Dear Lacey Township High School and Middle School Students and Families,

As we look forward to another exciting football season, we encourage everyone to come out and support our student-athletes while helping us maintain a safe, welcoming, and family-friendly environment at every game. To ensure that all spectators have a positive experience, please review the following expectations that will be in effect for all home football games throughout the season.

Admission and Supervision

- No backpacks, bags, coolers, etc. will be permitted inside the stadium.
- Students under the age of 14 must be accompanied by a parent or legal guardian for the **DURATION** of the event.
- Students under the age 14 may NOT be dropped off and left unattended.
- All spectators must remain in the areas designated for fans and may not gather near the team benches, end zones, or other restricted areas.

NJSIAA and Shore Conference Student and Spectator Expectations

Football games are school-sponsored events, and students are expected to conduct themselves in a manner that reflects positively on the Lacey Township School District. Students whose behavior is disruptive or inappropriate will be removed from the game. Because football games are school-sponsored events, inappropriate conduct may also result in school disciplinary consequences, including detention, suspension, and/or loss of the privilege to attend future school events.

In accordance with the expectations of the New Jersey Interscholastic Athletic Association (NJSIAA) and the Shore Conference, the following rules apply at all football games:

- Noise makers, whistles, air horns, radios, or similar devices are prohibited.
- Alcoholic beverages are prohibited.
- Smoking and vaping are prohibited on school grounds.
- The use, possession, or distribution of drugs or illegal substances is prohibited.
- Pets are not permitted on school grounds.
- Bags are not permitted inside the stadium.
- Spectators must remain seated in the areas designated by event personnel.
- Any spectator displaying poor sportsmanship, including taunting, negative cheering, or confrontational behavior toward officials, players, coaches, parents, or other spectators, may be removed from school property and, when appropriate, referred to law enforcement.

- All spectators are expected to comply promptly with requests from site managers, athletic directors, game officials, medical personnel, security, law enforcement, league officials, and school administrators.
- Spectators are expected to demonstrate respectful behavior during the National Anthem, while injured participants are receiving attention, during weather-related delays or emergencies, and throughout any other situation requiring heightened awareness and cooperation.

Our football games are an opportunity for our school community to come together and celebrate our student-athletes. We appreciate your partnership in helping us create a safe, respectful, and enjoyable environment for everyone.

Thank you for your cooperation, and we look forward to seeing you at the games this season.

Sincerely,

The Lacey Township High School Administration
