NEWSLETTER

MESSAGE FROM THE HEAD

Dear Parents, Grandparents and Guardians,

A short introduction today given that I sent out my letter to round off the first half of term yesterday.

Firstly, please may I draw your attention to two important documents on the Parent Portal. The first is a brochure for all parents explaining our reporting and feedback cycle, and the second has an important update on managed devices for parents of pupils in Year 5 and Year 8. Both can be found under 'Letters Home- Prep- Whole School'. Please do take time to read them carefully. If you have any questions, our staff will be happy to assist after the break.

I wanted to publicly thank all those parents who give their time and commitment as part of the Parents and Friends Association Committee. Their AGM was held yesterday evening and I was reminded of what a key contribution they make to our community. I know there are a couple of spaces available to be PFA year group or boarding reps. Do get in touch with them if you would like to be involved. Thanks again for their energetic support of MPS.

I suspect that by the time you read this House Singing will have already taken place. I know the children can't wait to perform for their Houses and we can't wait to hear the results of their hard work over the past weeks.

Have a wonderful, restful half term – I'm sure we are all looking forward to it!

Yours,
Dan

PICTURE OF THE WEEK

This week's Picture of the Week is this excellent pencil drawing by **Theo G.**

PARENT NOTICES

Book Amnesty

Over half term please could you have a check to see if there are any school reading books at home. We are missing quite a few books from some collections such as: Dairy of a Wimpy Kid, Isadora Moon, The ** Storey Treehouse, Katie Morag and more.

Please send any books back into the Junior reading room or the library after the break.

Reminder for Parents – After School Collection

If you are collecting your children from the reception car park after 5.15pm, please make yourself known to Reception. As it gets darker in the car park during these hours, we kindly ask this for safety reasons to ensure children are not left wandering and can be safely handed over. If you are collecting from swimming or rehearsals, please wait by the reception gate.

Thank you for your cooperation.

PARENT NOTICES

Firework Night

Why not bring your friends and family to our annual fireworks event on Saturday 8 November?

6.15pm-Gates open 7.00pm-Fireworks display 7.30pm-Lighting of the bonfire

Refreshments: Hot dogs and hot chocolate are included in the ticket price (vegetarian option available).

The Parents and Friends Association will be running a tuck shop for the event! The display will be on the Coxbridge Field (to the right of the bottom roundabout on Martins Lane).

Tickets will be available next week. Tickets for day pupils and their families should be collected from Reception and boarders will be given tickets for their families on the day via their houseparents. Tickets are £8 each. There will be no dogs on site. Car parking stewards will direct you to the parking areas. Please park in the designated areas and do not park on the road. If you require disabled parking please inform reception by Wednesday 3 November.

SAFEGUARDING NOTICE

Important Safeguarding Notice: Children's "Spy" Books

We want to make you aware of a recent issue affecting some popular children's books by Andrew Cope, including the Spy Dogs, Spy Cats, and Spy Pups series.

Some editions of these books include a printed web address at the back. This link used to go to the author's website, but the domain is no longer under his control. It has since been taken over by another party and now leads to inappropriate adult content.
The publisher, Puffin, has paused sales and distribution of the books and is working with schools, libraries, and retailers to remove copies from circulation. They have stressed that the website has no connection to the author or publisher.
What this means for you:

- If your child has any Spy Dog, Spy Cat or Spy Pups books at home, please check the back for website links and make sure they do not try to visit the site.
- It is safe for children to continue reading the stories themselves — the concern is only with the outdated link.
- We recommend talking with your child about the importance of not following web addresses in books without checking with an adult first.

Online Safety

Children tend to spend more time on devices during the school holidays, this is only natural and to a degree, to be expected. Please see the helpful guides below to help you manage screentime.

