staff may confiscate electronic devices and or headphones if students fail to comply with those expectations. Students who refuse to turn their electronic devices over to the teacher will be sent to the administrator's office and a parent will be contacted and may result in disciplinary action.
2. Electronic devices may be used before and after school, during lunch, and during passing periods.
3. Electronic devices may NOT be used in the theater, when guest speakers are presenting, during school assemblies or other times as announced.
4. Students must discontinue use of any electronic device when so instructed by any staff member at any time during the school day;
5. Electronic devices that are confiscated by office staff will be returned to the student at the end of the school day.
6. The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct. Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution and possible inclusion on sex offender registries.

Student 1:1 Chromebook. Please refer to the Ralston Public Schools Chromebook Usage Handbook. The complete Ralston Public Schools Chromebook usage handbook can be found on page 87. Personal laptops or tablets are not permitted during the school day as all students have been provided with a school-issued device. Damage as a result of gross negligence or purposeful damage will not be covered under the RPS Chromebook Coverage Program.

EXPECTATIONS OF COMPLIANCE

It is the expectation that all students follow the explicit directives of the school staff. Any student who willfully disregards directives is subject to disciplinary action.

It is also the expectation that students will engage respectfully and answer direct questions from staff members. Students who fail to properly identify themselves to staff members when asked are demonstrating noncompliance.

Students who ignore directives or are non-compliant will be subject to consequences up to and including mandatory reassignment from Ralston High School.

FIGHTING

Fighting (verbal or physical) or instigating a fight will not be tolerated. Being involved in a fight may result in consequences up to and including reassignment/expulsion and legal authorities being involved.

Any student who records and/or distributes videos of fights shall be subjected to additional discipline, up to and including suspension.

FIRE AND DISASTER DRILLS

We at Ralston High School take the safety and security of our students and staff very seriously. As a result, we have instituted a safety plan that we feel will be very beneficial in the event that an emergency situation would occur at any of our schools. Included below, you will find a web link for the safety system referred to as the Standard Response Protocol or SRP. The SRP system has been incorporated into several school districts in the Omaha Metro area.

At RHS we will practice evacuation drills, sheltering in place drills, and lockdown/lockout drills over the course of the school year. We provide this information to you so you have knowledge of our plan and have an idea of how our school will respond in the case of an emergency.

Reunification Plan for Ralston High School

In the event of an emergency that would require the evacuation, RHS students and staff would report to the reunification sites listed below. If an emergency were to occur we would attempt to communicate with our parents/guardians through the use of our mass call/email/text program to provide updates along with instructions on how best to help us navigate the emergency. We will need to account for each student during the time of reunification, please prepare yourself mentally that there will be a check-out procedure for each student that we will run as efficiently as possible. While we hope that we will never have to use this reunification plan, we feel that preparation is the key to best managing an emergency event.

Ralston High School - Liberty First Credit Union Arena at 7300 Q Street.

FIREWORKS, SMOKE BOMBS, ETC.

The school will have a zero-tolerance level for any fireworks, smoke bombs, or any other such disruptive products. Any such offense may result in consequences including, but not limited to suspension and/or recommendation for reassignment/expulsion, and law enforcement being involved.

FOOD AND BEVERAGE

Food and drink may not be taken out of the cafeteria unless you are a senior with off campus privileges. Pre-packaged food and bottled water may be allowed in non-carpeted classrooms at the teacher's discretion.

To maintain the cleanliness and longevity of our carpeted classrooms, and to prevent potential pest issues and allergic reactions, no food or drinks are permitted in these areas. Water in closed, spill-proof containers is the only exception.

Students are responsible for disposal and clean-up associated with food/drink.

Deliveries of food from local establishments to students during the school day are not allowed.

FUNDRAISING ACTIVITIES/CANDY SALES

No fundraising activities will be sponsored without the Athletic/Activity Director's consent.

HALL REGULATIONS

Students will be allowed in the halls only during passing periods or with a pass.

COMPLAINT PROCEDURE

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if the complainant reasonably believes speaking directly to the person would subject the complainant or the complainant's student to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.
 - a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b. Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
 - c. Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d. Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted at any time during the complaint procedure to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to

follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

- a. Determine whether the complainant has discussed the matter with the respondent.
 - i. If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.
 - ii. If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
 - b. Strongly encourage the complainant to reduce his or her concerns to writing.
 - c. Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:
 - i. All relevant details of the complaint;
 - ii. All witnesses and documents which the complainant believes support the complaint;
 - iii. The action or solution which the complainant seeks.
 - d. Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.
4. If either the complainant or the respondent is not satisfied with the decision he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply:
- a. The appeal must be in writing.
 - b. This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.
 - c. For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.
 - d. The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:
 - a. When the complaint is about a board policy, not implementation of the policy
 - b. When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
 - c. When the board is required by law, policy, or contract to hear a complaint or appeal.

If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.

- d. This appeal must be in writing.
 - e. This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.
 - f. This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.
 - g. The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.
 - h. There is no appeal from any decision of the board unless authorized by law.
6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:
 - a. Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the

superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.

- b. Determine whether the complainant has discussed the matter with the superintendent.
 - i. If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
 - ii. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
- c. Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
- d. Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.
- e. Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided to a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints...

- a. without a good faith intention to attempt to resolve the issues raised;
- b. for the purpose of adding administrative burden;
- c. at a volume unreasonable to expect satisfactory resolution; or
- d. for purposes inconsistent with the efficient operations of the district

may be dismissed by the superintendent without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

HARASSMENT

The school will have a zero-tolerance level for any harassment toward any student or adult. Harassment consists of verbal or physical behaviors related to a person's gender, race or sexual orientation which creates an intimidating, hostile, or offensive environment. Conduct, such as intimidation, hostility, rudeness, or name-calling can be abusive and, therefore, harassment. (Reference. Title VII, Sec. 703 Civil Rights Act of 1964 - revised Civil Rights Act of 1991)

Consequences for harassment may result in consequences up to and including reassignment/expulsion and legal authorities being involved.

BULLYING (Policy 5054)

Definition of Bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district's day-to-day operations, or the education process, regardless of where the student is at the time of engaging in bullying behavior, may be subject to discipline to the extent permitted by law.

Sexual Discrimination and Sexual Harassment of Students (Title IX)

I. Sex Discrimination

- A. The district prohibits discrimination on the basis of sex in any educational program or activity except when it is necessary to accomplish a specific purpose that does not impinge upon essential equality or fairness in the treatment of students or employees. Employees are required to comply with this policy as well as with Title IX of the Education Amendments of 1972 and the regulations of the U.S. Department of Education as applicable to this district.
 - B. Any individual who believes they are being discriminated against on the basis of race, color, national origin, sex (including pregnancy), gender identity, gender expression, sexual orientation, religion, marital status, disability, age or any other classification protected by applicable local, state, or federal laws may seek relief by filing a complaint pursuant to the board's complaint policy or contacting the district's Title IX coordinator.
- II. Sexual Harassment
- A. Students should be provided with an environment that is free from unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct constituting sexual harassment. The board of education unequivocally prohibits sexual harassment of its students, even when the affected student does not complain to the faculty or the administration.
 - B. Sexual harassment is a form of misconduct that wrongfully deprives students of their dignity and the opportunity to study and be in an environment free from unwelcome sexual overtones. Sexual harassment includes all unwelcome sexual advances, requests for sexual favors and other such verbal or physical misconduct. Sexual harassment means:
 - C. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical misconduct of a sexual nature constitutes sexual harassment when such conduct has the purpose or effect of unreasonably interfering with an individual's educational opportunities or creates an intimidating, hostile or offensive learning environment.
 - D. A student who feels they have been sexually harassed should directly inform the offending student that the conduct or communication is offensive and must stop. If the student does not wish to communicate directly with the offending student, or if direct communication has been ineffective, the student should report the conduct or communication to the Title IX coordinator or to a teacher, principal or counselor with whom they feel comfortable.
 - E. Retaliation against students who make good faith reports of sexual harassment is prohibited.
- III. Disciplinary Decisions
- A. A decision to take disciplinary action under this policy may be based on the statements of a complaining student, statements, observations of educators, or any other credible evidence.
 - B. All complaints against staff members will follow the investigation, decision, and appeal process established in the district's complaint policy.
 - C. Any student who sexually harasses another student will be subject to discipline up to and including expulsion, depending on the severity of the misconduct, as established in the district's student discipline policy.

HEALTH SERVICES AND REGULATIONS

MEDICAL

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

- Tell the teacher and obtain a pass to the Health Office.

- **When it becomes inadvisable for the student to remain in school due to illness or injury, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student.** If a parent/guardian can not be reached, the emergency number that has been furnished to the school will be used. The person picking up the student must do so **within one hour of being contacted.**
- If parent/guardian/emergency contact can not be reached and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents'/guardians' expense, and the student will be transported to the nearest hospital.
- Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents/guardians.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT**. Affidavits for religious or medical reasons are available in the school office and must be completed annually.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chickenpox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chickenpox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (402-444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

MEDICATION

Administering Medication to Students

Whenever possible, parents/guardians should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
- b. Parents/guardians must sign an Authorization for Medication form provided by the school. An updated form must be completed if any changes are made to medication in name, dose, or frequency.
- c. The medication must be brought to school by a responsible adult in the original prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

2. Nonprescription/over-the-counter (OTC) medication.

- a. Parents/guardians must sign an Authorization for Medication form provided by the school.
- b. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.
- c. The container must be labeled with the child's name and with directions for provision or administration of the medication.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication leftover, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary, in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is an objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Please provide updated information to the School Nurse if there are any changes to a student's health status.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. Students must stay home the entire next day before returning. For example, if a student is sent home with a fever on Monday, they must stay home all of Tuesday and are able to return Wednesday if they have been fever-free for 24 hours without the use of fever-reducing medication.

