

Natomas Unified School District Community Advisory Committee

What is CAC?

NUSD SELPA's Community Advisory Committee is a group formed to advise the SELPA about the Special Education Local Plan, annual priorities, parent education, and other special education related activities. The CAC is designed to be an interactive and collaborative partnership of educators, parents, and community members.

What does the CAC do? What is their function?

The CAC builds relationships between schools, families, and related agencies. We encourage community and parental involvement, and we support activities on behalf of individuals with exceptional needs. We provide families with an opportunity to share resources and support.

Who can be a member? Who should attend?

ALL are welcome! The CAC is composed of parents, educators, community agency staff, and other interested persons. CAC meetings are open to ALL interested in supporting children with exceptional needs.

Meeting Information?

Meetings are held at NUSD - Ed Center, 1901 Arena Blvd., Sacramento, CA 95834
Meetings are from 4:15-5:30 pm, and all meetings can include training/ information, parent discussions, as well as general business.

Where can I get more information?

For additional information about CAC, upcoming meeting dates, or to review agendas and meeting minutes, please visit [Natomas USD website](#) or scan the QR code below.

For accessibility assistance, contact the Special Education office at least 48 hours prior to the meeting. Contact Tracy Cobb at 916-567-5434 or email nusdcac@natomasunified.org

SELPA Community Partners

Alta California Regional Center

Alta California Regional Center (ACRC) is a private, non-profit corporation working under contract with the State of California, Department of Developmental Services, to provide services to persons, age three and above, with a developmental disability pursuant to the Lanterman Act. ACRC also provides services to infants and toddlers, between birth and 36 months, who have a need for early intervention services and who meet the eligibility criteria for the California Early Start program. Stay Informed and sign up for periodic email notifications on news and events. Contact Alta at **(916) 978-6400**, or visit us on Facebook, Instagram, and Twitter.

WarmLine Family Resource Center

WarmLine serves parents who have questions about their child's development, developmental delay or disability (birth- 22 years old). There is no charge and no referral needed. Call **(916) 455- 9500** or send an email. Para servicios en Espanol, usted puede llamar al **(916) 922-1490** o ir a Información en Espanol.

California State Council on Developmental Disabilities

The State Council on Developmental Disabilities(SCDD) is established by state and federal law as an independent state agency to ensure that people with developmental disabilities and their families receive the services and supports they need. Call **(916) 263-8134** or visit our website at scdd.ca.gov/sacramento

The Mind Institute

The UC Davis MIND Institute clinic provides comprehensive evidence-based assessments of children with possible neuro-developmental disorders. The clinic providers give treatment recommendations to referring schools, agencies, physicians, and mental health clinicians. Families interested in having their children seen in a clinic should ask their primary-care physicians (PCP) and submit a referral to the UC Davis Health's Physician Referral Center or call **(916) 703-0308**.

Seeds of Partnership

Seeds of Partnership provides assistance on behalf of the CDE, Special Education Division to create/provide avenues and tools to increase partnerships and provide professional learning resources that will assist districts seeking to improve family engagement practices and educational outcomes. The SEEDs website provides valuable resources for both districts and families related to professional development and professional learning resources. Call **(916) 228-2388**.