Resources

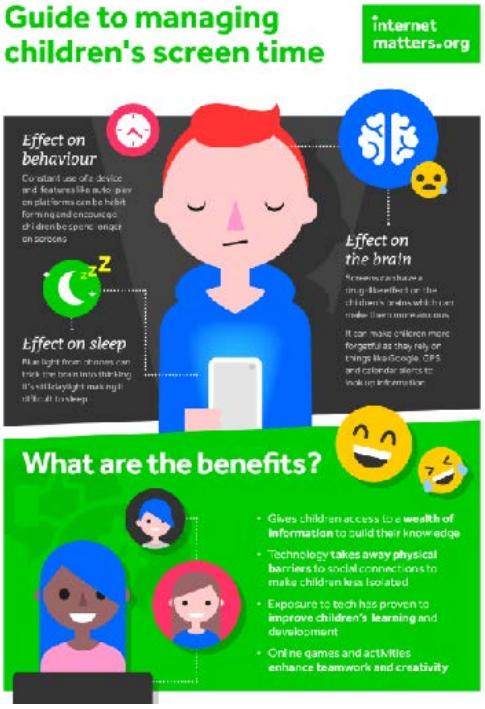

There are lots of useful resources out there:

https://www.nspcc.org.uk/keeping-children-safe/online-safety/

https://www.nspcc.org.uk/advice-for-families/talking-about-difficult-topics/?utm_old=difficulttopic

https://www.nspcc.org.uk/advice-for-families/depression-anxiety-mental-health/?utm_old=depression

https://www.cypsomersethealth.org/parent_and_carer_toolkit

CAR PARKING AND DRIVING ON SITE

We are aware that at times the junction into school and the top car park by Reception in particular, can be very busy.

We kindly ask for your cooperation in ensuring the safety of all children, staff, and visitors by driving carefully whilst on school grounds. Please remember:

- To drive at a slow, cautious pace.
- Be mindful of pedestrians, especially during drop-off and pick-up times.
- To park only in designated areas only (Top car park for Pre-Prep, Martins Lane for Years 3-6 and Reception car park for Years 7-8) and avoid blocking entrances or exits.
- That parking in boarding house car parks is not permitted.
- That overtaking is not permitted on site.

CHARACTER EDUCATION AND LIFE SKILLS

CELS (Character Education & Life Skills - previously PSHEE)

There's a real buzz of excitement around CELS this half term, with so many meaningful and inspiring activities happening across the school. Parents — please do keep an eye on your inboxes for the CELS scheme overview and updated policy, which we would be delighted to receive your feedback and input on.

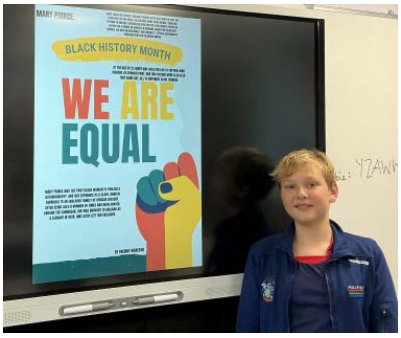

Our main focus this half term has been helping pupils orientate themselves at the start of the year by developing great friendships, understanding how to keep themselves safe, and becoming well informed about protected characteristics and fundamental British values. These themes have been explored in age-appropriate and engaging ways across all year groups.

We were also thrilled to welcome Nick South from the National Grid on Monday, who delivered dynamic and highly engaging sessions to every year group from Pre-Prep through to Year 8. His energetic presentations on hazard perception and staying safe around electrical lines and substations were both informative, important and unforgettable!

Finally, our Year 8 pupils have been producing thoughtful and creative presentations this week, each focused on a figure from British culture who demonstrates passion and pride — tying in beautifully with this year's theme for Black History Month. The photos shown capture just a snapshot of their impressive work and enthusiasm.