Vomiting

Children will be sent home if they vomit due to illness. Students must stay home the entire next day before returning. For example, if a student is sent home on Monday, they must stay home all of Tuesday and are able to return Wednesday.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents/guardians should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)

Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from the physician or phone call from the doctor's

office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

HOMEROOM

Each student will be assigned to a Homeroom led by a certified teacher. All students are expected to report to Homeroom. The homeroom groups will meet regularly once a week for activities that include, but are not limited to: character development and career planning curriculum, team-building activities, announcements and voting (class officers, dance royalty, etc.). Attendance is required for homeroom as it would be for any other scheduled class and consequences assigned accordingly for tardies and/or failure to attend.

IDENTIFICATION CARDS

All Ralston High School students will be issued a digital ID Card (students who do not have a cell phone can be issued a physical card). The unaltered ID card will be used for student identification, activity card status, lunchroom account use, library use, and other general purposes at school and school events. These pictured cards will be issued at no cost. All ID Cards are the property of RHS and are kept by the student until the end of the school year.

All students must have the ID Card in their immediate possession when they are in school or at school events. Students must present their ID when requested to do so by a staff member. Students without an unaltered ID Card or students refusing to show an ID Card to a staff member may be referred to the office for administrative disciplinary action.

Students may be asked to show their ID at the security camera when requesting access to secured doors during the school day. Students may be asked to show their ID for entrance to games and activities.

Lost physical ID cards should be reported to the main office and a replacement will be issued for a charge of \$5.00.

3. Students may use the Internet to conduct research for school-related activities.

4. Students may use the Internet for appropriate educational purposes.
- B. **Unacceptable Use**

Student Use of AI Tools (Policy 6038)

As used in this policy, artificial intelligence tools ("AI Tools") mean machine-based resources that use computer science, algorithms, large language models, and/or machine learning to perform tasks, answer questions, collect information, and respond to human-directed tasks, queries, and objectives. AI Tools include, but are not necessarily limited to, commercially available resources like ChatGPT, Gemini, Claude and similar programs.

Student use of AI Tools should focus on using such tools as a resource and for background material, rather than using the AI Tools to complete the assignment. Therefore, AI Tools may only be used by students in accordance with the following requirements:

1. Students may not use AI tools on any assignment, test, or project unless the staff member has given permission for the student to do so. Staff Member permission to use an AI tool on one assignment does not carry over to other assignments. Individual staff members

will decide for each individual assignment the extent to which students may use AI Tools for such assignments.

2. If a student uses any AI Tools in connection with a school assignment, the student must comply with the following:
 - a. Give proper attribution to the specific AI Tool(s) used to the same extent that students are expected to give proper attribution to other sources of information such as books, texts, encyclopedias, secondary sources, and other traditional media. Such attribution may include, but is not necessarily limited to, accurate quotations, citations, footnotes, endnotes, and/or bibliography entries.
 - b. Never copy and paste the output from the AI Tool into the student's work as if the student wrote such section himself or herself.
3. Students may never use AI Tools to:
 - a. Cheat on any assignment, test, or quiz;
 - b. Help answer questions on a test or quiz without staff member permission;
 - c. Make or share deepfakes or fake images, audio, or video of any real person;
 - d. Make or share sexual, nude, or intimate images of any real person—even if the image is fake or AI-made;
 - e. Bully, harass, threaten, intimidate or impersonate any person;
 - f. Place another student or staff member name, photo, voice, or personal information into an AI Tool;
 - g. Use AI Tools to bypass accommodations, content filters, or school security.
 - h. Participate in any activities that are illegal or are in violation of Policy 5037 Student Internet and Computer Access
4. A student may use AI Tools as an accommodation if his/her IEP team or Section 504 committee has approved use of the tool. The student must disclose the use of AI Tools to the staff member grading the assignment.
5. A student's failure to meet the requirements stated in this policy will constitute a violation of the district's prohibitions against cheating plagiarism and/or academic dishonesty, including but not necessarily limited to such prohibitions stated in the Student Handbook, which violation will subject the student to discipline up to and including expulsion.
6. The student requirements stated above are the minimum requirements for any student assignment. An individual teacher may impose more stringent requirements for any specific academic assignment or coursework.

II. Enforcement

A. Methods of Enforcement

1. The district monitors all Internet communications, Internet usage and patterns of Internet usage. Students have no right of privacy to any Internet communications or other electronic files. The computer system is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time.
2. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.

3. Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for student research. The system administrator may override the technology protection measure for the student to access a site with legitimate educational value that is wrongly blocked.
4. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

1. Access to the school's computer system and to the Internet is a privilege, not a right. Any violation of school policy and rules may result in:
 - a. Loss of computer privileges;
 - b. Short-term suspension;
 - c. Long-term suspension or expulsion in accordance with the Nebraska Student Discipline Act; and
 - d. Other disciplines as school administration and the school board deem appropriate.
2. Students who use school computer systems without permission and for non-school purposes may be guilty of a criminal violation and will be prosecuted.

III. Children's Online Privacy Protection Act (COPPA)

- A. The school will not allow companies to collect personal information from children under 13 for commercial purposes. The school will make reasonable efforts to disable advertising in educational computer applications.
- B. This policy allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for education purposes.

POLICY 3059: AUDIO & VIDEO RECORDING

Students and their parents or guardians should assume that any class in which students are enrolled may be recorded by the school district or other students for legitimate educational purposes. Recordings permitted pursuant to this policy may only be used by students for personal academic purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may record meetings with administrators or staff,

including meetings related to a student's IEP or 504 plan, if prior notice is given to school administration. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Staff members who violate this provision may be subject to consequences up to termination for classified staff and cancellation of contract for certificated staff.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g., AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

LOCKERS

At the beginning of the school year, students may request a locker from the main office. Students may **NOT** switch lockers with another student without permission from the office. Sharing of lockers is not allowed. All lockers are the property of the school and are available to students for their use. As school property, lockers are subject to inspection/search at any time by school officials. Students should not expect privacy regarding any item placed in a locker. Students are responsible for whatever is contained in their lockers.

Students should not give locker combinations to anyone, and should not keep valuable items in a school locker. The school cannot assume any liability for loss or theft of a student's money or valuables.

Locker Room Supervision (Policy 4062)

Staff members, coaches, sponsors, and students must comply with the requirements of this policy while using locker rooms at the school district or at other locations.

Staff members, coaches, and sponsors must appropriately supervise students in locker rooms and other locations where students dress, change, or engage in similar activities. This supervision must occur at all times during curricular and extracurricular activities and includes, but is not limited to, the following:

- Entering and walking through the entire locker room at regular and irregular intervals to provide direct supervision and to assess student behavior.
- Maintaining an orderly locker room free from "horseplay" and other prohibited conduct.
- Maintaining a visual presence.
- Adequately addressing any misbehaviors.
- Escorting students to and from the locker room and the activity or instructional area.

- Unlocking the locker room so that students may enter, and locking the locker room after all students have exited the locker room.
- Searching the locker room to determine that all students have exited the locker room before locking it.
- The locker room must be locked at all times when unsupervised.

Only students whose team or activity is currently playing or are in-season or who are involved in a school-sponsored activity that requires or allows presence in the locker room are allowed access to the locker room before or after the regular school day.

Students are not allowed to enter or reenter the locker room without appropriate supervision.

If the staff member, coach, or sponsor is the opposite sex of the students, he or she may designate another adult of the same sex as the students to provide the required locker room supervision. This delegation does not remove ultimate responsibility from the staff member, coach, or sponsor who is subject to the obligations under this policy to ensure that such obligations are met. By allowing their students to participate in an activity with a cross-gender coach, parents/guardians consent to the entry of the staff member or his or her designee into the locker room at any time as necessary to maintain student safety and order.

Staff members, coaches, and sponsors must remain with students until they are picked up by the parent, guardian, or other authorized person or the student leaves in his or her own transportation. Students must never be left unattended after a game, practice, or other school-sponsored activity.

Cell phones and other devices with visual or auditory recording capability may not be used in the locker room at any time or for any reason.

Under no circumstance may a staff member, coach, or sponsor delegate any responsibility under this policy to a student or other minor.

School administrators or their designees may make random checks to assess policy compliance.

LUNCH

Each Ralston High student will be provided with a 30-minute period for lunch. Students must report to and remain in one of the designated lunch areas. Students must request a pass to leave an area once they have reported to that location. No food from outside establishments is permitted in the building.

Students are expected to behave with respect, responsibility and safety in mind during the lunch period. This includes picking up their table/space. Students who leave trays/food/trash behind or otherwise cause disruption in the cafeteria will be subject to disciplinary action, up to and including mandatory reassignment from Ralston High School.

Students must have their ID Card with available funds in the account to purchase lunch, or pay with cash. Households are expected to maintain a positive school meals account. All meals are charged to each student's meal account and must be paid for. Any student with a negative meal account will not be allowed to purchase ala carte food items, such as additional entrees, bottled water, etc.

PLAGIARISM & ACADEMIC DISHONESTY

Plagiarism is a form of copying another's work and using it as one's own. Plagiarism shall be considered an academic offense in any Ralston High School class. Any student found guilty of plagiarism shall be penalized. Penalties may include a failing grade for the assignment and other appropriate consequences.

Examples of plagiarism & Academic Dishonesty

- Copying and pasting a passage of text unchanged from an internet or online resource without citing the source.
- Copying slides from another student's Presentation and including them in your project.
- Copying pictures from Google Images and inserting those into your paper or project without citing the source (photographer's credit or location where the picture was found).
- Copying word-for-word from a printed resource (encyclopedia, magazine, etc.) and claiming it as your own.
- Copying an idea or format for a story or poem and claiming it as your own.
- Submitting work that was created through artificial intelligence.
- Allowing a student to copy your work or submit your work as their own.
- Cheating on a test, quiz or assignment.
- Additional instances as determined by the teacher or administrator.

