

YEAR 7 SCHOLARSHIPS

At Bury Grammar School, we challenge and inspire our pupils to work hard, aim high, achieve their very best and develop their love of learning. Scholarships are awarded to pupils who we feel have the potential to excel in a particular subject and play a leading role in senior school life. Our scholarships carry a small monetary award for the pupil, but their true purpose is to recognise excellence.

Our Scholarships

Kay Scholarship: This Scholarship holds historic significance and is awarded to the two top-performing external and internal pupils.

Scholarships for Subject Excellence:
Mathematics, English, Science, Computing, Music, Art plus other areas in which pupils show outstanding potential.

Apply to be a Year 7 Scholar!

If you would like your child to be considered for a Subject Excellence Scholarship, please indicate this on their application form. Scholarships will be awarded to pupils who evidence their ability to excel in their subject throughout the application and interview process.

Successful scholars will be notified when they receive their offer letters to BGS.

*Please note: whilst our scholarships do carry a monetary value, they are not a means of fee-assistance.
Please apply for our Bursaries for help with school fees.

YEAR 7 SCHOLARSHIPS

Our Year 7 Scholars are given the opportunity to:

Act as Departmental Champions!

- ★ Take on leadership roles
- ★ Represent the subject department at various times of the school year
- ★ Be pro-active and enthusiastic about their subject
- ★ Be dedicated to raising the profile of their scholarship subject
- ★ Support peers and promote confidence in their subject area

Engage in our extensive Super Curriculum

At Bury Grammar School our Super Curriculum is designed to provide pupils with the opportunity to enhance their learning and develop depth and breadth of knowledge which extends beyond the usual curriculum.

- ★ Inspire academic curiosity and develop a love of new subjects
- ★ Attend specialist lectures and widen their academic reading
- ★ Engage in academic enrichment activities and independent research
- ★ Enter academic competitions and represent the School

*Please note: whilst our scholarships do carry a monetary value, they are not a means of fee-assistance.
Please apply for our Bursaries for help with school fees.
