We look forward to meeting your family in the fall! We hope you have a wonderful summer!

Sincerely,

Siple Third Grade Teachers

Dear Parents,

We are thrilled about welcoming your child to 4th grade at Siple. Your student will learn a lot of new academic concepts, experience an increased level of responsibility, and have fun at the same time!

The most important skill that your child can bring with them to 4th grade is the quick recall of their basic multiplication facts.

The majority of math skills that will be taught this year will revolve around the mastery of these facts. Although this skill was taught in 2nd grade and worked on in 3rd grade, please take some time out of your busy summer to make sure your child has memorized his or her multiplication facts. We cannot emphasize enough how critical this is to your child's math success in 4th grade. A little bit of practice now will alleviate the task of trying to master these skills while learning new math concepts. It will make new math content easier to understand.

While you are not required to provide any supplies for your child to attend Davison Community Schools, you may want to provide these suggested items:

❖ Backpack	❖ 1 pack of Magic Erasers
❖ 2 Large Boxes of Kleenex	❖ Disinfecting Wipes
❖ Small Pencil Box	❖ Scissors
❖ Crayons	❖ Erasers
❖ Colored Pencils	❖ Highlighters
❖ Dry Erase Markers	❖ Pencils

Space in your child's desk is limited. For this reason, we ask that you do not send 3 ring binders to school. Thank you for your cooperation in this area.

In addition, please remember to write your child's name on the supplies they bring to school.

Sincerely,

Siple Fourth Grade Teachers