HOUSE SONG

HELLO YELLOW ASSEMBLY

During our junior assembly on Friday 10 October, we were encouraged to be curious and to check in with ourselves and those around us, paying attention to how we feel by using the weather as a metaphor for our emotions. We talked about good feelings and big feelings not "bad" ones because even when emotions feel weird or uncomfortable, they still matter. There's room for them all, we need to listen to what they are telling us. We compared uniformity and diversity and how, although we're all different, we can all feel the same. Our shared emotions connect us and remind us that no one is ever alone in how they feel. Our new posters of 'who is here to help' around school remind us that support is always available, and just like our physical health, mental health is just as important. Year 6 and 7 were joined by James Stevenson and two Senior School students. Electra spoke about the inspiring "Look Up and Wave" campaign, encouraging us to connect with the people around us. James ended the session with a mindful meditation, helping everyone pause, breathe, and reflect. I'll leave with you this thought from Charlie Mackesy's well known book that resonates , "Isn't it odd, we can only see our outsides, but nearly everything happens on the inside".

Thank you to everyone who supported #HelloYellow on 10 October. Your donations and participation mean so much and help us continue raising awareness for young people's mental health.

POM POMS IN KNIT AND NATTER CLUB

FOREST SCHOOL

Another fun afternoon in the woods for Enrichment activities. This time Year 8 girls got stuck in with fire lighting and cooking some caramelised apples on the fire. We had lovely chats too! Thank you to our superb fire starter **Sophia!**

SHAPWICK HEATH NATURE RESERVE

This week at Shapwick Nature reserve, the task set for us by the volunteers was to construct wooden perches for birds of prey. After an introductory talk about the birds that are often seen at the reserve, we got to work with hammers and nails and successfully created six perches. We then went for a walk on the reserve and had to think carefully about where to position our perches. Kestrels, red kites and owls will soon be using them as a place to rest.

MUSART

A fantastic evening celebrating music and creativity at Millfield Prep! Pupils and parents painted vibrant boards inspired by the chapel's stained-glass windows while enjoying beautiful live performances.

The finished artworks will soon be displayed in the chapel for everyone to enjoy.

SPANISH CLUB

Year 7 Spanish club have been learning about Mexican traditions!

ICT – ONLINE SAFETY

So far this term in Computing and ICT, pupils across Years 6 to 8 have been exploring key themes around online safety, digital responsibility, and resilience in the digital world.

Year 6 – Be SMART Online
Our Year 6 pupils have been learning how to stay safe online using the SMART framework:

- Safe – Keeping personal information private
- Meet – Being cautious about meeting online contacts in person
- Acceptable – Understanding what is appropriate to share and view
- Reliable – Knowing how to judge the reliability of online sources
- Tell – Encouraging students to speak up if something online makes them uncomfortable

Through interactive activities and discussions, students are becoming more confident in navigating the internet safely and responsibly.

Year 7 – THINK Before You Post
The pupils have focused on digital communication and the impact of their online presence. Using the THINK model, they've explored how to post thoughtfully:

- True
- Helpful
- Inspiring
- Necessary
- Kind

They've reflected on how their words and actions online can affect others, and how to contribute positively to digital communities.

Year 8 – Building Digital Resilience

In Year 8, the emphasis has been on developing digital resilience—the ability to understand, learn from, and recover from online challenges. Students have explored:

- Understand the risks and opportunities online
- Know how to protect themselves and others
- Learn from mistakes and experiences
- Recover from setbacks and seek support when needed

This unit has empowered students to take control of their digital lives and respond to online issues with confidence and maturity.

BE SMART ONLINE

S Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.

M Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then, only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time.

A Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R Someone online might lie about who they are and information on the internet may not be true. Always check information with other websites, books or someone who knows. If you like chatting online, it's best to only chat to your real world friends and family.

T Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

♡ Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

BOARDING LIFE

HOLLIES

Well done, Team Hollies! We've reached the end of the first half of term— and what a wonderful week it's been to lead into a well deserved break! We kicked things off with a very happy celebration for **Cecily's** 12th birthday, complete with delicious Cecily Caterpillar cakes enjoyed by all. The week has been full of creativity, with the girls busily making pompoms for our new 3D art installation, and plenty of fun on Saturday night with Mrs Morgy and Miss Graham's pizza making evening. On Sunday, our amazing swimmers took to the pool for the charity swimathon, completing hundreds of lengths collaboratively and showing true Hollies determination and teamwork.

