

COLTON JOINT UNIFIED SCHOOL DISTRICT
Purchasing Department

BID 27-02VR
CJUSD Interior Warehouse Painting Project

ADDENDUM NO. 2

July 31, 2026

Addendum No. 2 is issued in response to questions received from providers.

Question No. 1: Can you please provide colors for walls, doors, ceilings, ceiling pipes and any other building elements?

Response: *The District will select the final paint colors prior to the start of work. The project includes painting the warehouse walls and ceilings only. Doors, ceiling piping, shelving, roll-up doors, and other building elements are excluded.*

Question No 2: Do we need to paint shelf racks? If yes- who is responsible for moving any objects from the shelves as needed?

Response: *No. Shelf racks are not to be painted. The District will be responsible for relocating materials from the shelving as needed to provide access to the work areas.*

Question No 3: Do we need to paint any of the unfinished rooms which are inside the warehouse? If yes- please, provide the number of rooms, approximate size, what needs to be painted (walls, doors, ceiling, etc)?

Response: *No. Interior rooms are not included in the scope of work.*

Question No 4: Do we need to paint any of the roll up doors?

Response: *No, roll up doors will not be painted.*

Question No 5: Equipment & Logistics: The specifications state to provision two scissor lifts. Should we include the cost of these lifts in our bid, or will the district provide them?

Response: *The contractor shall furnish all equipment necessary to complete the work, including scissor lifts as needed. All associated costs shall be included in the bid price.*

Question No 6: Paint Specifications: What are the required colors and sheens for the walls and ceilings?

Response: *Paint shall be Dunn-Edwards or approved equal. The District will select the final colors prior to the start of work. Unless otherwise directed by the District, provide:*

- ***Walls: Eggshell finish.***
- ***Ceilings: Flat finish.***
