I can't make it to the parking sales before school. Can someone else get my sticker for me?

Your parent/guardian can get a sticker for you, but friends cannot.

I only have my learners permit but I'll get my license soon. Can I purchase the sticker now?

No. You have to have your driver's license to receive a sticker.

My car has a temporary plate. Can I still register it?

Yes. Please list the temporary plate number on the registration form. When you get your permanent plate number, report it to the parking office.

Students are **NOT** allowed to park on campus without purchasing a parking permit. SLHS security guards will monitor the parking lots.

Students parked on campus without a valid student parking permit or in an undesignated parking area/manner will receive a ticket/fine AND disciplinary actions. The third offense will result in the car being booted. The fee for boot removal is \$75 and will not be removed until payment is received.

Note: Parking permit fees are non-refundable and non-transferable. Parking is a privilege. A student's parking permit can be revoked temporarily or permanently for safety and driving violations. Suspension or full revocation will not result in any sort of refund.
