

DILLARD 6-12 PANTHER NATION NEWS

Welcome back, Panthers! We are excited to begin another amazing school year filled with new opportunities, meaningful learning, and unforgettable memories.

Whether you're returning to familiar faces or joining the Dillard family for the first time, know that you are an important part of our Panther community. This is your year to grow, challenge yourself, discover your strengths, and achieve your goals.

To our students: Come ready to learn, lead, and make a positive impact every day. To our families: Thank you for your continued partnership and support. Together, we will create a safe, inclusive, and inspiring environment where every Panther can succeed.

Let's make this school year one of excellence, kindness, and Panther pride!

PRINCIPAL'S MESSAGE

It is with great pleasure that I welcome the entire Panther family to the 2026–2027 school year. It is both an honor and a privilege to continue serving this exceptional school and community. I look forward to a successful and rewarding year marked by academic excellence, meaningful student engagement, and transformative learning experiences.

Dillard High School 6–12 has long been distinguished by its rich history, proud traditions, and unwavering commitment to excellence. I am grateful for the opportunity to work alongside our dedicated parents, families, community partners, and stakeholders as we strive to provide every scholar with an outstanding educational experience.

As I begin my 25th year in education, I remain deeply committed to the mission of preparing students for success in college, careers, and life. While the responsibilities of educational leadership continue to evolve and grow, I am inspired by the opportunity to collaborate with our school community in providing innovative, real-world, 21st-century learning experiences for all students.

At Dillard High School 6–12, we will continue to offer rigorous college-preparatory instruction, high academic expectations, and experiential learning opportunities designed to equip our scholars with the knowledge, skills, and character necessary for future success. Throughout the summer, our faculty and staff have worked diligently to refine curriculum, participate in professional learning, and prepare a welcoming and engaging campus environment for the year ahead.

The accomplishments and achievements of our school community are a source of great pride, and we look forward to building upon that strong foundation. I am especially excited to welcome our incoming Panther scholars and support them throughout their educational journey. I encourage every student to become actively involved in school life through athletics, clubs, JROTC, performing arts, service-learning opportunities, and other extracurricular activities that foster leadership, personal growth, and school pride.

I am committed to maintaining a visible and active presence within both the school and the broader community. Together, we will continue to uphold the values that define Panther Nation and reinforce our shared commitment to excellence.

As we begin this new school year, let us remember our guiding principle: “We Are One Nation, We Are Panther Nation—Striving for Excellence, No Exceptions, No Excuses.” This commitment reflects our belief that every Panther should pursue excellence, demonstrate perseverance, and strive to achieve their highest potential.

I look forward to a productive, inspiring, and successful school year for all.

Broward Schools Calendar

The official Broward County Public Schools calendar includes all of the important dates for the 2026-2027 school year. Parents can use it to stay informed about school holidays, teacher planning days, early release days, and other scheduled school closures. The calendar also identifies when interim reports and report cards will be available through the FOCUS Parent Portal, making it easy to stay on top of your child's academic progress throughout the year.

Blue and Gray Calendar

The Dillard 6-12 Blue/Gray calendar helps students and families keep track of the alternating class schedule throughout the school year. On Blue Days, students attend Periods 1-4, and on Gray Days, students attend Periods 5-8. The calendar also highlights special schedule changes, testing days, early release days, and other important events that may affect the regular school schedule. We encourage families to refer to this calendar regularly to help students stay organized and prepared each day.

SCHOOL ADVISORY COUNCIL (SAC) & SCHOOL ADVISORY FORUM (SAF)

We invite all parents, scholars, staff, and community members to participate in our monthly meetings. Together, we provide input, share ideas, and support decisions that help all scholars succeed.

WHAT IS SAC?

The School Advisory Council is a team of parents, community members, staff, and school leaders that works together to advise and assist with school improvement and student achievement.

WHAT IS SAF?

The School Advisory Forum provides a broader voice for the school community to share feedback, ideas, and concerns that help strengthen our school.

PURPOSE OF OUR MEETINGS

To collaborate, communicate, and make recommendations that promote a positive school climate, increase student success, and build a stronger partnership with our community.

SCHEDULES ARE SUBJECT TO CHANGE

Let's Stay **Connected!**

Keep Your Contact Information Up to Date! To help us keep every scholar safe, it is important that families maintain current contact information with the school throughout the year. Please ensure that your phone numbers, email address, home address, and emergency contact information are accurate and updated whenever changes occur.