POSSESSION OR USE OF TOBACCO PRODUCTS

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time (Policy 3016).

Any student caught in violation of this policy may be assigned consequences up to and including mandatory reassignment from Ralston High School. Additional disciplinary action may be invoked for students involved in extracurricular activities or athletics (refer to the activities/athletic portion of the handbook).

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS ([Policy 5035](#))

When a student is found using, possessing or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-alikes either at school or at school related functions, whether they take place during the school day or at sporting events, dances, plays, intramurals, or retreats held outside the school day, on or off campus, the following disciplinary actions may be taken and law enforcement notified.

1. **Sanctions on School Grounds or at School Events**
 - a. **First Offense**. Suspension from school for 5-19 days. Parents/Guardians, at their own expense, may choose to enroll their student in a District approved drug/alcohol education program. Legal authorities will be contacted. (79-293 Reissue 1996)
 - b. **Second Offense**. Mandatory reassignment/expulsion. Legal authorities shall be contacted. (79-267(6), 293 Reissue 1996).

POSTERS & SIGNS

A sponsor and an administrator must approve all posters and signs before they can be displayed or distributed. Display areas are provided. ONLY painter's tape may be used to hang posters in the building.

R-KIDS

RKIDS is the school management portal for student information. Parents/Guardians will be provided a username and password for their student's RKids account. Parents/Guardians are encouraged to monitor their student's progress. Parents/Guardians may contact the main office to set up an RKIDS account to access students' grades, assignments, and attendance.

RESTROOM EXPECTATIONS

Stalls are for single use only and may not be occupied by more than one person at a time. Multiple students found in a single stall is grounds for search and disciplinary action. In order to ensure safety and proper use of the restrooms, there is a maximum of 6 people in a restroom, with the understanding that others need to use the facility, which should not be used for eating, drinking, or socializing. Food and drink are NOT permitted in the bathroom. Cell phone usage is not permitted in the restroom.

SCHEDULE CHANGE AND WITHDRAWAL FROM CLASS

Due to the time spent with the Individual Learning Plans and the focus spent on planning for a career, along with the commitments to hiring and resources being based on students' course requests, there are only a few ways a schedule will be changed: if there is an irresolvable conflict caused by the master schedule; if there was an "F" in the specific curriculum area on the previous report card; if a student picks up an approved class from Metro, UNO, or an internship; if the student is scheduled into a course for which credit was previously earned; if a course has been scheduled out of sequence (ex. French 2 before French 1); if a Senior is missing a class required for graduation. These changes *should* be made in advance of the start of the semester, but must otherwise be made within the first TWO DAYS of the semester .

Students' schedules will not be changed to secure a late start/early release or to leave early for work; to request a specific teacher; drop a semester/year long course prior to completion; to request a specific lunch period; to match a friend's schedule; drop a course that was requested to improve GPA and/or take a different course to raise GPA; drop a course to sign up for an online class instead; or drop a course that was requested because the student no longer "needs" the credit or has "lost interest" (students are encouraged to take a full load of classes to earn more than the minimum 240 credits required for graduation). Any requests for such schedule changes need to be directed to the counseling department prior to August 1.

After the second day of class, consideration will be given only to students who are academically misplaced. In rare circumstances during a semester, a parent may wish to withdraw their student from a class against the educational recommendations of the high school counseling staff and administration. These students will be dropped with a "WF" (withdrawal fail) for the semester that counts against the student's grade point average.

SEARCHES

School representatives may search students, lockers, personal belongings, and vehicles that students drive to school when there is reasonable cause. This includes but is not limited to, clothes, book bags, purses, books, and gym bags. A metal-detecting wand may also be implemented.

SECURITY AND SAFETY

The Ralston High School administration and staff take building security very seriously. To ensure that our building is as safe as possible, the following behaviors and actions will not be tolerated:

- Propping open external doors
- Letting people into the building by opening a door - all students who arrive after the start of the school day, as well as all visitors to the building, are expected to enter through the front security entrance. Any student who lets another person (whether it be a student or visitor) into the building by bypassing this system is in direct violation and will face disciplinary action
- Using non-approved exits from the building for open campus privileges
- Concealing or restricting one's appearance with hoods, non-medical face coverings, etc
- Students who are in unsupervised areas that are not intended to be occupied
- Other behaviors or actions that could potentially compromise the integrity of the building's safety

Violations could result in consequences up to and including mandatory reassignment from Ralston High School.

Skateboards are not permitted in the building. Students who bring skateboards to school will be required to check them into the office or store them in their locker immediately upon arrival. Skateboards are not allowed to be ridden outside on the sidewalk or in the parking lot.

Bicycles are to be left outside and locked up. It is the student's responsibility to provide a lock and to lock the bike up.

Heelys or other wheeled shoes are not permitted.

TELEPHONES

There is a dedicated phone for student use in the counseling office.

These reports shall be made available to all patrons of the district.

Copies of the most recent standardized and criterion-referenced tests used in the district will be available for parental/guardian review. Requests should be made to the building principal. In the case of secure tests, such as the ACT, parents/guardians must contact the publisher.

1. Parents/guardians may obtain individual test results of their child by contacting the teacher or building principal.

2. Building principals will excuse a student from specific tests through a written request by the student's parents/guardians when they object on political, moral, or religious grounds.

Parents may opt their student(s) out of mandated assessments. To opt out of a state mandated assessment a parent/guardian must provide a written notification to the school principal prior to the beginning of the assessment window.

TRANSFER OR WITHDRAWAL FROM SCHOOL

If a student moves to another city, transfers to another school, or withdraws, they must obtain a withdrawal slip from the office. All textbooks and other materials belonging to the school must be checked in and fees paid before the student is released. School files or records concerning a student will be provided at no charge, upon request of the principal, to any public or private school to which the student transfers.

VENDING MACHINES

Vending machines are placed in the building for students' convenience. **Ralston High School is not responsible** in any way for the machines' malfunctions. Vending machines are available before 7:50 and after 3:15 each day.

This time is designated for intervention and extension for student learning. Students who are identified by their teachers/staff needing academic or social emotional intervention will be assigned to those sections. Students who are not assigned for intervention will be able to select sessions, extensions or study halls. Students must attend WIN time.

ACTIVITIES AND ATHLETICS

Extracurricular Activity Philosophy

Extracurricular activity programs enrich the curriculum of the school by making available a wide variety of activities in which a student can participate. Extracurricular activity programs are considered an integral part of the school's program of education that provide experiences that will help students physically, mentally and emotionally.

The element of competition and winning, though it exists, is controlled to the point it does not determine the nature or success of the program. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good sportsmanship prevail at all times to enhance the educational values of contests. Participation in activities, both as a competitor and as a student spectator, is an integral part of the students' educational experiences. Such participation is a privilege that carries with it responsibilities to the school, team, student body, community and the students themselves. In their play and their conduct, students are representing all of these groups. Such experiences contribute to the knowledge, skill and emotional patterns that they possess, thereby making them better individuals and citizens. Students who participate in extracurricular activities are subject to the rules, regulations, and

stipulations in the entire student handbook. Students who violate the student handbook and/or the law of the state of Nebraska are subject to consequences up to and including not being allowed to participate in extracurricular activities.

ACTIVITY TICKETS

Any Ralston Student can purchase an activity ticket that will allow admission into all home athletic events with the exception of conference and/or district tournaments. All students who participate in extracurricular activities must purchase a Student Activity Ticket. These cards are not transferable and refunds will not be made. Students abusing the use of these cards may lose their privileges. Lost cards should be reported to the office and a new one will be issued for a charge of \$5.00. The cost of a card is \$50.00 per year. The \$50 activity fee can be waived for students who are on the free and/or reduced lunch program. Students who wish to waive this fee must have the proper paperwork on file in the Principal's office for each school year.

ATHLETIC PARTICIPATION

Any student going out for athletics at Ralston High School will check out through the Athletic/Activities Director's office. In order to participate in athletics, the athlete must have on file in the Athletic/Activities Director's office, the following:

1. Completed Physical Form*

All athletes must have all equipment from other sports turned in before participating in the next sport.

STUDENT ELIGIBILITY

Ralston High School adheres to the policies of the Nebraska State Activities Association (NSAA) in relation to student eligibility for NSAA sanctioned sports and activities. Those requirements are listed below with references to where the requirement can be found in the NSAA activity by laws.

In order to represent a Nebraska High School in interscholastic activities competition, a student must abide by the eligibility rules of the Nebraska School Activities Association. A summary of the major rules is given below. Contact the principal or activities director for an explanation of the complete rule.

2.2.1 Student must be a bonafide student of their member school and have not graduated from any high school.

2.2.2 After a student's initial enrollment in grade nine, they shall be ineligible after eight semesters of school membership beginning with their enrollment in grade nine.

2.3 Student is ineligible if nineteen years of age before August 1 of the current school year. (Students in grades 7 or 8 may participate on a high school team if they were 15 years of age prior to August 1 of the current school year.)

2.4.1 Student must be enrolled in some high school on or before the eleventh school day of the current semester. 2.5.1 Student must be continually enrolled in at least twenty credit hours per semester and regular in attendance, in accordance with the school's attendance policy at the school they wish to represent in interscholastic competition.

2.5.2 Student must have been enrolled and received twenty hours of credit in school the immediate preceding semester.

2.6.2.1 Guardianship does not fulfill the definition of a legal parent. If a guardian has been appointed for a student, the student is eligible in the school district where their legal parent(s) have their domicile. Individual situations involving guardianship may be submitted to the Executive Director for review and a ruling.

