Permits must be visible in the front window of the vehicle and must be visible from the outside of the vehicle at all times when the car is parked on campus. Student parking is located in the front of the building. Students are not permitted to park behind the school building; only assigned parking spaces. Parking permits are numbered according to each assigned parking space. Students are not allowed to transfer or exchange their assigned permits to or with other students. Violators will be disciplined and are subject to loss of driving privileges on campus.

Cars are not allowed to enter the bus loading area nor are they to enter the first section of faculty parking during the morning car rider drop off times or the afternoon car rider pick up times. This area needs to remain clear of traffic. Form two lines beginning with the second section of parking. All vehicles which enter school grounds are subject to be searched. The school is not responsible for any damage to vehicles parked on campus. Students are responsible for any items in the vehicle they drive to school and responsible for the actions of their passengers. Driving recklessly or in an unsafe manner may result in the student being prohibited from driving on campus. The campus speed limit is 10 mph. Student drivers will yield to buses and pedestrians while on school grounds.

Buses: All students arriving to campus by bus are to report directly to the Commons Area or gym upon unloading. Please be aware that bus transportation is a privilege. Sanctions listed above may also apply when activity away from school is harmful to or involves other students/staff and/or causes a disruption with regular school business.

The information above is an overview of Board Policy #4.406. You can review the

entire board policy at http://www.rcstn.net/board_of_education/policies. Board policy will be enforced in all Robertson County Schools.

The School Day

Lockers: All students will be issued a locker at the beginning of the school year by administration. Locker rental fee is \$5 and does include the rental of a lock. Students must use the locker and lock assigned to them. Students are responsible for the contents of their assigned locker at all times. It is expected that all students will use only the provided lock. The lockers are property of the school and are subject to search. Students are required to maintain a clean and sanitary locker. The school is not responsible for contents inside the locker.

Block Schedule: Greenbrier High School follows a “4x4 Block” schedule. Students attend four, 90-minute classes each school day. Bell schedules will be provided for adequate change of classes as well as opportunities for students to receive additional instruction and enrichment during the school day.

Announcements: School Announcements, Pledge of Allegiance and Moment of Silence will begin each school day. Please be respectful to all students as these opportunities are given.

Lunch: Students will eat lunch during their 3rd block class time. All students are required to go to the Commons Area for lunch and remain there until dismissed. Students will eat during one of four assigned lunch periods. Lunch periods will may rotate each nine weeks. Students are expected to maintain a clean and orderly lunch environment. Students must also follow all posted cafeteria rules or be subject to disciplinary action. On Monday, by 8 AM lunches may be prepaid. Visitors are limited to immediate family only and with administrator approval.

Leaving the Classroom: Students are required to stay in the classroom during allotted class times. Hallways will be clear of students except during class changes or in emergencies. No student is permitted out of the classroom without an appropriate hall pass given by the classroom teacher.

Attendance

Absences: Student attendance is very important. A student who was absent on the previous day must present a note from the parent/guardian to the attendance office before the school day begins. An admission slip to class will be issued and must be signed by all of the student's classroom teachers.

Attendance is mandatory in the state of Tennessee until the age of 18. Attendance issues at GHS are handled by the Attendance Office, located at the entry of the 300 hall.

Vacation/Non-School Related Field Trips: Students are required to submit parent note three days prior to absences for vacation or any non-related school field trip(s). This note must be signed by an administrator and given to attendance office three days prior to absence(s). Parents and other organizations are encouraged to observe the approved school calendar in planning for personal trips. Attendance on fields trips and other extracurricular activities are subject to administrative approval and dependent on student attendance. Tardiness and absenteeism in and from school may prevent a student from attending a field trip or other activity.

Absences during Exams: Board policy states all students must take exams DURING assigned exam time. No excused absences will be permitted without prior written administrator approval. Makeup times for exams will be arranged with teacher and student at the beginning of the grading period. GHS strongly encourages parents to avoid early dismissal on exam days.

