CHRISTIAN BROTHERS ACADEMY

850 Newman Springs Road • Lincroft, NJ 07738-1698

August 2026

Dear Seniors and Parents/Guardians,

We hope that you are enjoying a restful summer. As we prepare to return to school in September, the School and College Counseling Office wants to provide you with an overview of the coming year.

In addition to an overview of the year, you will find the name of your School and College Counselor below, based on your son's last name. No changes have been made from the previous year, so your son's counselor should be the same as last year.

Counselor Assignments by Last Name

Mr. David Frick---------- A - De
Mr. Kevin McCaig---------- Di - K
Mrs. Rosellen Leo ---------- L – R
Mr. Patrick Brennan ----------S – Z

This year you will embark on the final leg of your journey through Christian Brothers Academy. You have been working toward the college admission process since the beginning of your high school career and have accomplished a great deal the past few years. Yet, the work is not done. Below are several important steps we recommend you take to ensure a successful college process. At the start of the year, you will meet with your counselor to discuss these steps and more. Included on the class page you will also find a calendar of important tasks to guide you through the year. In the meantime be prepared to discuss the following with your counselor:

1. Finalize a list of potential colleges including likely, target and reach schools.

2. Investigate each college's application process (i.e., common application or some other online application offered by a college). Note all deadlines!

3. Recommit yourself to academic excellence for senior year. Senior grades can become the critical factor in any close admissions decision.

4. Prepare well for additional SAT/ACT tests with the understanding that many colleges remain test-optional. Talk with your counselor about which schools to send your scores to.

5. If you intend to apply for financial aid, check each college on your list for the required forms (FAFSA, CSS Profile, etc.) and deadlines.

LASALLIAN EDUCATION

During Orientation Week, the School & College Counseling Office will meet with all seniors to review the application processes to be completed in Maia Learning. Please come prepared to give us your full attention during this especially important time. Parents/Guardians are invited to attend a Senior Parent Night on Wednesday, September 2 at 6:00 PM. This program will detail the college process for senior year. Look for an upcoming email with additional details. We will have over 100 colleges visit CBA this coming fall for individual visits, while also hosting a mini-fair on Friday, October 16th. These are great opportunities to connect with the college representatives that will be evaluating your application. Students must register for the individual visits on the Maia Learning site, but you do not have to register for the mini-fair.

We have a busy agenda ahead of us but by working together we can enjoy a fruitful and productive year. We look forward to our continued partnership. Enjoy the rest of your summer!

Sincerely,
The CBA School & College Counseling Office
