**Notice of Consequences for False Statements**

Student parties are on notice of the District's prohibition on "False Reporting" as set forth in District Policy JD. Student parties are thereby subject to disciplinary consequences if they make false statements or provide false information in the grievance process.

All District staff are subject to Policy GAM which requires staff members to maintain honest, equitable, and professional relationships with students, parents, and other staff members.

All staff are also subject to the Code of Ethics for Educators and are required to uphold and adhere to Standard 4: Honesty.

The consequences of dishonesty by staff members include all possible disciplinary actions up to termination for cause.
