CROSBY ISD

SMART USE. STRONG FUTURES.

Purposeful Technology. Powerful Learning.

At Crosby ISD, we use technology with purpose to enhance learning, protect student well-being, and prepare students for the future.

RATIONALE AND UNDERLYING BELIEFS

Technology use in Crosby ISD is guided by the belief that digital tools should enhance—not replace—high-quality instruction. Times like recess, early work completion, and free time are intentionally screen-free to encourage social interaction, creativity, and movement. Research shows that unstructured or excessive screen time can negatively impact attention, sleep, and peer relationships. By maintaining a balanced and purposeful approach, Crosby ISD ensures that technology use supports student well-being and aligns with the skills outlined in the *Portrait of a Graduate*—such as collaboration, self-reflection, and real-world problem solving.

Pre-K - 5th grade devices will remain at school.

GUIDELINES FOR INSTRUCTIONAL TECHNOLOGY USE

- ✓ All apps, websites, and software used with students must be vetted through the Crosby ISD Technology and Curriculum departments.
- ✓ Approved resources must:
 - Align with instructional goals and learning objectives
 - Protect student data privacy
 - Be free of inappropriate content
 - Offer meaningful, engaging learning opportunities

WHEN TECHNOLOGY SHOULD NOT BE USED

- ✗ During indoor recess
- ✗ During free time
- ✗ As a reward for finishing work early
- ✗ When using the internet unsupervised
- ✗ On personal devices (e.g., phones, smartwatches, personal laptops)

BE RESPECTFUL

BE RESPONSIBLE

BE YOUR BEST

Together, we create a learning environment where students use technology with purpose and become future-ready *Cougars!*