For the safety and security of our scholars, only adults listed on the student's emergency contact card will be permitted to sign a scholar out of school. If someone is not listed, they will not be authorized to pick up your child. Keeping your information current allows us to reach you quickly in the event of an emergency and helps ensure a smooth dismissal process when needed.

Thank you for partnering with us to keep our Panther scholars safe!

How to Update Parent Contact Information

- Visiting the school's front office with a valid photo ID.
- Completing and submitting the required Student Emergency Contact Information form in FOCUS AND the physical form sent home on the first day of school.
- Updating your information as soon as there is a change in your phone number, address, email address, or emergency contacts.

Contact the school if you have questions about what information needs to be updated.

Please remember: After the first day forms are completed, changes to student contact information cannot be made over the phone or by email to protect the safety and security of our scholars.

Need Assistance Navigating FOCUS Parent Portal?

Click on the link below.

[FOCUS Help for Parents and Families](#)

Arrival & Dismissal

To ensure a smooth arrival, all students should arrive on time, in uniform (grades 6-8), and wearing their school-issued ID. Campus gates will open at 7:15 a.m. The first class begins promptly at 7:40 a.m. We encourage families to arrive early to allow plenty of time for students to enter campus and eat a healthy breakfast.

For the safety of everyone on campus, all scholars will be screened upon entering the school.

Students should use the designated entrance based on their mode of transportation:

- Walkers and car riders will enter through the 11th Street gate entrance.
- Bus riders will enter through the bus loop entrance.
- Student drivers will enter through the 27th Avenue south gate entrance.

Students are dismissed at 2:40 p.m. No Early Sign-Outs after 2:10 p.m.

Student schedules will be available in FOCUS prior to the first day of school. Once students arrive in their first-period class, they will receive a printed copy of their schedule along with other important back-to-school documents.

Thank you for helping us ensure a safe, organized, and successful first day.

We look forward to an amazing school year!

AFTER-SCHOOL YMCA

OVERVIEW

The YMCA of South Florida, is a proud grant-funded provider of the Children's Services Council of Broward County (CSC). Grant funding is used to provide 9th-12th grade students quality after-school and summer services to assist students' transition to high school, aid their success in high school to graduate, and prepare them for their transition into university/college/technical Institution or a career. The Y's Success Coaches (Family Advocates) and Certified Teachers will strategically assist students to ensure their optimal success. The LEAP High Program offers: Credit Recovery, Career Exploration, Workshops (etiquette, life-skills, financial literacy, and cultural), and a wide variety of Academic Support/Sessions. The program is no cost to parents.

DILLARD 6-12
AICE CAMBRIDGE
PROGRAM
A WORLD OF OPPORTUNITY

The **AICE Cambridge** Program challenges scholars to think critically, communicate effectively, and succeed in a global society.

 COLLEGE READY Earn college credit and stand out in the admissions process.	 GLOBAL RECOGNITION Cambridge qualifications are respected by universities and employers worldwide.	 CRITICAL THINKERS Develop analytical skills, creativity, and a passion for lifelong learning.	 LIFELONG SUCCESS Empowering scholars today for leadership and innovation tomorrow.
---	---	--	---

HIGH SCHOOL STUDENTS WHO TAKE AT LEAST ONE AP OR AICE COURSE ARE 5 TIMES MORE LIKELY TO ATTEND COLLEGE.

ONE NATION. PANTHER NATION. LIMITLESS POSSIBILITIES.

★ **EXCELLENCE. NO EXCEPTIONS. NO EXCUSES.** ★

What are the benefits for the students?

Students can take AICE courses and earn two additional quality points on the district's weighted GPA with a C or above in the course. They can earn three or more college credits for every exam passed. Students can also earn the AICE Diploma by passing seven exams in different areas of study. If a student earns a Cambridge diploma and completes 100 community service hours, they qualify for the highest level of the Florida Bright Futures Scholarship, without having to meet the SAT/ACT and GPA requirements for the scholarship. The scholarship includes 100 percent tuition to any Florida public university or college for up to five years. They can also wave the physical education and online course requirements set by the Florida Department of Education if they qualify for the diploma by the completion of their junior year.

What are the AICE Diploma requirements?

- Students must pass a minimum of seven exams within 25 months of the first exam series (between 9-11 grades or 10-12 grades)
- Must pass at least one exam in Groups 1, 2, & 3 and the core, Global Perspectives & Research
- The other three exams passed can be in any group
- A maximum of two credits is allowed in Group 4

Emergency Contacts and Authorizations

Update your contact information and authorizations!

- Students will only be released to authorized release contacts
- The nurse will not be able to treat your child if they are not authorized
