Safety First! Safety Always!

We appreciate your support in making Portola a safe school community. We all have to be conscious and intentional when it comes to making safety a priority.

- Please use the pick up/drop off zone for the intended purpose.
- In both parking lots, please only park in designated stalls. In the *Partridge parking lot*, please do not park at the curb closest to the Kindergarten classrooms. In the *Eagle parking lot*, please do not park in staff designated stalls.
- Never block handicap parking and only use the handicap stalls when you have a placard.

Always follow all traffic laws around our school campus and plan to arrive early.

Arrival & Dismissal Procedures

All students are expected to be on campus at 7:55AM. Thank you for your support in making sure our students arrive on time and are ready to learn!

Visitors

All visitors are required to check in at the front office before visiting any classrooms or personnel. This procedure is necessary to reduce classroom interruptions, ensure the safety of students and personnel, and ensure the security on our campus at all times. Visitors are required to have a sticker to show they checked in at the front office.

Wednesday Is Early Dismissal Day

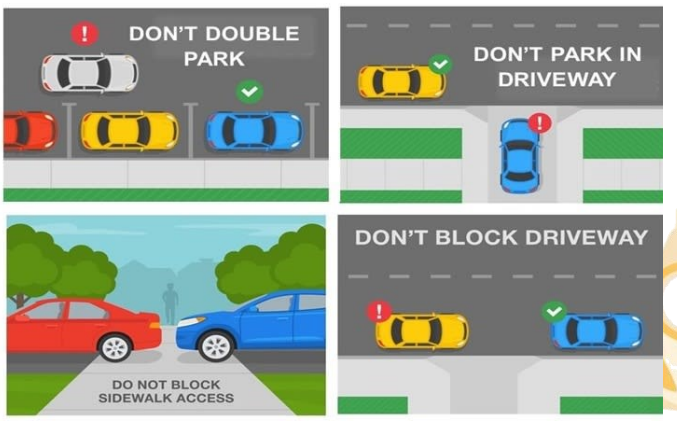

Please make arrangements to have you child picked up at the appropriate time.

Attendance: Vital To Academic Success

Arriving at school on time allows classroom teachers to fully engage students in their learning with minimal interruption. Missing 10% of school (1 or 2 days every few weeks) can also make it harder to:

- Gain early reading & math skills.
- Build relationships
- Develop good attendance habits.

Please work with your child and his/her teacher to develop your child's strong attendance.

Just a reminder...

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Share ideas with other parents for getting to school on time.
