School Supply List

As you prepare for the upcoming school year, we want to provide some guidance on school supplies. We understand that quantities, brand names, and availability of supplies may vary at different stores. It's perfectly okay if you cannot find every item exactly as listed. The most important thing is to use the list as a starting point to ensure your child has what they need to begin the school year successfully. Thank you for your support and understanding. We look forward to another wonderful year of learning and growth together!

Please note there is no formal supply list for GlenOak High School; students should start the school year with something to write with and a notebook. Course specific supplies will be communicated by teachers.

Scan the QR code to view the school supply list!

ParentSquare

Plain Local Schools transitioned to ParentSquare as our exclusive communication platform during the 2025-2026 school year. We are excited to continue to use ParentSquare during the 2026-2027 school year.

ParentSquare is designed to make it easier for families to stay connected with their child's school. It brings all school communication, emails, text messages, app notifications, forms, and announcements into one easy-to-use platform. Scan the QR code to download the ParentSquare app or to learn more about ParentSquare and Plain Local Schools!

Please note: *During the summer transition of student data, information in some programs may appear incorrect. Please allow the month of July and early August for data updates and cleanup. Parents will receive a ParentSquare notification when their child's schedule/teacher information is updated in ParentSquare for 2026-2027.*

Home Access Center (HAC)

Home Access Center (HAC) is an online tool for families of students in grades 5-12 to stay connected to their child's academic progress. Through HAC, you can view grades, attendance, schedules, and more—all in real time. It's a simple way to stay informed and support your student throughout the school year. The Home Access Center will close down for the summer and reopen on August 7.

All 5th through 12th-grade students' HAC usernames and passwords have been set to their Chromebook Login/Eagleapps account information. ***Students will log in (username) with the first part of their email address (everything prior to @eagleapps.org) and their current Chromebook/email password.***

Parents new to Plain Local Schools this year can follow the steps below to sign up for an HAC account:

- Visit hac.sparcc.org/HomeAccess.
- Click "Click Here to Register for HAC".
- For "Select a District," choose "Plain Local" from the drop-down menu.
- Fill in the required fields.
- You will receive an email containing a URL and a one-time access code.
- Click on the URL in the email, enter the one-time access code and the birthdate of one of your registered students.

Final Forms

Plain Local Schools uses Final Forms, an online solution for back-to-school paperwork. All families must log in and sign off on important forms before the start of the school year.

Final Forms will open for the 2026-2027 school year on August 1. We encourage all families to complete their forms before the first day of school. For returning families, the process should take only about 10 minutes to complete. Families that complete their forms before August 1 may be required to log back in and sign off on additional forms that may have been added or updated over the summer.