2.6.3 A student entering grade nine for the first time after being promoted from grade eight of a two-year junior high, or a three-year middle school, or entering a high school for the first time after being promoted to grade ten from a three-year junior high school is eligible. After a student makes an initial choice of high schools, any subsequent transfer, unless there has been a change of domicile by their parents, shall render the student ineligible for ninety school days. If a student has participated on a high school team at any level as a seventh, eighth, or ninth grade student, they have established their eligibility at the high school where they participated. If the student elects to attend another high school upon entering ninth or tenth grade, they shall be ineligible for ninety school days. Student eligibility related to domicile can be attained in the following manners:

2.6.9.1 If the change in domicile by the parents occurs during a school year, the student may remain at the school they are attending and be eligible until the end of the school year or transfer to a high school located in the school district where the parents established their domicile and be eligible.

2.6.9.2 If the domicile is changed during the summer months and the student is in grade twelve and the student has attended the high school for two or more years, the student may remain at the high school they have been attending and retain eligibility.

2.6.9.3 If a student elects to remain at the high school where they initially enrolled after being promoted from grade eight of a middle or junior high school, or grade nine of a junior high school, they are eligible at that school, or are eligible at a high school located within the school district in which the parents established their domicile.

2.6.10 If the legal parents of a student change their domicile from one school district that has a high school to another school district that has a high school, the student shall be eligible immediately in the school district where the parents established their domicile.

2.7.7 Nebraska transfer students whose name appears on the NSAA transfer list prior to May 1 shall be eligible immediately in the fall. Those students whose name does NOT appear on the NSAA transfer list prior to May 1 shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines.

2.7.7.1 - The NSAA member school into which the student transfers MUST notify the NSAA of the transfer by entering the student's name in the NSAA online database no later than May 1. Once the NSAA has been notified, the student could complete that year of eligibility in the school the student was leaving. The student would, however, become ineligible for ninety (90) school days the next fall if the student were to change his/her mind and decided not to transfer.

3.5 / 3.1 Once the season of a sport begins, a student shall participate in practices and compete only in athletic contests/meets in that sport, which are scheduled by their school. Any other competition

will render the student ineligible for a portion of, or all of, the season in the sport. The season of a sport begins with the first date of practice as permitted by NSAA rules.

*3.5.1 During the season of a particular sport, athletes participating in that sport for a high school may attend, but may not physically take part, either as an individual or as a member of a team, in the sport activity in which instruction is being offered in the clinic, camp or school. *(Refer to 3.5.1.1 for exceptions in Swimming & Diving.)*

3.6 A student shall not participate on an all-star team while a high school undergraduate.

3.7 A student must maintain their amateur status.

Further explanation of NSAA eligibility rules can be found at nsaahome.org. Ralston High School may enforce further eligibility requirements, but cannot remove any NSAA requirements. Parents/guardians and students can also contact the AD office at Ralston High School for clarification of any NSAA by-laws.

RISK OF INJURY WARNING

The purpose of this WARNING is to bring to your attention the existence of potential dangers associated with athletic and activity participation. Participation in any sport and/or activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains, and muscle strains to more serious injuries to the body, bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck, and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis, or death. Even with the best coaching, the use of the best protective equipment and the strict observance of guidelines, injuries are still a possibility.

It is understood that if an Inhaler/EpiPen needs to be accessible, it will be the student's responsibility to provide a separate Inhaler/EpiPen which will be kept with the coach's first aid supplies or training staff until the end of that sports season.

Academics and Activities

Students who are involved in NSAA sports and/or activities are subject to academic participation rules. In addition to requirements by the NSAA, Ralston High School has established the following academic and behavior requirements for students involved in NSAA sports and activities (Other clubs and activities may also adopt these rules for participation).

Grade reports are received weekly by the AD office. Students who are currently in an NSAA sport or activity will be notified that they are failing one class.

Students who are failing any two classes will be notified that they are on academic probation.

Students who are failing any two classes for two consecutive weeks will be notified that they are ineligible to participate in any contests or events until the student is passing at least one of those classes. Once the student is not failing more than one class the student is immediately eligible. The failing classes do not have to be the same classes. For example, if a student is failing math and science one week, and then government and science the next week, they still fall under the rule for failing two classes for two consecutive weeks.

Students who are failing three or more classes at the time of any grade report will be notified that they are ineligible the following week unless they are passing those classes, or on a teacher and AD approved plan.

Coaches will be aware of student attendance. Students who skip (absent unexcused) a class or classes cannot practice or participate in any event that same day. Students who have excessive unexcused absences or tardies are subject to team discipline by the coach/sponsor and may also be subject to discipline from the AD office that includes but is not limited to attending the

activities study hall, being held out of practice(s), and/or not being allowed to participate in games or events.

All students who participate in activities and or sports are subject to the student handbook. Any office referrals or other disciplinary action during the school day can also affect a student's status with the team or activity that the student participates in.

Students who are declared ineligible for academic or attendance reasons will be notified as will their parent or guardian.

CODE OF CONDUCT

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the school district which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school.

Extracurricular activities include but are not limited to: all sports, cheerleading, dance team, vocal music, band, speech, drama, FCCLA, FFA, Spanish Club, Art Club, Student Council, National Honor Society, DECA, HOSA, Green Club, Math Club, French Club, ACADEC, class officers, FCA, Color Guard, Thespians, ESports and other school sponsored organizations and activities. The Code of Conduct also applies to participation in school sponsored activities such as school dances and royalty for such activities.

A participant means a student who participates in, has participated in, or will participate in an extracurricular activity.

When: The Code of Conduct rules apply to conduct which occurs at any time during the school year, and also includes the time frame which begins with the official starting day of the fall sport season established by the NSAA and extends to the last day of the spring sport season established by the NSAA, whether or not the student is a participant in an activity at the time of such conduct.

The rules also apply when a student is participating or scheduled to participate in an extracurricular activity that is held outside the school year or the NSAA season. For example, if a DECA or FCCLA student plans to participate in a conference in July and commits a Code of Conduct infraction in June, the student may be suspended from participating in the conference. Conduct during the summer months may also affect a student's participation under the team selection and playing time guidelines.

Where: The Code of Conduct rules apply regardless of whether the conduct occurs on or off school grounds. If the conduct occurs on school grounds, at a school function or event, or in a school vehicle, the student may also be subject to further discipline under the general student code of conduct. A student who is suspended or expelled from school shall not be permitted to participate in activities during the period of the suspension or expulsion, and may also receive an extended activity suspension. Students who are under an expulsion that continues into the next school year will not be allowed to participate in summer workouts and/or other activities connected to the school during the summer months.

Grounds for Extracurricular Activity Discipline. Students who participate in extracurricular activities are expected to demonstrate cooperation, patience, pride, character, self respect, self-discipline, teamwork, sportsmanship, and respect for authority. The following conduct rules have been established to be reasonably necessary to aid students, further school purposes, and prevent interference with the educational process. Such conduct constitutes grounds for suspension from participation in extracurricular activities and grounds for other restrictions or disciplinary measures related to extracurricular activity participation:

1. Willfully disobeying any reasonable written or oral request of a school staff member, or the voicing of disrespect to those in authority.
2. Use of violence, force, coercion, threat, intimidation, harassment or similar conduct in a manner that constitutes a substantial interference with school or extracurricular activity purposes or making any communication that a reasonable person would interpret as a serious expression of an intent to harm or cause injury to another.
3. Willfully causing or attempting to cause substantial damage to property, stealing or attempting to steal property, repeated damage or theft involving property or setting or attempting to set a fire of any magnitude.
4. Causing or attempting to cause personal injury to any person, including a school employee, school volunteer, or student. Personal injury caused by accident, self-defense, or other action undertaken on the reasonable belief that it was necessary to protect another person shall not constitute a violation.
5. Threatening or intimidating any student for the purpose of, or with the intent of, obtaining money or anything of value from a student or making a threat which causes or may be expected to cause a disruption to school operations.
6. Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon or that has the appearance of a weapon, or bringing or possessing any explosive device, including fireworks, on school grounds or at a school function or event, or in a manner that is unlawful or contrary to school activity rules.
7. Selling, using, possessing or dispensing alcohol, tobacco, narcotics, drugs, a controlled substance, or an inhalant; being under the influence of any of the above; possession of drug paraphernalia, or the selling, using, possessing, or dispensing of an imitation controlled substance as defined in section 28-401 of the Nebraska statutes, or material represented to be alcohol, narcotics, drugs, a controlled substance or inhalant. Use of a controlled substance in the manner prescribed for the student by the student's physician is not a violation. (Note: Refer to "Drug and Alcohol Violations" for further information).
8. Public indecency.
9. Sexual assault or attempting to sexually assault any person. Engaging in sexual conduct, even if consensual, on school grounds or at a school function or event.
10. Engaging in bullying, which includes any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or a school employee's designee, or at school-sponsored activities or school-sponsored athletic events;
11. Engaging in any activity forbidden by law which constitutes a danger to other students, interferes with school purposes or an extracurricular activity, or reflects a lack of high ideals.
12. Repeated violation of any of the school rules.
13. Truancy or failure to attend assigned classes or assigned activities; or tardiness to school, assigned classes or assigned activities.
14. The use of language, written or oral, or conduct, including gestures, which is profane or abusive to a school employee, school volunteer, or student. Profane or abusive language

or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon race, gender, national origin, or religion.

