

7th Grade English Language Arts

Ms. Alkhori RM: 303 hannah.alkhori@dvusd.org

Teaching Philosophy: I believe that every student can grow as a reader, writer, and critical thinker. My classroom is built on respect, effort, kindness, and the belief that learning happens when we are willing to challenge ourselves. My goal is for every student to leave this class more confident than when they walked in.

Class Description and Objectives: During the school year we will be working diligently in ELA to cover a wide array of standards. A copy of these standards can be accessed on our district website. The areas we will cover will range from reading and analyzing the elements of literature, informational texts, vocabulary, functional texts, persuasive writings, and novels. We will also be incorporating writing into much of what we do in class on a daily basis. We will be composing mostly argumentative and informational pieces of writing to be used across all curriculums.

Text Book: The Textbook will be used in StudySync, there is no hard copy text book for this class.

Supplies: On a daily basis students will need their district administered Chromebook and charger. Students will also need the following:

- 1 Composition Notebook - College Ruled
- 1 Folder
- Glue Sticks
- Scissors
- Pencils
- Colored Pencils
- Highlighters
- Red Pens

If your student is unable to bring these items to school please let me know!

Arizona law requires that public schools provide supplies required for academic success. This list represents optional, supplementary items which you may supply, at your discretion.

Classroom Expectations: Students should be on time, prepared for class, and respectful to all others in the classroom. Students should ask appropriate questions when they arise and listen when others are speaking. The use of cell phones and personal music devices is **prohibited** in the classroom unless special permission is given. Chromebook usage will be at teacher discretion. Failure to follow any of these expectations will result in discipline ranging from verbal warnings, detentions, up to referrals to the office. All students have the right to learn and no student will impede that right.

Arizona state law requires public schools to limit the use of personal wireless communication devices during the school day. To support student learning and minimize distractions, students are expected to keep cell phones and other personal electronic devices put away during class.

Assignments and Late Work: Assigned work must be completed and prepared to turn in to the teacher at the end of class on the assigned day. The work done for the class is done within the school day. Homework is not assigned in this class. Parents of students who repeatedly fail to complete work will be contacted and informed of the current issues in the classroom.

Absent Work: Students are responsible to pick up absent work upon returning to school. They will have 1 day for every day they were absent to complete the work. Assignments for the week are posted on my Canvas homepage. In cases of long term absences, special arrangements will be made by the teacher.

Grades: Grades will be updated weekly in the online Powerschools system. It is important that you and your student have access to their current grades in all classes. Students' grades are divided into two main categories: Assessments 80%, Coursework 20%. Grades are updated in Powerschools on a weekly basis.

AI: To be college-, career-, and community-ready, students in the Deer Valley Unified School District are expected to demonstrate academic integrity. Academic integrity is all about being honest and fair in your schoolwork. It means doing work that is entirely your own and giving credit to others (including generative Artificial Intelligence tools) through proper citation when you use their ideas or words.

I'm looking forward to another amazing school year! Please feel free to contact me at any point if you have questions or concerns.
