

Student Non-Tuition Expenses and Fees Account (Referred to as “Student Account”) 2026-2027

Apart from tuition related costs, each student will establish a “**Student Account**” where “**School**” assesses mandatory fees and Christchurch School students have the ability to charge items and activities on campus. “**Student Accounts**” are maintained in the Christchurch School Business Office. A statement is e-mailed to the student and the student’s family on the fifteenth of each month outlining charges and the current balance.

Managed by Christchurch School, this “**Student Account**” is used for mandatory fees and regularly occurring expenses. Student account funding is required and due at/in advance of registration. A positive balance must be maintained. The below is an estimate of student account expenses incurred throughout the school year. Total actual usage of this “**Student Account**” varies according to student use and parent permissions.

“Student Account” funding (required):

Day students:	\$1,500
Boarding students:	\$2,500