15. Dressing or grooming in a manner which is dangerous to the student's health and safety or a danger to the health and safety of others or repeated violations of dress and grooming standards; dressing, grooming, or engaging in speech that is lewd or indecent, vulgar or plainly offensive; dressing, grooming, or engaging in speech that school officials reasonably conclude will materially and substantially disrupt the work and discipline of the school or of an extracurricular activity; dressing, grooming, or engaging in speech that a reasonable observer would interpret as advocating illegal drug use.
16. Willfully violating the behavioral expectations for those students riding Ralston Public School buses or vehicles used for activity purposes.
17. Failure to report for the activity at the beginning of the season. Reporting for one activity may count as reporting on time if there is a change in activity within the season approved by the coach or the supervisor.
18. Failure to participate in regularly scheduled classes on the day of an extracurricular activity or event.
19. Failure to attend scheduled practices and meetings. If circumstances arise to prevent the participant's attendance, the validity of the reason will be determined by the coach or sponsor. Every reasonable effort should be made to notify the coach or sponsor prior to any missed practice or meeting.
20. All other reasonable rules or regulations adopted by the coach or sponsor of an extracurricular activity shall be followed, provided that participants shall be advised by the coach or sponsor of such rules and regulations by written handouts or posting on bulletin boards prior to the violation of the rule or regulation.
21. Failure to comply with any rule established by the Nebraska School Activities Association, including, but not limited to, the rules relating to eligibility.

All terms used in the Code of Conduct have a less strict meaning than under criminal law and are subject to reasonable interpretation by school officials.

REGULAR SCHOOL ATTENDANCE

Students who participate in clubs, activities, and athletics are expected to have a good attendance record at school. Unexcused absences from school and classes, and/or excessive tardies, and/or lunch skips may lead to consequences in relation to participation in extracurricular activities. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and possible removal from the team or activity. The previous list is not all-inclusive and is in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director in consultation with the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students are expected to attend practices, meetings, events, and other activities related to their particular extracurricular activity. Each coach and sponsor will have attendance policies and participants are subject to those policies.

ABSENCE AND ACTIVITY PARTICIPATION

Students may not participate in a school activity or practice unless they have been in attendance for periods 3, 4, and 5 unless excused in advance for that school day by a parent and/or approved by an administrator. Any student unexcused for any part of the school day who is also a member of an extracurricular activity, club, or team will not be allowed to participate in the activity, club, or team performance or practice with their team that day without approval from an administrator.

ACTIVITIES THAT HAVE CONFLICT

If a student is involved in 2 different school activities and if each activity has an event scheduled for the same time, then the student must choose the event in which to participate. This decision should be made after the student has consulted parents/guardians and the sponsors involved.

If one of the events is a conference, state or district event, the student may be expected to participate in the state or district event.

BEHAVIOR IN SCHOOL

Students who participate in clubs, activities, and athletics, are expected to behave in school. Any student suspended from school is prohibited from participating in or attending any extracurricular activity or practice until the suspension is over. The student is also subject to additional consequences in relation to extracurricular activities. The participant may also be subject to consequences from the coach or sponsor per their expectations. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation for a specific period, removal from the team or activity, and/or suspension from attending or participating in extracurricular activities for up to one year. The previous list is not all-inclusive and is in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director, in consultation with the high school administration and the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students who participate in extracurricular activities are subject to the stipulations in the entire student handbook when participating in or attending any school event.

BEHAVIOR AT EXTRACURRICULAR EVENTS

Student participants in extracurricular activities are expected to follow the ideals of being respectful, being responsible, and being safe at all home and away events. Students and/or participants are expected to display good sportsmanship and respect opponents, officials, fans, and all participants. Students are subject to stipulations in the entire student handbook while participating or attending school events at home or away. Violation of any part of the student handbook may result in school consequences determined by the administration and/or consequences related to activities.

DRESS FOR EVENTS

Student participants in extracurricular activities are expected to dress appropriately when traveling to and from away events. In addition to being subject to the student dress code in the student handbook, participants are subject to the dress and grooming expectations of the head coach or sponsor. The same stipulations apply to home events.

TEAM PICTURES

Team and individual pictures are taken by a professional photographer and students, parents, and/or guardians can make the appropriate arrangements for purchase (generally an order form

is given to the students). The photo sessions are scheduled between the coach or sponsor and the photographer. Students not in attendance the day of the scheduled photo shoot will not appear in the pictures.

SOCIAL MEDIA

Ralston High School recognizes the importance and power of social media. There are many ways social media can enhance the experience of participants in extracurricular activities. Ralston High School encourages the positive use of social media to promote students and activities.

The misuse of social media by students who participate in extracurricular activities is subject to consequences. Examples of misuse of social media include but are not limited to the following list.

1. Making profane or disparaging remarks about another student or students, a staff member, a sponsor or coach, or someone in the community.
2. Bullying another student or students, a staff member, a sponsor or coach, or someone in the community.
3. Use of language that is profane, sexist, racist, or otherwise disparaging to a certain group of people.
4. Sending out inappropriate pictures.
5. Use of social media for purposes that are in violation of the law.
6. Any other use of social media that a reasonable person could consider harmful to someone or to a group of people.

If it is brought to the attention of the AD office that there has been misuse of social media by a participant in extracurricular activities, an investigation will ensue and decisions will be made regarding consequences in consultation with the head coach or sponsor and the high school administrative team. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and removal from the team or activity. The previous list is not all-inclusive and is in addition to the policies of the coach or sponsor. A parent or guardian will be informed of any decision affecting a student's participation in extracurricular activities.

TOBACCO, VAPING (Policy 3016)

Per school board policy, Ralston High School is a smoke free campus. The use or possession of tobacco or vaping products by any student on campus or at any school event home or away is prohibited. The offending participant will visit with an administrator for school consequences. The student will not be able to participate in any practices or contests during any suspension, and cannot practice, attend, or participate in any event the day of the possession or use. Any student who receives consequences for vaping, tobacco use or having materials associated with vaping and/or tobacco at school or at a school event will not be allowed to practice or participate in any activities during the time period of school consequences and will be suspended for one contest and/or event in each activity the student is currently participating in. Any event missed during the school consequences will count toward the 1 event suspension. If a student is not currently in any activity the consequence will take place during the students next activity. Once the suspension is announced, the student cannot join an activity in order to fulfill the requirements of the suspension. If there are not enough competitions or events left for a student to fulfill the suspension requirement then the suspension carries over to the next season and/or activity. If a student is vaping and it is found that the vaping included the use of drugs the student is subject to the school and activity drug and alcohol procedures.

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS

Student participants in extracurricular activities are subject to the student handbook and to the tobacco, drug, and alcohol policy contained therein. Students who participate in extracurricular activities are also subject to the athletic and activities portion of the handbook.

Any student who is participating in or plans to participate in any extracurricular activity - and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-a-likes either at school or at school sponsored functions, whether they take place during the school day or outside the school day, on or off campus is subject to the following consequences:

Suspension from attending and participating in any RHS activity sanctioned by the NSAA, or school district for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;

- During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;
- If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;
- If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates.
- The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;
- The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.
- Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions.
- If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the suspension even if the initial 14 days suspension has expired. Events do not include regular meetings.
- Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Any student who participates in any extracurricular activities-and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-alikes off school grounds and not at a school sponsored event at any time of the year is subject to the following consequences:

Suspension from attending and participating in any RHS activity sanctioned by the NSAA for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the

season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;

During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;

If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;

If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates.

The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;

The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.

Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions. If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the suspension after the 14 days are over. Events do not include regular meetings. Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Once a student has satisfied the terms of the activity suspension from NSAA sanctioned activities, from non NSAA sanctioned activities or both, the student can resume participation. If a student is not in any activity at the time of the suspension it carries over to the next activity or activities the student participates in. A student cannot join any activity once the suspension is given as a means to satisfy the suspension.

*Self-report requires that the student report the violation within 24 hours to the student's coach/sponsor or to an administrator. If there is no school within 24 hours of the violation but there is a practice or a competition the student must report the violation to the coach/sponsor or to an administrator on duty. If there is no school, practice, or competition within 24 hours of the violation the student must self-report at the next reasonable opportunity. All students are expected to be honest and forthright with school officials. In making a self-report, the student must identify the events that took place, location of the event, what conduct the student participated in and will be required to put this information in a written statement. In the event the student has received a criminal citation, charge, or ticket, and proclaims innocence of a violation, the student will be required to self-report such offense and provide information as to why they should be found innocent, not as it relates to the criminal offense, but as it relates to the Code of Conduct.

**The student must participate in the treatment program if recommended by the evaluation. If the student does not complete any recommended treatment program the consequence reverts to the 30% of the season or competitions length of suspension.

Procedures for Extracurricular Discipline

The following procedures are established for suspensions from participation in extracurricular activities:

1. **Investigation:** The school official(s) considering the suspension will conduct a reasonable investigation of the facts and circumstances.
2. **Meeting:** Prior to commencement of the suspension, the school official considering the suspension or their designee will provide the student an opportunity to give the student's side of the story. The meeting for this purpose may be held in person or via a telephone conference or by zoom. The student will be given oral or written notice of what the student is accused of having done, an explanation of the evidence the school has and the opportunity to explain the student's version. Detail is not required where the activity participant has made a self-report or otherwise admits the conduct. Names of informants may be kept confidential where determined to be appropriate. The suspension may be imposed prior to the meeting if the meeting cannot reasonably be held before the suspension is to begin. In that case the meeting will occur as soon as reasonably practical. The student is responsible for cooperating in the scheduling of the meeting.
3. **Notice Letter:** Within five school days or such additional time as is reasonably necessary following the suspension, the Athletic Director or the Athletic Director's designee will send a written statement to the student and the student's parent/guardian. The statement will describe the student's conduct violation and the discipline imposed.
4. The student and parent or guardian may follow the due process procedures.

In regard to activities that include practices for competitions, the student will be allowed to practice but must meet all attendance requirements expected of every participant. Students may not attend practice during any suspension from school.

