Mobile App

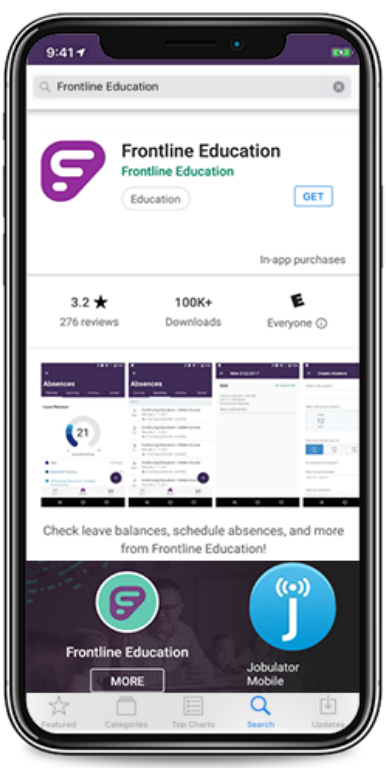

Districts that use the Frontline Insights Platform also gain access to the free Frontline Education mobile app. The app provides increased accessibility to absence creation and other absence tracking tools.

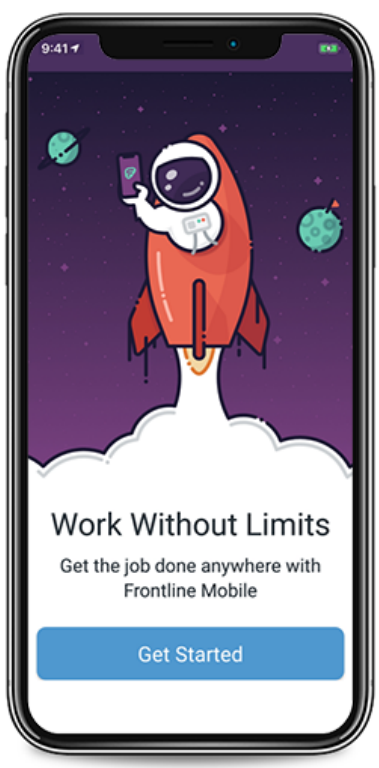

GETTING STARTED

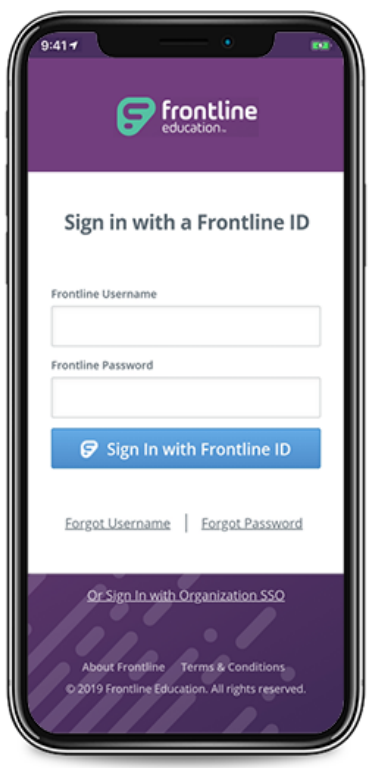

Go to your device's App/Play store or use the following QR code to download the Frontline Education app.

Apple Device	Android Device

Once the download is complete, press **Get Started** to proceed to a sign in page. From there, enter your Frontline ID account or use SSO and sign in. *Once signed in, you may be prompted to select an org.

HOMEPAGE

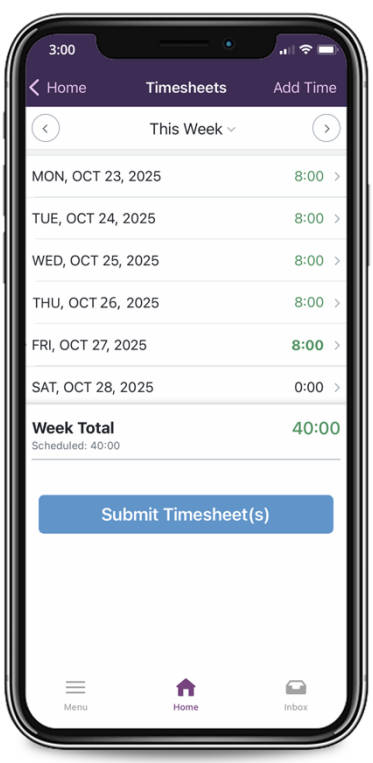

The homepage displays information based on your permissions. Potential in-app features include absence or leave balance details (if enabled), clock-in/out functionality, timesheet details, and absence scheduling.

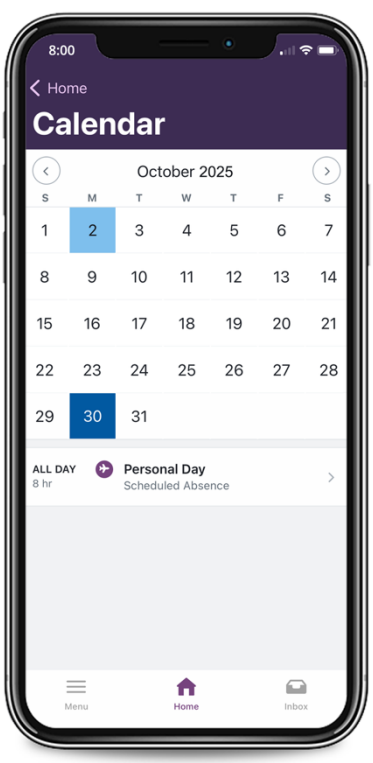

MENU/SIDE NAVIGATION

The "Menu" option opens a side navigation bar where you can access current tools and settings.

Absences	View available Paid Time Off (if leave balances are enabled), approved, upcoming, past, or denied absences, and option to schedule an absence.
Time Clock	Clock in and out.
Timesheets	View, edit, and submit your timesheets on the go.
Calendar	View upcoming scheduled absences and any Professional Development events you have registered for through Professional Learning Management.
Visit Website	Navigate to the web version system login page.
Help Center	Access online help resources specific to your Frontline mobile app.
Contact Support	Reach out to Frontline's Mobile Support team if you have a question or feature request for Frontline mobile.
Settings	Review district details and user preferences (e.g., dark mode, etc.) or log out.
Inbox	Review any received web alerts from your district.
People	View your contact list and reference email and/or personal phone options.