CHESTNUT

It is hard to believe that we are already at half term. The girls have settled well into the Chestnut routines, and have enjoyed getting to know each other and live as a big family. It was a fun filled weekend, with the girls taking a trip to the local supermarket on Saturday evening to do a little shopping; there were some tough decisions made to get the best value. Some delicious treats were bought and enjoyed with a movie. The girls got to enjoy a slow Sunday, with breakfast in house, followed by the charity swim challenge and lots of fun onsite activities. The birthday season continued this week with **Velanie** celebrating in house with the Chestnut girl, with another Krispy Kreme donut tower and McDonalds, which the girls enjoyed! Happy birthday Velanie! We would like to wish all our girls and their families a lovely half term. See you all soon.

BEREWALL

The Berewall boys have been so busy this past week. Friday night was a celebration for **Gyumin.** Pizzas and doughnuts were devoured for his birthday, happy birthday Gyumin! A big well done to **Maverick**, who competed brilliantly in the National schools indoor Skiing, well done Maverick! The weekend was busy with fixtures, so we organised a movie night with ice cream and popcorn. Just the thing for our tired boys. Sunday was a lazy morning for most. **Ritsuki** travelled to Solihull for a National fencing competition and did amazingly well to finish second after a very close final. It was great for him to get a standing ovation from the boys in our Monday morning house meeting. We are all very proud of him. Tech free Tuesday has been a chance for the boys to try different things and enjoy each other's company. Origami and board games were a real hit, so good to see the boys challenging themselves and embracing the activities. Wednesday evening was the much-anticipated half term finale of our competition for the most praises and 'good news', a big well done to **Zitian, Ruoyan** and **Milo** who took the prize for the dorms and a huge well done to **Alberto** for winning the individual award, lovely to reward our boys for their good conduct, keep up the good work boys. Pizza was a fitting prize for all. The boys have made it to half term, and we hope that you all enjoy some much deserved time off. Rest, relax and enjoy!

CHAMPION

We can hardly believe we've reached the end of the first half of term already! As always, September has been a busy and exciting month, but the boys have made fantastic progress and have really settled into life at Champion.

This week, we enjoyed a lovely visit from Mrs Wren, who brought along Raymond and Minnie, her delightful sausage dogs, to meet the boys. There was no shortage of enthusiastic volunteers to take them for a walk in the woods!

We've also celebrated more birthdays in the house: a delicious homemade cake for **Ted**, chocolate cake for **Jaime**, and a stack of pizzas for **Kipkalya**. Happy birthday, boys!

Wishing all our families a very happy and restful half term holiday.

BRILLIANT BOARDERS

HOLLIES

We also celebrated our half-term award winners, who couldn't be more deserving. **Elena D** has been named our first Brilliant Boarder for 2025–2026. Independent, fun, and effortlessly organised, Elena is the quintessential boarder — reliable, flexible and always full of positivity. Our Fabulous Flexi award goes to **Zara**, who is consistently one of the first to offer a helping hand, showing kindness and setting a brilliant example to others. Huge congratulations to both Zara and Elena — and to all the girls for a fantastic first half of term!

CHESTNUT

Our brilliant boarder for this half term is **Sophie.** Sophie only joined us in September and has made a fantastic first impression. She is positive, polite and a ray of sunshine around the house. Sophie is always the first to offer help and has built such lovely relationships with her fellow boarders and the house staff. She takes pride in being organised and prepared with such a busy schedule. Well done, Sophie, you have made an incredible start to life at MPS. You are a true asset to the house and role model, and we are very proud of you.

CHAMPION

Our brilliant boarder for this term is **Anton.** He has shown outstanding resilience in adapting to life away from home and has done so with great maturity. Anton is polite, well-mannered, and a wonderful addition to the house. He has quickly picked up the routines — all in a second language — which is truly impressive.

