Guidelines and Regulations

- Once the transfer has been approved, it may remain in effect through the terminal grade of the school to which the transfer is approved. That is through fifth grade in elementary schools, through eighth grade in middle schools, and through graduation in high school. At the end of the terminal grade in elementary school and in middle school, requests for transfers must be submitted by the parent/legal guardian on the appropriate form to the school administration of the requested school campus. Students who are approved for transfer will retain that status only with continuous enrollment. **Any break in enrollment will end their transfer status.**
- All transfers are contingent upon approval.
- Any violation of school rules and district policy by the student and/or parent (s) can result in a transfer being revoked.
- Providing inaccurate information can result in the transfer being revoked.
- Problems with discipline, attendance, tardies and/or academics can result in the transfer being revoked.

- Transportation to an out of zone school is the responsibility of the parent and will not be provided by the Edgefield County School District.

I have read and agree with the above guidelines and regulations