SUBSEQUENT OFFENSES

A second offense of the drug and alcohol portion of the student handbook as it related to activities will result in a one year suspension from attending and participating in activities. A third offense and the student is suspended from attending and participating in activities until the end of the student's high school career.

DUE PROCESS

Students who participate in extracurricular activities and have their participation curtailed for violation of the code of conduct, attendance, behavior, breaking the drug and/or alcohol policy, or for any other reason have due process rights. Students who are suspended from extracurricular activities will have the reasons explained to them and their parents/guardian will be contacted with an explanation. Students held out of activities for academic reasons will have their parent/guardian contacted by their coach or sponsor or the AD. Due process for activities will consist of the following process:

1. An appeal is made to the high school Principal. The Principal will inform the student and parent or guardian of the decision within 3 school days of the appeal.
2. An appeal is made to the district Superintendent. The Superintendent informs the student and parent or guardian of the decision within 3 school days of the appeal.

All appeals must be in writing and within five days after the notice of consequences to the student and parent or guardian and within 5 days of subsequent decisions by school administrators.

FACILITY USAGE / ATHLETIC LOCKERS

Students may use the physical education/athletic areas after school only if a sponsor is present. Priority for facility usage will be given to organized extracurricular activities and/or classes at Ralston High School. Use of facilities should be arranged in advance through the activities director's office. No student is to be in the physical education areas or using school facilities without supervision.

Students who participate in sports will be checked out a locker and will be provided a lock. It is the athlete's responsibility to take care of the lock and locker. All clothing and equipment should be removed by the participant after each season. The Ralston School District is not responsible for lost or stolen articles or articles left in lockers after the season or school year is over. Students may not switch locks or lockers once they have been checked out without permission. Students are not to share lockers. Vandalizing or damaging school property will result in school consequences as well as consequences related to activities.

TEAM SELECTION

Head coaches and sponsors will make decisions regarding which students will be selected to participate in any given activity. The coach or sponsor will also make decisions as to what level each student will participate (freshman, reserve, junior varsity and varsity). If a coach or sponsor determines that a cut will be made, they will announce the process in advance of any tryouts. Any student who is cut from any activity will have the opportunity for an evaluation if requested. The head coach or sponsor will determine the evaluation process. Students not selected for an activity or sport will be given the opportunity to try out for another sport that season if so desired.

PLAYING TIME

The amount of playing time and/or participation in an activity is determined by the coaching staff or sponsor of that activity. Playing time and participation is determined by a number of factors and is up to the discretion of the head coach or sponsor and assistants.

EQUIPMENT AND UNIFORMS

Any equipment supplied by the school district to participants in any extracurricular activities must be returned at the end of season. Students will be issued appropriate fines for any school property not returned. Students can also be fined for the damage or loss of any equipment and/or uniforms put in their charge. All fines must be paid or equipment (including uniforms) returned before a student is allowed to participate in any other activity or, in the case of a senior, before receiving a diploma. Participants are expected to take proper care of any equipment or uniform supplied by the district.

INCLEMENT WEATHER

If school must be canceled or dismissed early because of inclement weather, practices and contests will be postponed as a rule. Occasionally, weather and road conditions clear by early afternoon, if it is determined that athletes can travel safely, a varsity practice or contest may be held with permission from the athletic director in conjunction with the Superintendent or their designee. Certified staff members are directly responsible for all students under their supervision at any school-sponsored activity. When severe weather strikes, staff members will determine

what action will be in the best interest concerning safety for their students. At away events when severe weather becomes a concern, coaches/sponsors along with bus drivers will determine the best course of action to be taken. Coaches/sponsors will make every effort to keep students, school officials and parents/guardians informed of any changes or deviations from the normal routine if weather dictates that such actions are necessary.

TRANSPORTATION

The District generally will provide transportation to away events. There are occasions where students are allowed to drive. Any student who drives must have a permission slip signed by a parent or guardian on file in the activity director's office prior to the event. Students who ride with other students must also have a permission slip signed by a parent or guardian in the AD's office prior to the event. Parents/Guardians wishing to pick up students from school-sponsored activities may do so at any time. However, if return transportation is being provided and the student is not returning with the school group, coaches, sponsors, or school officials must be notified. No student will be released to anyone other than their parent or guardian, or an adult designated by the parent/guardian.

INSURANCE

Ralston Public Schools provides no insurance coverage and is not responsible for any such expenses. It is the responsibility of the parents/guardians to provide adequate insurance to cover any medical expenses which may be incurred while a student is participating in a school sponsored activity. This insurance may be under a family coverage plan.

COMMUNICATION PROTOCOL

If a student and or parent has a concern the proper communication protocol will be followed:

1. Student participant meets with coach(es) to try to solve the issue;
2. If the problem still exists, the parent can email or call the coach to make an appointment for a meeting. The coach will inform the AD about the meeting and what the concern is.
3. If the student/parent still has a concern, the parent will then email or call the activities director to set up a meeting.
4. If a resolution to the issue is not obtained after meeting with the AD, the parent will call or email the Principal of the high school to meet.
5. If the situation is still not resolved, the parent can call the Central Office and request a meeting with the Superintendent or their designee.

Anonymous letters or other forms of anonymous communications involving a complaint or other issue sent to any coach or sponsor or any administrator may or may not be dealt with depending on the subject matter of the letter. Ralston Public Schools strongly discourages the use of anonymous letters, or other forms of anonymous communication to express a complaint or other issue. The AD, Principal, Superintendent or their designee will not discuss playing time and will not talk about other players on the team.

SPECTATOR EXPECTATIONS

Ralston parents, families, and fans are expected to display good sportsmanship at home and away events. Encourage our team and your athlete, respect the opponents and their fans, accept the decisions of the officials, and accept the outcome. Fans who behave in a manner inconsistent with good sportsmanship by berating officials, making disparaging comments about anyone, or engage in behavior that may put others at harm may be asked to leave the event and could be banned and barred from Ralston Public School property. All parents/guardians, families, and

fans are asked to cooperate with on-site supervisors who may include Ralston administrators, staff, and/or coaches. Law enforcement will be called if deemed necessary by on-site supervisors.

ATHLETIC AND ACTIVITY AWARDS

The following is a list of the different athletic and activity awards presented to the athletes at Ralston High School:

Activities Students of the Year

Awards Night Ceremonies

At the discretion of the coaches/sponsors, an awards ceremony may be organized to recognize students for their achievements following their season. Coaches and parent representatives will pick a night, format, and location for this ceremony. Coaches will present letters, certificates, etc.

The dozen awards, athlete of the year awards, and spirit awards are given at the Senior or Underclass awards ceremonies.

NCAA CLEARINGHOUSE

The National Collegiate Athletic Association (NCAA) has established guidelines that Division I and II member schools must follow before awarding scholarships and granting eligibility to high school students who wish to compete as freshmen on college athletic teams after completion of high school. Student athletes who wish to participate in NCAA Division I or Division II sports must be certified by the NCAA initial-Eligibility Clearinghouse which will analyze your academic information to determine if you meet the NCAA initial eligibility requirements. The three steps for being certified are clearly explained online at www.ncaaclearinghouse.net.

Students who have questions should see the counseling office regarding items such as whether a college is a Division I or II institution in the sport in which they are interested. Students interested in participating in athletics at NCAA Division III colleges, or NAIA colleges should obtain the appropriate athletic guidelines that pertain to these institutions.

CONCUSSION AWARENESS

Pursuant to Nebraska Statute 71-9104 (The Nebraska Concussion Awareness Act) the following information is provided to students, parents, and/or guardians.

Heads Up: Concussion in High School and Middle School Sports A Fact Sheet for Parents

What is a concussion?

A concussion is a brain injury. Concussions are caused by a bump, blow, or jolt to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even a “ding” or a bump on the head can be serious.

What are the signs and symptoms of concussion? You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or can take days or weeks to appear. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

Signs Observed by Coaching Staff	Signs Reported by Athlete	Signs Observed by Parent(s)
Appears dazed or stunned	Headache	Appears dazed or stunned
Is confused about assignment	Nausea	Appears confused
Forgets plays	Balance problems or dizziness	Forgets known items
Is unsure of game, score, or opponent	Double or fuzzy vision	Is unsure of name, usual surroundings

Moves clumsily	Sensitive to light or noise	Moves clumsily
Answers questions slowly	feeling sluggish	Answers questions slowly
Loses consciousness	Feeling foggy or groggy	Loses consciousness
Show behavior or personality changes	Concentration of memory problems	Shows behavior or personality changes
Can't recall events prior to hit on the head	Confusion	Can't recall events prior to hit on the head
Can't recall events after the hit on the head		Can't recall events after the hit on the head

What should you do if you think your child has a concussion?

1. Seek medical attention right away. A health care professional will be able to decide how serious the concussion is and when it is safe for your teen to return to sports.
2. Keep your child out of play. Concussions take time to heal. Don't let your child return to play until a health care professional says it's OK. Athletes who return to play too soon -- when the brain is still healing -- risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
3. Tell all of your child's coaches and the school athletic trainer about any recent concussion. Coaches should know if your child had a recent concussion in ANY sport. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them. Knowing about the concussion will allow the coach to keep your child from activities that could result in another concussion.
4. Remind your child. It's better to miss one game than the whole season.

WHEN IN DOUBT, SIT THEM OUT!

Heads Up: Concussion in High School and Middle School Sports • A Fact Sheet for Student-Athletes

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head.
- Can change the way your brain normally works.
- Can range from mild to severe.
- Can occur during practices or games in any sport.
- Can happen even if you haven't been knocked out.
- Can be serious even if you're just "dinged" or had your "bell rung"

How can I prevent a concussion?