Despite a recent finger injury that kept him 'off games' for a couple of weeks, Anton has handled the setback with patience and positivity, never once complaining. Around the house, he shows a calm, steady temperament and a natural sense of responsibility. He is pleasure to live with — for both staff and his fellow boarders. We are so pleased with his progress and positive attitude. Well done Anton!

BEREWALL

The Berewall brilliant boarder for this half term goes to **Ruoyan.** With so many new boarders in the house, Ruoyan has stepped up to lead by example. He goes about his business quietly and efficiently; he is very reliable and great fun...especially when his beloved Tottenham are playing! Keep up the good work Ruoyan, well done, you deserve this.

SPORTING NEWS

HOCKEY

The U13A girls competed in the IAPS Hockey National Qualifier. They began a little tentative, but soon found their form, winning all group games, quarter final, semi final and displaying their true natural flair and talent to come back 0-1 in the final to win 3-1. They displayed clinical finishing on the day, scoring 21 superb goals and only conceding two. The girls played some outstanding hockey throughout, but above all, the most impressive aspect of their game is the 'team' ethos, playing for each other from the very first whistle. On to the National IAPS Finals they go!

Congratulations to the U11 girls hockey team who played in the West IAPS competition and finished runners up to qualify for the National IAPS Finals in Repton.

TENNIS

Congratulations to **Maxi H** on his win at the U11 Tennis Grade 3 Winter Regional Tour in Newport. We also want to congratulate **Rory S** on his win at the U10 Tennis Grade 4 win at Kings Tennis Club. It's great to see their continuous hard work paying off.

GOLF

Georgie P was selected to represent her junior section at Wells Golf Club in the Somerset League Knockout Final on Sunday. She had a hard job ahead of her as she had to give 22 shots to her opponent, but this didn't deter her and she still managed to win 4 and 2 on the 16th with a fantastic birdie putt to win!

CROSS COUNTRY

Our senior runners were in action at the Somerset Junior Cross Country Championships at Kings College Taunton this week. It was a flat and fast course with perfect running conditions. **Ralph H** and **Bea H** dominated their races and are now Somerset Champions. Our other runners packed well at the front of the field and this bodes well for the upcoming regional final of the English Schools Cup race after half term. Thank you to Miss Graham and all the parents who helped and supported our runners on the day.

NETBALL

The U13 team started their Year 8 netball with a strong performance against Hayesfield Girls School from Bath. A quick trip across to our senior school for the match and the whole squad playing 3/4 quarters. After a blistering start taking the first quarter 11-1, the team played different combinations to win overall 36-17. What was more impressive was the determination and teamwork shown by all of them.

Thank you to the parents who came to support, the senior school staff who helped us with the scoring and Mrs Morgie for her invaluable time.

EQUESTRIAN HALLOWEEN SHOW

Class 1: Fancy Dress
- 1st **Isla S** on Scribbles
- 2nd **Alena M** on Lola
- 3rd **Coco L** on Sam

With lots of other fantastic entries well done everyone.

Class 2a: Loose limbs
- 1st **Nina W** on Lily Mo
- 2nd **Ritsuki K** on Lily Mo
- 3rd **Rocio M** Peiro
- 4th **Max Y** on Louella

Class 2b: Loose limbs.
- 1st **Elena D** on Piper
- 2nd **Sienna A** on Mr Cow
- 3rd **Alena M** on Lola
- 4th **Mariia G** on Mr Cow
- 5th **Coco F** on Mr Cow
- 6th **Isla S** on Scribbles

Class 3: Small X bones
- 1st **Elena D** on Piper
- 2nd **Harper H** on Charlie
- 3rd **Alba M** on Archie
- 4th **Sienna A** on Louella

Class 4: Large X bones
- 1st **Harper H** on Charlie
- 2nd **Fizzy O** on Piper
- 3rd **Elena D** on Piper
- 4th **Ishaan M** on Lola

