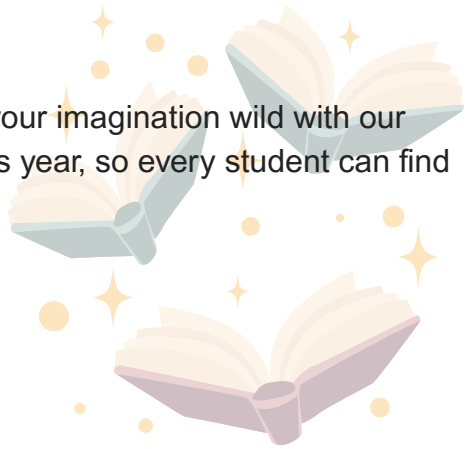
Dear Flyer Families,

Don't let the "summer slide" slow you down! Keep your minds sharp and your imagination wild with our annual Summer Reading Challenge. We have four different goal levels this year, so every student can find a challenge that fits them perfectly.

Pick your tier, track your reading, and earn some awesome prizes!



Choose Your Challenge Level:

Level 1: Consistency Catalyst	Read **67 times** this summer *(Minimum of 5 minutes per session)*	Early readers and building a daily habit!	2
Level 2: The 670 Club	Read **670 minutes** total over the summer	Steady readers looking for a solid milestone.	4
Level 3: The Monthly Marathon	Read **670 minutes EACH month** *(June, July, August)*	Avid readers who want to stay consistent.	6
Level 4: Ultimate Flyer Avid Reader	Read **2,100 minutes** total during the summer	The ultimate challenge for true book champions!	7

Students can choose one goal to focus on this summer, or climb the ladder from Level 1 all the way to Level 4!
