EVERGLADES HIGH SCHOOL

Student Parking Rules, Guidelines & Disciplinary Matrix

2026-2027 School Year

Student parking on the Everglades High School campus is limited to students with a valid parking decal. Parking decals will be allotted to students on a space-available basis, including dual-enrolled students. Parking on campus is a privilege, not a right.

Everglades High School and the School Board of Broward County shall not be held responsible for damage to vehicles parked or operated on school property.

EHS student drivers are to drive slowly, not exceed the speed limit of 5 MPH, and exercise caution at all times when driving on campus. All pedestrians have the right of way!

Parking Rules and Guidelines

Parent/Student Initials	Acknowledgment of Expectations
____ / ____	The person registering the car at EHS is the only person permitted to operate said vehicle on school grounds. Friends, classmates, or family members are not permitted to drive the permitted vehicle on campus from 7:00 a.m. to 3:00 p.m. Parking permits are not transferable to another individual. No fraudulent use of parking permits will be allowed. If a decal is found on another vehicle, both parties will lose their decals and may face disciplinary action.
____ / ____	Vehicles operated on school grounds must be in safe operating condition. School personnel may deem vehicles unsafe.
____ / ____	Only students with satisfactory behavior will be permitted to purchase and keep a student decal. If a student's behavior under the Code of Conduct becomes unsatisfactory after repeated violations, the decal will be revoked. Suspensions and/or repeated unsatisfactory behavior may result in loss of parking privileges. Violations of student parking policies may result in a security citation, violation sticker with parent notification and decal suspension, and/or removal of the violating vehicle by tow truck with decal revocation.
____ / ____	Leaving school without permission or allowing your vehicle to be used by others to break school rules, including transporting unauthorized students off campus, will result in disciplinary action, including revocation of the parking decal.
____ / ____	Student parking is restricted to the designated student parking lot. Students are expected to follow all traffic patterns and posted signage. Students may not give permission to others to park in their parking spot when they are absent.
____ / ____	Students may not park in the staff parking lot at any time. A student's decal will be revoked for parking in unauthorized parking areas, including staff spots, handicapped spots, other student spots, vacant parking spots, fire lanes, and/or double-parking.
____ / ____	Student vehicles on campus are subject to search based on reasonable suspicion for illegal objects and substances. Weapons, drugs, alcohol, vapes, paraphernalia, and other contraband outlined by the Code of Conduct are not permitted on campus at any time. The display of offensive flags, bumper stickers, words, or other materials on a vehicle is prohibited. Violations may result in disciplinary action, loss of decal, and notification of authorities. Decal holders are responsible for all items found in their vehicle.
____ / ____	Students are not permitted to remain in their cars or in the parking lot after arriving on campus. Once a student is on school grounds, the only way the student may leave campus is by following the sign-out procedure. Students may not enter the parking area during the school day without administrator approval. Failure to adhere to these rules will result in loss of parking decal.
____ / ____	Motorcycles must be parked in the designated area. A student parking decal must be displayed. Students driving a motorcycle must wear a helmet while on campus.

No refund will be available if parking privileges are revoked as a result of disciplinary consequences.

____ / ____	Failure to follow established traffic patterns, posted speed limits of 5 MPH, and/or safe operation of a vehicle, including spinning tires or revving engines, may be grounds to revoke and/or deny parking privileges. Students must stop at all stop signs, stop bars painted on the ground, and all intersections on campus. Florida Statute 316.3045 prohibits loud music that is plainly audible within 25 feet; law enforcement may issue tickets for music played too loudly in vehicles.
____ / ____	Students must have an original EHS decal properly displayed on the front lower driver-side corner of the windshield and, if applicable, in the lower driver-side rear window.
____ / ____	Students who already have a parking decal and need to drive a different vehicle temporarily must obtain a temporary decal. Students must bring the registration and insurance card to the School Counseling Department to receive a temporary decal. Temporary decals must be affixed to the rearview mirror or properly placed on the driver's side dashboard with the information facing out. Anyone involved in duplicating decals will be subject to school consequences, including decal revocation.
____ / ____	Students who change vehicles must notify the school before receiving a new decal. Students must bring the new vehicle registration, insurance card, and application in order to receive a new decal. Old decals must be scraped off and turned in before a new decal is issued. If the old decal is not returned, a new decal may not be available. A replacement decal, with the scraped-off old decal, is $10.00.
____ / ____	Student drivers are not permitted to use a cell phone while operating a vehicle on the EHS campus. Texting, talking, or using social media applications is prohibited because it distracts the driver and creates an unsafe environment.
____ / ____	Failure to abide by any of the above rules may suspend parking privileges for the remainder of the school year. Once a parking decal is revoked for breaking the above rules and/or guidelines, the student may not park on campus for the rest of the school year.
____ / ____	Students who do not maintain an unweighted 2.0 GPA, cut class, and/or have discipline problems are subject to revocation of the parking decal.
____ / ____	Dual enrollment students may only dismiss at the end of B lunch or at 2:40 p.m., unless otherwise approved by administration.
