Social Circle, GA 30025

Teachers, Parents, and Students = Success for everyone!

SCCS School Improvement Plan (SIP) goals 2026-2027:

1. Students will improve their knowledge and skills in literacy.

2. Students will improve their knowledge and skills in mathematics.

3. Strengthen the implementation of the social-emotional learning (SEL) components to support student growth further.

Activities to build partnerships to achieve the challenging state standards:
• Title 1 Back to School Night
• Curriculum Parent Info Sessions
• Math & Literacy nights with take-away supports

Communications about Student Learning:
SCES will use the following methods to ensure that relevant information is shared with families promptly and in a language parents can understand.
• Parent Square
• Parent Portal
• Social Media
• School Webpage
• District Webpage
• Flyers
• School Calendar & Newsletters
• Student-led Conferences
• Quarterly Report Cards/Progress Reports
• Graded weekly folders

What is a School-Parent Compact?
Our annual school-parent compact offers ways we can work together to help our students succeed. This compact provides strategies to help connect learning between school and home.

Effective Compacts:
• Link to academic achievement goals
• Focus on student learning
• Share strategies that staff, parents and students can use
• Explain how parents and teachers can communicate with the student's progress
• Describe opportunities for parents to observe, volunteer, and participate in the classroom
• Jointly Developed

The parents, students, and staff of Social Circle Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students shared what would help them learn.

The parent-school compact is reviewed annually and revised to meet students' needs. We invited parents to contribute comments at any time.

Vision: To inspire confident, curious learners who graduate ready to thrive in our community and the world.

Mission: To create learning experiences that empower each student to succeed in life and make a positive impact on the world.

We Believe...
* In the limitless potential of children and adults
* If people feel heard, cared for, and challenged, success will follow
* We are capable of greatness
* Each learner is unique
* We are better together than we are apart
* We grow from our mistakes
* Students are more than a test score
* How we define, measure, and share our progress should align with what matters most to our community
* Our Portrait of a Graduate should be reflected in learning experiences

Motto:
One Student.
One Teacher.
One Classroom.
One Legacy.
ONE CIRCLE

We love volunteers! Please check out our school website under the volunteer tab and our handbook to find out all the ways you can volunteer.

School Responsibilities:
• Host workshops and training sessions that include several strategies parents can use with their students at home
• Provide a Parent Resource Center filled with learning activities
• Keep Parent Portal information updated & support parents in understanding their students' academic strengths and weaknesses.

Family Responsibilities:
• Attend workshops and information sessions to support their student
• Visit the Parent Resource Center for resources as needed
• Visit Parent Portal and Parent Square to stay updated and support students in identifying and improving their academic strengths and weaknesses.

Student Responsibilities:
• Use strategies that teachers model in class
• Encourage families to visit the Parent Resource Center for resources as needed
• Encourage families to visit Parent Portal and Parent Square to stay up to date on school activities.
• Encourage families to attend school events!
