HILLSBORO ONLINE ACADEMY

August 2026

Dear Hillsboro Online Academy and Home School Partnership Families,

Welcome to the 2026–27 school year at Hillsboro Online Academy!

This year marks a special milestone as we celebrate 15 years of providing flexible, innovative learning opportunities for students and families across the Hillsboro School District. What began as a pioneering online program has grown into a vibrant learning community, and we look forward to honoring this achievement with special events and celebrations throughout the year.

Whether you are returning to HOA or joining our community for the first time, we are thrilled to have you with us. Our commitment remains unchanged: to provide a supportive, inclusive, and flexible learning environment where every student can thrive. Together, we will continue to foster meaningful connections, encourage academic growth, and support students in reaching their individual goals.

We are excited to kick off the year with ***Orientation on August 26th***. This important event gives families the opportunity to meet teachers and support staff, pick up technology, receive schedules, and learn more about the year ahead. **Information about signing up for an orientation time slot will be emailed in mid-August.**

This year at HOA, we're putting connection at the center of everything we do. From family events and student celebrations to virtual meetups and in-person learning opportunities, we're committed to creating meaningful ways for our students and families to engage with one another and with our school community. We believe the best educational experiences are built through strong partnerships. That's why we're excited to continue growing family involvement through our Parent Group and other opportunities for collaboration throughout the year.

Your ideas, feedback, and participation help shape our school. We encourage you to stay connected, celebrate successes with us, and reach out whenever you need support. Here's to an incredible 2026–27 school year—we're so glad you're part of the HOA family!

Warmly,

Shannon Lawson