- It's different for every sport. But there are steps you can take to protect yourself from concussion: Follow your coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.
- Use proper sports equipment, including personal protection equipment. In order for the equipment to protect you, it must: 1. Be appropriate for the game, position, and activity. 2. Be well maintained. 3. Properly fitted. 4. Used every time you play.

How do I know if I've had a concussion?

- You can't see a concussion, but you might notice some of the symptoms right away. Pay attention to how you are feeling after any bump, blow, or jolt to the head.
- If you notice any of the symptoms, tell your parents/**guardians**, coach, and school athletic trainer right away.
- Other symptoms of a concussion can show up days or weeks after the injury.
- It's best to see a healthcare professional if you think you might have a concussion. An undiagnosed concussion can affect your ability to do schoolwork, other everyday activities, as well as your athletic play. An undiagnosed concussion also raises your risk for additional, serious injury.

What are the symptoms of a concussion?

- Nausea (feeling like you might vomit)
- Balance problems or dizziness.
- Double or fuzzy vision
- Sensitivity to light or noise
- Headache
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems (such as forgetting plays)
- Confusion

What should I do if I think I have a concussion?

- Tell your coaches, parents, and school athletic trainer
- Never ignore a bump, blow, or jolt to the head
- Get a medical check-up. A health care professional can tell you if you have had a concussion and when you are OK to return to play.
- Give yourself time to recover. If you have had a concussion, your brain needs time to heal. While your brain is still healing, you are much more likely to have a second concussion. Second or later concussions can cause permanent brain damage, and even death in rare cases. Severe brain damage can change your whole life.
- Tell your coaches and the school athletic trainer if one of your teammates might have a concussion.

As a reminder, always report any injury to your coach and school athletic trainer right away. It's better to miss one game than the whole season. Take care of yourself and enjoy your participation in athletics. When in doubt, sit them out!

O. Student files and records: Fees may be charged for copies of student files or records. Parents of students have the right to inspect and review the student's file or records without the payment of a fee, and no fee shall be charged to search for or retrieve any student's files or records.

P. Materials required for course projects: The district will provide students with the materials necessary to complete all basic curricular projects. In courses where students choose to produce a project that requires materials beyond the basic materials provided by the district, the students will furnish the materials, purchase materials from the school, or purchase the materials from an outside vendor with an order form provided by the school.

PART TWO:

Student Fee Fund

Fees that are charged to students pursuant to PART ONE, subsections A.1, A.2, L, M, and N shall be deposited into the Student Fee Fund and expended for the purpose for which they were collected from students.

PART THREE:

Waiver of Student Fees

Fees that are charged pursuant to PART ONE, subsections A and E shall be waived for students who qualify for participation in the free or reduced-price lunch program under United States Department of Agriculture child nutrition programs. Actual participation in the free and reduced-price lunch program is not required to qualify for waivers in this section. All students shall be provided forms at the beginning of each school year, upon enrollment in the District, or at the request of the student, which provide the necessary information and permit the District to use this information to determine eligibility for fee waiver. Criteria for fee waiver will be the same as the criteria for participation in the free and reduced-lunch program. Application forms for fee waivers are available from each building Principal. Once the school district has received a student's completed fee waiver application form, and has verified the student's eligibility, waiver of the fee shall be granted for the student. AHERA NOTIFICATION

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. Virtually any building constructed before the late 1970s contained some asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, such as cancer and asbestosis.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Suspected asbestos-containing building materials were located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Ralston Public Schools has conducted a re inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last re-inspection conducted on January 22, 2013 all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. Ralston Public Schools developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of asbestos activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

It is the intention of the Ralston Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan in the school district administrative office or administrative office of the school during regular business hours. Pat Flinn is our designed asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to 402-898-3460.

HOMELESS CHILDREN AND YOUTH

Homeless students generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable state and federal law.

It is the school's policy not to stigmatize or segregate homeless students on the basis of their status of being homeless. Transportation for homeless students who enroll in the district shall be furnished by the district under the same guidelines applying to other students or if such transportation is necessary for compliance with federal law.

Each homeless child shall be provided services for which the child is eligible comparable to services provided to other students in the school selected regardless of residency. Homeless children shall be provided access to education and other services that such children need to ensure that they have an opportunity to meet the same student performance standards to which all students are held.

If a homeless child registered to attend school in the district is receiving family reconciliation services pursuant to state law, the district will work in cooperation with any county or department of social services in the district to jointly develop an educational program for the child. The district's homeless coordinator is Margie Hernandez who may be contacted at 402-331-4700.

PROTECTION OF STUDENT RIGHTS

Ralston Public Schools respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA) and Federal Legislation Act. The policy is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. The approximate dates during the school year when a survey requesting personal information as defined in the Protection of Pupil Rights policy is scheduled are as follows: First Semester. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the superintendent.

Notice to Parents

Under the Every Student Succeeds Act, federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to know:

FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when they reach the age of 18 or attend a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records

unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth their view about the contested information.
- FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

For additional information, you may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may use the Federal Relay Service.

District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.
- **Sexual harassment** means conduct on the basis of sex where (1) An employee of the district conditions the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct; (2) An individual experiences unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies the person equal access to the district's education program or activity; (3) An individual experiences a sexual assault, dating violence, domestic violence, or stalking as further defined below. This definition includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent.
- **Criminal Sexual Contact**—The intentional touching of the clothed or unclothed body parts without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation. The forced touching by the victim of the actor's clothed or unclothed body parts, without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation.  - o where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship.
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship.

 - **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
 - o fear for his or her safety or the safety of others; or
 - o suffer substantial emotional distress.
 - **Supportive measures** are non-disciplinary, non-punitive individualized services offered without fee that do not unreasonably burden the parties. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the district's Title IX Coordinator. district personnel will not retaliate against any individual based on any report of suspected sexual harassment. Any district employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

Response to Sexual Harassment

General Obligations. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s ability to impose discipline for off-campus misconduct does not necessarily constitute “substantial control” over the respondent and the context. The district’s response to an allegation of sex harassment will treat complainants and respondents equitably.

Limitations on Discipline. No respondent will have disciplinary sanctions imposed upon him/her until the conclusion of the formal grievance process described below.

Emergency Removal. Disciplinary sanctions do not include removal on an emergency basis where the respondent is an immediate threat to the health or safety of another as a result of allegations of sexual harassment. The district also may place any employee on administrative leave during the pendency of the grievance process below.

Grievance Process for Formal Complaints of Sexual Harassment

General Obligations. All Title IX team members and individuals carrying out district obligations will comply with the regulatory requirements of objective evaluations, avoiding conflict of interest or bias, training, and protection of legally privileged information.

Presumption. It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Grievance Procedure

Time Frames. The district will resolve grievances in a time frame that is reasonably prompt. Good cause for delay may include considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

Range of Possible Sanctions and Remedies. At the conclusion of the grievance process, the district may impose disciplinary sanctions and remedies in conformance with this and the district’s student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion and/or immediate discharge from employment.

Separation of Roles. The decision-maker cannot be the same person as the Title IX Coordinator or the investigator(s).

Notice of Allegations. Upon receipt of a formal complaint, the district will provide notice of this policy and the allegations to all parties. The notice will include sufficient details known by the district at that time to provide sufficient time to prepare a response before any initial interview. Sufficient details, if known by the district, include the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident. The district will provide notice of additional allegations revealed during an investigation to the parties.

Dismissal of Formal Complaint. The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint, would not constitute sexual harassment even if proven; did not occur in the district's education program or activity; or if the conduct alleged did not occur against a person in the United States.

The district **may** dismiss the formal complaint if, at any time during the investigation or hearing, the complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled in or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

Investigation of Formal Complaint. When investigating a formal complaint and throughout the grievance process, the district will designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint. The district may consolidate formal complaints where the allegations of sexual harassment arise out of the same facts or circumstances.

The district will bear the burden of gathering evidence sufficient to reach a determination regarding responsibility. All parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The district may not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

All parties will have the same opportunity to be accompanied by the advisor of their choice in any meeting or grievance proceeding. This policy does not relieve the advisor of choice of any other applicable legal obligations or limitations. The district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

The district will provide written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate.

All parties will have an equal opportunity to inspect and review evidence obtained as part of the investigation if that evidence is directly related to the allegations raised in a formal complaint. The parties will have no less than 10 calendar days to review the evidence and submit a response. The investigative report will fairly summarize the relevant evidence and the investigator will send the finalized report to all parties and their advisors.

Determination Regarding Responsibility. Before the district reaches a determination regarding responsibility, each party may submit written, relevant questions of any party or witness. The decision-maker will provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition are never relevant. Questions about the complainant's prior sexual behavior are only relevant if those questions and evidence are offered (1) to prove that someone other than the respondent committed the conduct alleged by the complainant, or (2) are offered to prove consent and concern specific incidents of the complainant's prior sexual behavior with respect to the respondent. If the decision-maker decides to exclude a question because it is not relevant, he/she will explain the basis for that decision.

The decision-maker will issue a written determination regarding responsibility no sooner than ten days after the parties receive the final investigative report. The decision-maker will apply the preponderance of the evidence standard. The written determination will include:

- Identification of the allegations potentially constituting sexual harassment;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the district's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
- The district's procedures and permissible bases for the complainant and respondent to appeal.

The district will provide the written determination to the parties simultaneously. If neither party timely appeals, the determination becomes final. If a party appeals, the determination will become final on the date that the district provides the parties with the written determination of the result of the appeal.

Appeals. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools no later than 5:00 pm on the fifth calendar day after the written determination is issued. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal.