Class 5: Shifty fifty 50cm
- 1st **Sophie U** on Owen
- 2nd **Izzy O** on Charlie
- 3rd **Fizzy O** on Piper
- 4th **Ishaan M** on Lola

Class 6: 60 cm
- 1st **Olly R** on Jacko
- 2nd **Sophie U** on Owen
- 3rd **Layla S** on Charlie
- 4th **Sky O** on Milo
- 5th **Alba M** on Archie

Class 7: 70 cm
- 1st **Sky O** on Milo
- 2nd **Celeste B** on Crystal
- 3rd **Tabby A** on Max
- 4th **Layla S** on Charlie
- 5th **Oliver R** on Jacko
- 6th **Toby R** on Oscar

Class 8: 80 cm
- 1st **Coco L** on Sam
- 2nd **Elizabeth C** on George
- 3rd **Calla F** on Breeze
- 4th **Tabby A** on Max
- 5th **Toby R** on Oscar

Class 9: 90 cm
- 1st **Coco S** on Sam
- 2nd **Elizabeth C** on George

MILLFIELD
PRE-PREP SCHOOL

NEWSLETTER

MESSAGE FROM MR JORY

Dear Parents, Grandparents and Guardians,

We have had an exciting week filled with hands-on learning, outdoor adventures, and plenty of creativity!

Our week began with an informative safety talk from the team at National Grid. The children listened carefully and learned all about staying safe around electricity. It was a fantastic opportunity to reinforce important messages in a way that was both age-appropriate and memorable.

Tadpoles got stuck into nature at Forest School where they made their very own wormeries! Frogs wrapped up their Rock Pool topic with an exciting trip to the aquarium.

Reception enjoyed a big outdoor adventure of their own with a trip to Kilve Beach in search of fossils. Year 1 headed to Forest School this week, where they let their imaginations run wild creating their very own Gruffalo pictures using natural materials. Year 2 had a fun and tasty time baking homemade fudge and making fridge magnets.

As we come to the end of another busy half term, we look forward to a well-earned rest in preparation for next half term and the magical run-up to Christmas!

Best wishes,
Mike

PRE-PREP

HELLO YELLOW ASSEMBLY

TADPOLES

WIGGLY WORMS!

This week, we had a very wiggly time at forest school. Earlier in the week, one of our Tadpoles friends had been asking questions all about worms. We decided we needed to learn more and so ventured into the forest to find some worms. Mrs Cocks helped us to make our own Wormery using recycled plastic bottles. We carefully filled our bottles with layers of sand and soil and then added some worms we found hiding under logs and stones. Once the worms were safe in their new homes, we added some autumn leaves for food. We are so excited to take care of our wormeries and watch our worms make tunnels!

FROGS

BRISTOL AQUARIUM

The Frogs interest in the rock pools has led us to Bristol Aquarium, where they became fully immersed in all things that lived under the sea. They saw crabs, catfish, moray eels, starfish, lobsters, seahorses, sting rays, sharks and many more different varieties of fish. One of our favorites was Shelia, she was a big grouper fish and she was very, very big! The Frogs were fabulous listeners and a credit to Pre-Prep.

RECEPTION

KILVE BEACH

Today the Reception class had the most amazing day at Kilve beach, we hunted and found lots and lots of ammonite fossils. We became human weighing scales, built pebble towers, made picture with seaweed, wrote our names in the sand and of course had a picnic. We had the best day.

YEAR 2

AUTUMN LEAF CROWNS

Year 2 have been inspired by Mary Cassatt to create stunning seaside artwork, featuring watercolour backgrounds with felt pen drawings that they cut out and layered for a vibrant effect. To complement their topic, "Hooray, Let's Go on Holiday," and following their recent trips to the seaside, the children also crafted seaside souvenirs using air-dry clay to make unique magnets. Their creations ranged from saltwater crocodiles to mermaids- a wonderful blend of art and hands-on creativity!
