Orah

You and your student will soon receive email invitations to connect to Orah, the program we use for student passes and off-campus requests. Orah is especially important during Thanksgiving, Christmas, and Spring breaks when dorms are closed and travel information needs to be communicated. Please check your spam folder if you don't see it in your inbox. This invite will go to your student's school email account.

If you encounter any issues, please refer to the [Orah Parent Guide](#) or email communitylife@christchurchschool.org.

Magnus

You will soon begin receiving automated emails from Magnus, our medical records portal, asking you to complete and upload forms and medical information for your student. Magnus will house important health-related documents like:

- Annual School physical forms
- Allergy information
- Health Insurance information, etc.

To login to Magnus, you will first login to Blackbaud using your **parent credentials**. Select the **Resources** tab and then select the **Magnus Health Portal** tile. You will then login to Magnus using your **student's credentials**. You can also find more detailed information on how to access Magnus by selecting the "How to Access the Magnus Health Portal" tile on the **Resources** tab.

Please complete and upload these forms as soon as possible. If you have any questions, reach out to our nurses at healthservices@christchurchschool.org.

Student Account – MyKidsSpending

Towards the end of July, you will receive a student login ID from MyKidsSpending.com. Throughout the year, the student account is used to cover activities and purchases incurred by the student. Examples of these charges were provided in your initial enrollment paperwork.

There is an initial required deposit of \$2,500 for boarding students. The Student Account is used for mandatory fees and regularly occurring expenses. A detailed description of the Student Account can be found [here](#).

You can fund your account the same way you made your deposit payment or plan to make tuition payments. Wire transfer is fine. Please include the student name and the words Student Account. The funds will go to the tuition account and be moved by the Business Office into the student account.

If you have any questions about the student account, please contact tbrooks@christchurchschool.org or call Terry on her direct line at (804) 542-6854.

Information coming!

Throughout the summer, you can expect to receive additional details regarding your student's **academic schedule, roommate assignment, and other important information** to help you prepare for arrival on campus.

We are working diligently to provide all of this information by the **last week of July**.