Grounds for Appeal. Appeals are limited to the following grounds:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination or dismissal was made that could affect the outcome of the matter; and
- The Title IX Coordinator, investigator(s), or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The district will notify other parties in writing when an appeal is filed; implement appeal procedures equally for all parties; and ensure that the decision-maker for the appeal is not the same person as the decision-maker, the investigator(s), or the Title IX Coordinator.

The district will give both parties a reasonable, equal opportunity to submit a written statement that supports or challenges the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

Informal Resolution. The district may informally resolve allegations without completing the grievance procedure with the written consent of all parties. The process may not be used when allegations involve an employee harassing a student. As part of this process, the district will provide to the parties in writing a notice stating:

- the allegations;
- the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
- that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
- any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Recordkeeping. The district will maintain the following records for a period of seven years:

- Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed, and any remedies provided;
- Any appeal and its result;
- Any informal resolution and its result; and
- All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website, then the district will make these materials available upon request for inspection by members of the public.

The district will also create records documenting any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken. The district will maintain these records for a period of seven years.

Retaliation Prohibited. Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including

any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided that a determination regarding responsibility alone is not sufficient to conclude that any party made a materially false statement in bad faith.

Notification of Policy. The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

Publication of Policy. The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

Application Outside the United States. The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

Scope of Policy. Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Chromebook Essentials

Receiving Your Chromebook

1. Parent/Guardian Orientation

All parents/guardians are expected to attend registration and sign the *Ralston Public Schools Student Chromebook Agreement* before a device will be issued to their student.

2. Distribution

Students will receive their Chromebook and related peripherals within the first two weeks of school. Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook.

3. Transfer/New Student Distribution

All transfers/new students will be able to pick up their Chromebook from the school media center/technology office. **Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook. This will be done within student verification.**

Returning Your Chromebook

1. End of Year (grades 9-12)

Students returning to the district the next school year, will retain their Chromebook and all issued peripherals over the summer unless parents elect to return their student's device for the summer.

2. Transferring/Withdrawing Students

Students who transfer out of or withdraw from the Ralston Public Schools must turn in their Chromebook and related peripherals to the media center/technology office on or before their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full replacement cost. Unpaid fines and fees of students leaving the Ralston Public Schools must be paid prior to disenrollment from the district. The district may also file a report of stolen property with the Police Department.

RPS Chromebook Coverage Program

Ralston Public Schools offers the opportunity to participate in the optional RPS Chromebook Coverage Program designed to protect students and families from full financial responsibility for device repairs and/or replacement. The cost is \$30.00/\$15.00* (*reduced for students who qualify for Free/Reduced Lunch Program) **annually** for each Chromebook and it covers the summer months if parents/students elect to keep the Chromebook over the summer.

Payment must be submitted by September 1st in order to participate in this program. After this date, a student's device will not be eligible for the RPS Chromebook Coverage Program. Students enrolling at RPS throughout the school year will have three weeks to submit payment in order to participate in the RPS Chromebook Coverage Program. If a student withdraws from Ralston Public Schools and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated. **Premiums are non-refundable.**

The program covers devices assigned to the student against accidental damage and/or loss. Damaged, lost, or stolen devices should be reported immediately according to the process described during orientation. Ralston Public Schools will require that a police report be

submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Total value of repairs or device replacement will be determined by RPS. The program will pay the amount of damage or replacement per the schedule of repairs listed below. Damage as a result of gross negligence or purposeful damage will not be covered under the RPS Chromebook Coverage Program. Parents/Guardians are responsible for 100% of damages due to gross negligence. The district reserves the right to discontinue participation for students with unusually high numbers of claims. Such discontinuation will be effective 30 days after notification to the student and parent/guardian.

Training

Students will receive training to address care and usage of the Chromebook as well as usage of their Google (@ralstonschools.org) account. Digital Citizenship training will also be provided to address respectful, responsible, and ethical use of the internet and digital tools.

Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the school media center/technology office. If a loaner Chromebook is needed, one will be issued to the student until their Chromebook can be repaired or replaced.

General Precautions

- No food or drink should be next to your Chromebook.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open.
- Chromebooks should not be used or stored near pets.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Chromebooks must remain free of any writing, drawing, stickers, or labels.
- Chromebooks, not being used for an extended period of time, should be shut down in order to conserve battery life.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Heavy objects should never be placed on top of Chromebooks.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the Chromebook.
- Always bring your Chromebook to room temperature prior to turning it on.

Device Protection

- Students and parents may decide to add additional protection for their Chromebooks by purchasing a hard protective case and/or sleeve from an outside source.

Carrying Chromebooks

- Always transport Chromebooks with care.
- Never lift Chromebooks by their screen.
- Never carry Chromebooks with the screen open.

Screen Care

- The Chromebook screen can be damaged if subjected to heavy objects, rough treatment,

some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.

- Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Do not place anything in the protective case that will press against the cover.
- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, or disks).
- Only clean the screen with a soft, **dry** microfiber cloth or anti-static cloth. Do not clean screens with products containing ammonia or alcohol.

Using Your Chromebook

Students are expected to bring a fully charged Chromebook to school every day and bring their Chromebook to all classes unless specifically advised not to do so by their teacher.

If a Student Does not Bring His/Her Chromebook to School

- Loaner devices may be available for students failing to bring their device to school.
- A student borrowing a Chromebook will be responsible for any damage to or loss of the issued device.
- School personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to administration for students who have excessive occurrences during the school year.
- Staff will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- If a loaner is not turned in at the end of the day, an administrator will be contacted and will work on retrieving the loaner.

Charging Chromebooks

- Chromebooks must be brought to school each day with a full charge.
- Students should charge their Chromebooks at home every evening.

Personalizing the Chromebook

- Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of the Ralston Public Schools. Spot checks for compliance will be done by administration, teachers, and technology support staff at any time.
- Students may add appropriate music, photos, and videos to their Chromebook. Personalized media are subject to inspection and must follow the Ralston Public Schools Internet Safety and Acceptable Use Policy.

Sound

- Sound should be muted at all times unless permission is obtained from a teacher.
- Headphones may be used at the discretion of the teachers.

Printing

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- Students may set up their home printers with the Google Cloud Print solution to print from their Chromebooks at home. Information about Google Cloud Print can be obtained here: <http://www.google.com/cloudprint/learn/>.

Logging into a Chromebook

- Students will log into their Chromebook using their school-issued Google (@ralstonschools.org) account.
- Students should never share their account passwords with others. In the event of a

compromised account the Ralston Public Schools Technology Department reserves the right to disable your account.

- The student assigned to the Chromebook should be the only individual logging in to and using the device.

Using Your Chromebook Outside of School

- Students are encouraged to use their Chromebook at home and other locations outside of school.
- A WiFi Internet connection will be necessary for the majority of Chromebook use; however, some applications can be used while not connected to the Internet. Students are bound by the Ralston Public Schools Acceptable Use Policy, Administrative Procedures, acceptable use agreement, and all other guidelines in this document wherever they use their Chromebook. Please note that some internet providers DO NOT work with Chromebook.

Operating System and Security

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the District.

No Expectation of Privacy

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The District may, without prior notice or consent, log, supervise, access, deny access to, view, monitor, and record use of the Chromebook at any time for any reason related to the operation of the District. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

Teachers, school administrators, and the Technology Department staff may use monitoring software that allows them to view the screens and activity on the Chromebooks.

Updates

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebook.

Virus Protection

Chromebook uses the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot. There is no need for additional virus protection.

Content Filter

The District utilizes an Internet Content Filter that is in compliance with the federally-mandated Children’s Internet Protection Act (CIPA). All Chromebooks are filtered for inappropriate content and pass through the District’s filtering appliance when connected to the Internet regardless of the physical location (e.g., school, home, public WiFi). If a website is blocked in school, then it will be blocked out of school. If an educationally valuable site is blocked, students should contact school personnel, who in turn, will submit a helpdesk ticket to request the site be unblocked. Ralston Public Schools makes every effort to filter web content through its comprehensive web filter; however, it is essential students and parents understand that students will be held accountable for using technology according to District policies.

Inspection

Students may be asked to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

Software on Chromebooks

Originally-Installed Software

Chromebook software is delivered via the Chrome Web Store and/or Google Play. Some applications, such as Google Drive, are available for offline use. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.

All Chromebooks are supplied with the latest stable build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS may install updates when the computer is idle or restarted.

Google Apps for Education Accounts

Chromebooks seamlessly integrate with the Google Apps for Education suite of productivity and collaboration tools. This suite includes Google Docs (word processing), Sheets (spreadsheets), Slides (presentations), Drawings, Forms, Sites, and Gmail within Ralston Public Schools.

Expectations of Privacy

The computer system, including email and Internet, is the property of the Ralston Public School District. RPS relies on a combination of self-hosted, externally hosted, and cloud-based services. These services are primarily intended for educational and business use and are subject to monitoring at any time. Although RPS does not routinely check communications or files, it has the right to review, audit, and disclose all matters sent over or stored on the system. As a result, members of the RPS community should recognize that there is no reasonable expectation of privacy when using the computer system.

Respecting and Protecting Intellectual Properties

The increasing use of technology and multimedia at RPS presents a wonderful opportunity for students and teachers to share what they do with others at RPS. The presentations, photos, video and audio of classes, field trips and school events are often shared electronically through web-based resources. Sometimes, students and parents buy or receive copies of school events on media, such as CDs or DVDs. The instinct to share achievements is understandable, but these files are for private use only. Any sharing of these materials within the RPS Google domain is prohibited.

Agreement Violations

Any violation of the agreement may result in the loss of access to the Internet by the student/adult involved. Additional disciplinary action may be determined in accordance with existing policies of the Ralston Public Schools, including applicable State and Federal laws.

Users of Ralston Public Schools technology shall be granted permission to access the Internet upon receipt of the signed Acceptable Use Agreement Signature Form available from your building administrator or media specialist.
