Dear Parents and Guardians,

The 2026-2027 school year is just around the corner! I hope everyone had a fun and relaxing summer! Our dedicated staff has been preparing for a superb school year at Platte Center Elementary. As I begin my sixth year as principal of Platte Center Elementary, I'm excited to meet new families joining us this year and continue to connect with our returning families. Platte Center Elementary and Lakeview Community Schools is a special place with exceptional staff and students. It's always a great day to be a Viking!

At Lakeview Community Schools our mission is building a strong foundation in academics, character, and mindset. We strive to help every student feel cared for and connected at Platte Center. Through our Viking Way expectations, we help students learn the importance of being respectful, responsible, and safe in all areas of our school. We recognize that in order to be successful in school, our students need a support system at school and at home. As partners, we share the responsibility for our students' success and we are diligent in providing students with the skills to be successful. Thank you in advance for your support! Please be sure to read the Platte Center Elementary Friday News that is sent digitally to all families via text and email each Friday afternoon.

We are so excited to have students back in our building in less than two weeks! A reminder that students need to be at school by 7:55 a.m. when the bell rings for our whole school morning meeting. If students wish to eat breakfast at school, they need to arrive by 7:45 a.m. At the end of the day, regular dismissal is 3:20 p.m. Every Wednesday will be an early dismissal for K-6 students at 2:30 p.m. Please remember that Platte Street is a one way street during pick up and drop off. In addition, please make sure to follow the pick up procedures, which are included in the back to school packet, to allow for a safe and efficient drop off and pick up process. Remind your students to walk to and from the entrance using the crosswalk.

Mark your calendars for our Back to School Night open house on Tuesday, August 11th from 5:30-7:00 p.m.! Families will be able to attend the open house any time between 5:30-7:00 p.m. A flyer is included in the back to school packet. There will be raffle tickets and a treat in each classroom thanks to our PTO and business sponsors! Two raffle prize winners in each classroom will be notified at a later date. The first day of school for K-6 is Wednesday, August 12th with an 11:30 a.m. dismissal. No lunch will be served on the first day. The first day for preschool will be Monday, August 17th. Enjoy the rest of your summer! See you soon! Go Vikings!

Sincerely,

Mr. Brandon Nygren, Principal

Student Drop Off Procedures

Please review the parking lot procedures below to ensure you are following the guidelines to ensure **ALL** of our students are safe in the parking lot. Also, please share with any individual who may drop off your child at school.

Platte Street in front of the school building is a south to north ONE WAY street from 7:00AM-5:00PM.

1. Please be patient when dropping your students off at school! We know you are in a hurry to get to work, etc., but please practice patience.
2. If you intend to drop off your students without getting out of the vehicle:
 - a. Use the **ONE (1)** lane closest to the school. (blue area in picture)
 - b. Have your child ready to go so they can get out, walk to the crosswalk, and come into the school.
 - c. Park as far north as possible to allow others to pull in behind you.
 - d. **Never park on the crosswalk.**
 - e. When departing, exit slowly and cautiously to the **LEFT**.
 - f. Be Patient
3. If you intend to walk your child into the school or the front door :
 - a. Use the parking spaces near the street. (yellow area in the picture)
 - b. Accompany your child to the door or the crosswalk.
 - c. Park as far north as possible to allow others to pull in behind you.
 - d. **Never park on the crosswalk.**
 - e. When departing, exit slowly and cautiously.
 - f. Be Patient!
4. Remind your students to **ALWAYS** use the crosswalk. (We tell them they are safest in the crosswalk.)
5. Enter from the south and exit to the north.
6. Dangerous or reckless driving will be reported to the Platte County Sheriff.

Student Pick up Procedures

Please review the parking lot procedures below to ensure **ALL** of our students are safe in the parking lot. Also please share these with any individual who may pick up your child at school.

Platte Street in front of the school building is a south to north ONE WAY street from 7:00AM-5:00PM.

- There are two pickup lanes marked by the red arrows in the diagram above. Please pull up as far as possible. Stay in your vehicle and wait for your child to enter your vehicle on the passenger side. Please do not park in the lane between the two sets of arrows. That is the merge lane for cars to exit the pickup area.
- Students will stay near the school (pink area) until their parent/guardian pulls into a "pickup spot." An adult will walk students to their vehicle.
- Parents may park in the yellow areas on the street and walk over to get their child. The yellow areas are along both sides of the street since it's a one way street. **Please do not block the entrance to the pickup lanes.** If you are parked in the pickup lanes marked with the arrows, please do not get out of your car. Students will not be allowed to cross traffic without an adult. Students will never enter the car on the driver's side unless accompanied by a parent or adult
- Parents who would like to park and come into the school are asked to park in the yellow areas.
- Students who walk home will follow the crosswalk.
- Parents are asked to remain patient to ensure the safety of all students.
- Dangerous or reckless driving will be reported to the Platte County Sheriff.

Welcome

Request for Meal Accommodation

This form may be used to request meal modifications for students who have a physical or medical impairment and participate in the National School Lunch & School Breakfast Programs. The district will work collaboratively with parents to ensure equal opportunity to participate in the School Meal Programs and receive program benefits. However, if the district is unable to accommodate your student's request within the meal pattern requirements; a *Medical Statement* completed by a State licensed Medical Professional will be needed (SP 59-2016).

Parent/Guardian:

Completing the *Request for Meal Accommodation* form helps the school provide meal modifications within the meal pattern requirements for students with a mental or physical impairment. Your participation in this process is very important and communication with the school team allows for advanced planning and preparation needed to provide the accommodation. The district is not required to provide a specific substitution (such as a particular brand name), but offer a reasonable modification that effectively accommodates your child's needs.

Lakeview Community School District

Building a Strong Foundation in Character, Academics, & Mindset

Platte Center and Shell Creek After School Program

The Lakeview Elementary Schools will be continuing the after school program to provide educational support, healthy activities, and a service to parents who need a positive option for their children between the hours of 3:20 and 5:30 p.m. These will be offered at both Platte Center and Shell Creek as long as there are enough students for the program to be self-supporting. A ratio of at least one staff member per 12 students will be maintained. All district handbook policies will be followed. Please call the school if you have questions.
