How to Access Your eBooks

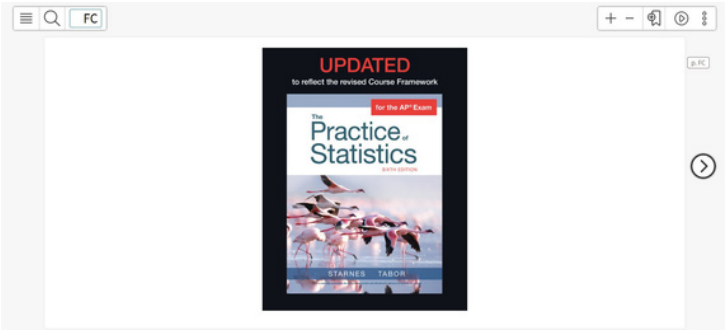

Step 1: Log into your Shelfit Account.

Step 2: Your ebooks will appear on your Shelf, the first screen you see after logging in.

Step 3: Clicking on an eBook on your Shelf will prompt one of two things, depending on the type of eBook it is.

1) eBook - Your Reader will open in a separate tab, providing direct access to your eBook.

2) Platform - You'll be taken to a new tab, where you'll see login information and instructions to access your ebook on the publisher's platform.
