

ATTENDANCE

School policy permits each student the privilege, within limits, to make arrangements in advance to be absent from school. However, certain criteria must exist prior to approval from the principal. Students must be in good academic standing and have a good attendance/tardiness record. Students who are not meeting this criteria may be denied a prearranged absence or absences. Loma Elementary is committed to serving our students and ensuring they are receiving a quality education. We appreciate your support of these criteria.

Breakfast and lunch will be FREE to all students this year!

Let's start the 2026-2027 school year strong! Every school day matters! D51's goal is to decrease chronic absenteeism by 50% over the next 5 years. Chronic absenteeism is an attendance rate less than 90%. It's a hefty goal but we're willing to take on this challenge for our students and their future success.
