CHRISTIAN BROTHERS ACADEMY

850 Newman Springs Road • Lincroft, NJ 07738-1698

August 2026

Dear Parents/Guardians:

Christian Brothers Academy has partnered with EdTech Solutions for textbook purchases.

Beginning on August 6, 2026, books will be available through our virtual bookstore at cba.shelfit.com.

Ed Tech is the preferred vendor for purchasing textbooks. CBA has worked with them to ensure the correct editions of all required books are stocked for your son's classes. As a result, EdTech is the most reliable source for accurate book information. You may, however, purchase books from other vendors if you choose.

Book Options

- If a book is available in a digital format, it will be indicated on the EdTech site.

Please take note of the following:

- Use the courses listed on your **"2026–2027 Course List"** (included in your August mailing) to determine which books to purchase.
- Your son will receive all State-Loan Textbooks during Student Orientation Day.
- **If a course is not listed on the EdTech site, or if no books are listed for a course, your son may still receive a state-loan textbook at orientation, or the teacher will have made alternate arrangements.** Please note: Some courses may require both a state-loan textbook and additional books that must be purchased through EdTech.
- A full list of courses using state-loan textbooks can be found on your son's **Class Page** on the CBA website.
- Please only purchase books once you are certain your son is enrolled in the corresponding course.
- The **CBA Bookstore does not sell textbooks**.
- For assistance with your account, contact **EdTech Customer Service at 855-338-3245**.
- **IMPORTANT:** Please save your EdTech login credentials. Your account will be used throughout your son's four years at CBA.

Sincerely,
Jen Alexander
