Nourishing OUR EAGLES

ANGEL FUND DONATION REQUEST

EAGLE'S LANDING
MIDDLE SCHOOL

#watchuswork

At Eagle's Landing Middle School, no child should have to worry about where their next meal will come from while trying to learn, grow, and succeed.

Our Angel Fund quietly supports students whose families may be experiencing financial hardship by covering the cost of breakfast and lunch when meal account balances become insufficient. We meet immediate needs while preserving dignity and ensuring that hunger never becomes a barrier to learning.

THE NEED IS REAL.

LAST SCHOOL YEAR, WE SPENT NEARLY

$2,500

PER MONTH, ON AVERAGE,

TO SUPPORT STUDENTS IN NEED THROUGH MEAL ASSISTANCE.

MEAL COSTS HAVE INCREASED.

Breakfast increased from $1.50 to $1.75
Lunch increased from $2.85 to $3.10

These increases create a substantial impact on families and increase the need for support through our Angel Fund.

For the upcoming school year, it will cost **$4.85 per day** to provide breakfast and lunch for one student, or **$843.90** for the entire school year (August through May).
