Butler BOE**

Re: Project Cost Negotiation with DPMC approved GC and Electrician.

Dear Mr. Gianforcaro:

Verified the pump specifications with the sticker of the pump model on the existing control panel.

Revised Scope:

Builders risk insurance (usually Builders risk insurance is for a Building Project, it should be waived, I am excluding it, if needed add \$2,300.00).

Bond included for 1 year.

Remove/Furnish/Install 2- 4" fxf Mueller Gate Valve with Hand Wheel and 2- 4" fxf Kennedy Swing Check valve with new gaskets.

Remove/Furnish/Install 1-4" flanged Goulds WS2038D4 Pump as listed in specification and listed on existing control panel with stainless bolts and new gasket.

Furnish and leave additional spare 1- 4" flanged Goulds WS2038D4 Pump.

Electrical subcontractor will disconnect, reconnect new pump and check rotation of new pump.

Existing floats and existing control panel to remain.

Vac truck is not included.

Might need to be flexible on contract time extension.

PO Box 526 • Gladstone, NJ 07934 • (908) 722-0355 • Fax: (908) 722-1522

TOTAL LUMP SUM \$49,567.00

Please let me know as soon as possible to procure the equipment.