Tardies: Students who accumulate five tardies through tardy sweep will also be subject to being assigned In School Suspension. Lunch detention will be assigned for each tardy above and beyond 5. If attendance does not improve, students will be subject to after school detention, loss of driving privileges, lunch detention and suspension to after school activities including sports.

Students who have not entered their 1st block class before 8:00 AM will be required to sign in at the front lobby during tardy sweep for attendance purposes. These students will be required to complete a writing assignment before receiving permission to go to their 1st block class. Students who do not enter their 2nd, 3rd, or 4th block classroom before the tardy bell sounds will be required to report to a designated room and receive a slip to return to class.

Consequences of Tardiness:

5 tardies- 3-day detention (lunch or after school) contact parents

10 tardies- 1 day ISS, request parent meeting

15 tardies- 2-day ISS

20 tardies- 3-day ISS no participation in athletic/extracurricular activities, other privileges, and put on warning in writing that 5 more tardies, will result in the loss of prom and other extracurricular activities.

25 tardies- loss of prom and other extracurricular activities

Tardies will not reset during the school year.

Early Dismissals: Students leaving early must provide a note from home to the attendance office by 7:55 AM. Should a student become ill during the school day the procedure will be expected the student report to the nurse. The nurse will then determine if the student is too ill to remain at school. Parent will be notified by nurse if early dismissal is required. Parent will then be expected to come to the attendance office to sign the student out, or the parent/guardian must speak with an administrator or the school nurse by phone to authorize the student to leave. Students leaving without the approval or knowledge of the school are subject to suspension. Students are required to use school phones with school personnel to contact parents due to illnesses. If school phone is not used, violation of cell phone policy will apply. Students with unexcused early dismissals are subject to ISS. Parents are strongly encouraged to check out students from school only between classes so as not to disrupt the learning environment for the child as well as others. GHS strongly encourages avoiding early dismissals during exams. Accumulation of eight unexcused tardies (those beginning of school day) and/or dismissals will result in one day unexcused absence.

Student Driver's License (T.C.A. 49-6-3017): Notice will be sent to the Department of Safety on the proper form of any student who fails to meet the attendance and academic qualifications for a driver's license.

School Attendance: A student must not accumulate 10 consecutive days absence or 15 cumulative unexcused absences per semester. For the purpose of this law, suspensions shall not be counted as unexcused absences.

Copy of notice will be sent to the Office of Student Services when action is taken and at the close of school for students who will be ineligible through the summer.

To regain eligibility, a student must:

- 1) Attend school 30 days without an unexcused absence
- 2) Meet academic standards by earning 2 credits at the end of a semester or its equivalent (passing 4 subjects at the end of a 9-week grading period). Summer school credits may be used to meet academic requirements but cannot be used to meet attendance requirements.

When it has been determined that a student has regained eligibility, the school shall notify the Department of Safety on the appropriate form.

On second or subsequent violations of eligibility, the suspension of privileges may, at the discretion of the State of Tennessee, be removed until age 18.

Attendance policy: Students must present for at least ½ day school day to participate in extracurricular activities and athletic contest/practice that afternoon/evening/weekend. (principal discretion for documented emergencies or absence).

10 or more unexcused absences in the school year- loss of prom privilege, and driving privileges revoked.

15 or more absences/year- unexcused absences, removal from team roster.

25 or more unexcused absences in the school year- loss of the privilege to participate in graduation.

GHS will accept parent notes to cover 2 days as excused with little scrutiny per semester. Pre-approved trips are included in the 5 total days per semester. Absences above and beyond the 3 days will require a doctor note before the absence can be considered for an excused absence. Please note that consecutive absences for 3 days or more will still require a doctor note before the absences can be considered for an excused absence. Students who were placed on doctor notes the previous school year will remain on doctor notes the current school year in efforts to improve attendance and academic learning.

Unexcused absences shall include but are not limited to:

- (1) car trouble;

(2) personal business (e.g. cleaning house, shopping, babysitting, errands, hair appointment, work in the private sector).

In order to receive any attendance credit, including credit toward perfect attendance, a student must be present for the majority of the school day in accordance with State Attendance Accounting policies.

Reasons for absences or tardiness and requests for early dismissals before the close of school must be requested by the custodial parent or guardian or those authorized by the parent/guardian to request release. Students participating in school-sponsored activities whether on or off campus shall not be counted absent.

All missed class work or tests may be made up. Reasonable effort must be made and ample opportunities must be provided by school personnel. Grades may reflect less than full credit. (Exceptions include pre-announced tests and term assignments that will be due upon return.) School work and tests missed for suspensions may be required to be made up.

Students may be denied the privilege of making up work missed because of an unexcused absence or suspension. All schools will review students' attendance and refer students to the Student Services Supervisor.

An accumulation of **8** unexcused tardies/early dismissals will equal **1** unexcused day, which will contribute to the number of unexcused days (10) necessary to file truancy with juvenile court.

Attendance and tardiness may affect participation in other school related activities.

STATEMENT OF NON-DISCRIMINATION

Definition: The Robertson County School system does not discriminate on the basis of race, color, national origin, sex, disability, age, religion or marital status, in training, activities or employment practices in accordance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title VII of the Civil Rights Act of 1964, and the Americans with Disabilities Acts of 1997 and 2004.

In School Suspension (ISS) ISS will be scheduled as necessary to correct offenses related to Level I, Level II, and Level III offenses outlined in the Robertson County Schools Student Handbook. These offenses may include but are not limited to classroom disturbance, classroom tardies, cheating, lying, use of vulgar language, harassment, failure to do assignments, failure to carry out directions, or disrespect of teachers and staff. In addition, ISS will be used in cases of dress code violations, forged notes, truancy, bus referrals and conduct, or failure to serve after school detention.

Administrators will schedule an appropriate amount of time for ISS at the earliest possible date and inform the student that this time has been scheduled. Due to the limited assignments made in any school day, it is not necessary to provide specific dates of the assignment but only to provide the knowledge that ISS will be scheduled.

Students assigned to ISS for a specified period during the school day, or for the entire day, will be counted present at school for that specified period of time. Students assigned to ISS will be supervised by appropriate personnel at all times and will be provided textbooks and class work assignments from the regular classroom teachers. Students will receive credit for completing these assignments and will receive assistance as needed by the ISS Coordinator.

Students will be required to work on assignments provided by the classroom teacher and/or the ISS Coordinator. Sleeping and idle time will not be permitted while attending ISS. Students assigned to ISS during the lunch period will be directed to lunch by the ISS Coordinator. Restroom breaks will be provided at the discretion of the ISS Coordinator with at least two breaks provided during the day

at appropriate times. Any violation of rules and regulations of ISS will result in immediate out of school suspension of the student.

The ISS Coordinator will alert administrators once a student has been assigned to their fourth day of ISS. A conference will then be held with the student to detail future consequences in the event the student receives an additional day of ISS. After the fifth day of ISS, out-of-school suspension will be used to correct discipline behaviors.

On the fifth day of ISS, parents or guardians of the student will be contacted to inform them of the reoccurring behaviors and offenses. Parents or guardians will be informed that any future violations of student behavior and conduct will result in out-of-school suspension. Only under extreme circumstances will additional days of ISS be scheduled after the initial five days.

Out-of-School Suspension: In the event additional consequences become necessary, out-of-school suspensions will be scheduled for continued behaviors and conduct. Should a student be suspended from the school for repeated offenses and suspensions, then a recommendation will be made for a Disciplinary Hearing Authority to consider alternative placement.

Disciplinary Hearing Authority (DHA): Upon the recommendation of the DHA, or after the administration of Greenbrier High School has determined that additional consequences for behavior and conduct are necessary, the student and parents or guardians of the student will be required to enter into an agreement concerning behavior and conduct of the student. The agreement shall specify a period of probation during which the student will be required to abide by the agreement. Violation of the agreement will result in immediate suspension from school pending a decision of the DHA and a need for alternative placement.
